

STUDENT FUNDRAISING ACTIVITIES

School-sponsored fundraising must follow these guidelines:

School Level:

- Students are to be given specific instructions regarding the audience they may approach for sales. There shall be no “door-to-door” sales.
- The concept of “Top Seller” should be minimized.
- The school should notify the local media indicating the purpose of the fundraising project, the dates of the project, the product for sale, and how to contact the school for additional information.
- Schools within the district must notify the SAU office of all fundraising events.
- All schools will endeavor to coordinate fundraising events so as to avoid multiple projects overlapping.

Student Level:

- Students may elect not to participate in the fundraising event.
- Students are not to go door-to-door to raise funds.
- Parents/guardians, family members, and friends may aid the student in making sales in the name of the student.
