ANNOUNCEMENTS:

COLLEGE IN THE SPOTLIGHT

Today's college in the spotlight is UCLA! UCLA is located in Los Angeles, California. Some of its top majors include biology and film and television. While it has a low acceptance rate, it can vary by college and major so consider it as a school to apply to!

ATTENTION DRIVERS

We have received complaints from our neighbors regarding students driving at unsafe speeds in the neighborhood, especially after school. Please observe all posted speed limits, and drive extra cautiously. Remember, we want to be respectful and aware in our driving habits, as well as good neighbors to those who live close to RHS. Also, Roseville PD will have additional patrols in the neighborhood to help reinforce the need to drive safely around campus.

SOBER GRAD NIGHT

Seniors, this is the last week to grab your Sober Grad Night Sunrise cruise tickets. Tickets are on sale for \$250 until THIS Friday and will include an evening of entertainment, food, prizes, and one last sunrise with your classmates! Please visit rhssobergradnight25 for more information on instagram or gain more information in the front office. We can't wait to celebrate you and all you have accomplished!
