On Leadership

"True leaders are not those who strive to be first, but those who are first to strive and who give their all for the success of the team. True leaders are first to see the need, envision the plan, and empower the team for action. By the strength of the leader's commitment, the power of the team is unleashed."

Christmas Wishes

This time of year often makes us stop and consider those we are thankful for in our lives. I want to take a moment to thank each one of you for being true leaders. Our young people need leaders to guide them into the future.

Please take a moment to look over the brochure in your packet entitled, *"Educating our Future, Guided By Our Past"* that remembers some of our successes and accomplishments as a team over the past five years.

Merry Christmas to you and your loved ones!
