

# Robert Turner College and Career High School

## Menu of Classes for DHS and PHS Students -- Courses at Turner

DHS and PHS students are permitted to attend classes for the majority of the day at their home campus and also take 1-2 classes at Turner. Students must choose one of the following two options:

### A) One two-hour double blocked course OR B) Two one-hour single blocked courses

To further understand the “cross entity” scheduling option, please see the Turner Shuttle Bus Schedule on the THS website. Even if a student will not use the shuttle bus, this schedule illustrates options for a student’s individualized bell schedule.

### Menu of Double Blocked Classes – Classes that take up two class periods

DHS and PHS students may choose one double blocked class. Please see your counselor for scheduling assistance. The number in ( ) indicates grade levels.

Cross Entity Course Number	Course Name	Times of Day
T2H82A	Culinary Arts (10-12)- (PHS Only)	AM&PM
T2H83A	Advanced Culinary (11-12)- (PHS Only)	AM
T2H37A	Practicum in Health Science: Patient Care Technician (12)	PM
T2H36A	Practicum in Health Science: Dental I (11-12)	AM
T2H41A	Practicum in Health Science: Dental II- (12)	PM
T2H39A	Practicum in Health Science: Pharmacy Technician (12)	PM
T2A13A	Practicum in AG, Food & Natural Resource (12)	PM
T2A14A	Practicum in Veterinary Medicine (12)	PM
T2M35A	Welding I (11-12)- (DHS only)	AM
T2M26A	Welding II (12)	AM
T2A76A	HVAC and Refrigeration Technology II- (10-12)	AM
T2I04A	Networking with Lab (11-12)	PM

### Menu of Single Blocked Classes – Classes that take up one class period

Students from DHS or PHS may choose two of the one-credit courses below and select one alternate. Please consult the Course Selection Handbook for a complete listing of all courses and their prerequisites.

These classes are typically offered the first period of the day.		
AM Menu - Choose two and one alternate:		
Course #		Course Title
T2I14A	(9-11)	Foundations of Cyber Security
T2I03A	(9-11)	Principles of Information Technology
T2A85A	(9-11)	Principles of Construction (DHS only)
T2S03A	(9-11)	Intro to Engineering Design
T2A80A	(10-12)	HVAC & Ref Technology 1
T2A18S/T2A04S	(10-12)	Small Animal Mgt/ Equine Science- (DHS only)
T2A14A	(10-12)	Livestock Production (DHS Only)
T2S05A	(10-12)	Engineering Science
T2B13S/T2B12S	(10-12)	Human Resource. Mgt / Global Bus. (DHS only)
T2B01A	(10-12)	Accounting I
T2A03A/B	(10-12)	Agriculture Mechanics & Metal Technologies
T2A19A	(11-12)	Veterinary Medical Applications
T2H40A	(11-12)	Medical Billing and Coding
T2S01A	(11-12)	Civil Engineering and Architecture
T2S02A	(12)	Engineer Design and Problem Solving
T2A57A	(10-12)	Greenhouse Operations and Production (DHS only)
T2A05A	(10-12)	Horticulture Science (DHS only)
T2M34A	(10-11)	Introduction to Welding (DHS only)

**Note: Course availability is subject to change due to student enrollment and staffing.**

- To further understand the “cross entity” scheduling option, please see the Turner Shuttle Bus Schedule on the THS website.
- Please consult the Course Selection Handbook for a complete listing of all courses and their prerequisites
