We are offering your students an opportunity to apply to our scholarship. We offer a \$1,500 scholarship to a student who meets our qualifications. We are looking for students going into the DNR, a Wildlife degree or any outdoor field that will help with the conservation of habitat and wildlife. We will pay out the scholarship after the completion of 4 academic years. They need to send a proof of completion to us and then we will issue them the check. Please call the president with any questions. Thank You.
