Action Item: Approve January Minutes
Motion to approve January minutes by Feng Yang, seconded by Solange Leonardo, all in favor.

Discussion Item: Update on mentoring program through Legacy 318

- Camie Christensen shared we've had a very positive response from students and we have 9 students committed at this time. We will continue to fill up to the 14 spots we paid for through the end of the 2024-2025 school year. Data being collected is attendance in the program as well as outcome data (grades in classes and behavior in school).
- Growing by momentum and by student word of mouth – some students have asked their friends to join as well. Dr. Todd shared anecdotal story of a student who was so excited to enter the mentoring meeting.

Discussion/Action Item: Remaining SGC funds

- We have $32.00 remaining in our SGC funds. Motion to use the remaining SGC funds for school supplies by Paul Belongie, seconded by Feng Yang, all in favor.

Discussion Item: Upcoming SGC elections and status of current members

- Paul Belongie and Feng Yang are elected positions who are rolling off, and Alem Bayyan and Nate Kellis are nominated/appointed positions who are rolling off after this school year.
- Need at least 1 parent/guardian and 1 teacher to declare candidacy, and asked parent/community members to solicit interest from other parents and community members.
- Info about candidacy declaration and process will be coming out from the district and the Communications Committee.

Discussion Item: Outdoor covering - final details before installation

- We have the purchase order that is on its final approval at the district level. Once the purchase order is approved completely, it will shift over to the company and it will take about 2 weeks for the company to order it and then a few more days for installation. We should have the outdoor coverings installed by Spring.

Principal's Update:

- District changed the budget timeline. We were supposed to have it open today, but because of the Change of Student Assignment (COSA) and the 2 elementary schools that are closing, students are being redistricted which will affect budgets. Including 11 students of employees, we had 22 new students who chose Chattahoochee. Those new students will be added to the calculation, and then the budget will open back up. March SGC meeting will be moved to March 12th so budget update can be given.

Open Discussion Items: March 12th SGC meeting will be in person and focused on budget. Board Member Kristin McCabe will be in attendance to give district updates.

Action Item: Meeting Adjournment 4:15
Motion to adjourn the meeting by Feng Yang, seconded by Solange Leonardo, all in favor.
