Password: Warriors

MR. KENNE'S CORNER

What a great time to be a Warrior!! Last week our soccer team traveled to Sweet Home and won their game! There will be TWO soccer games this week. The first game will be here on Tuesday, March 11th at 1 pm against Meyersville and the second game will be on Thursday, March 13th at 1 pm in Nursery. Please plan to attend and support our Warriors! We will have picture day here on campus on Wednesday. We will be taking individual and class pictures, so please make sure your child is dressed to impress for pictures. We are still taking donations for our Spring Festival, so if you have or know anyone that is wanting to donate, please have them contact or bring the donations by the school. Next week is Spring Break, and we hope that everyone has a fun, relaxing and safe break. Please remember that raffle tickets are due back to the school the week we return from the break, so if you are able, please sell over the break. Remember that our Westhoff Spirit Shop is open and taking orders. If you have not done so already, log on to, <https://stores.inksoft.com/Westhoff/shop/home> and take a look at what we have to offer. The password, Warriors, will get you into the shop. Feel free to go in and shop for the latest Warrior merchandise and remember that \$5 from every purchase goes to PTC. Thank you for your support.
