

# William F. Cuthbert III

## Legacy Scholarship

### The Mimi

*Bill Cuthbert was a teacher, administrator, coach and advisor at four Volusia high schools over the course of his career. He influenced thousands of students. This scholarship is intended to honor Bill by enhancing educational opportunities for the direct descendants of former VCS students who learned from Bill. It is available to the children and grandchildren of students he taught, advised, or disciplined. It is presented by his son, William Cuthbert IV, and his son's family. The amount of the scholarship will be announced upon awarding.*

***For the following prompts, please attach your answers. It doesn't matter if they are typed or hand-written.***

Tell us about your relationship. How has this relative impacted your life? What do they mean to you? (500 words or less)

If your relative is still living, please ask what they learned from Mr. Cuthbert and share that, in your own words, here. If they have passed on, tell us what you know about their relationship with him (500 words or less)

Ask your relative if it is alright to share their story with community members. Scholarship awarding will not be based on a yes or no to this question, we simply don't want to violate privacy if the story itself is confidential. Ask your family member to please sign below if the story can be shared.
