- Peer-to-Peer Tutoring

* You can earn .50 credit for 145+ hours of volunteering!

* Good grades are important!

The background is a dark gray surface covered with a variety of small, colorful, hand-drawn icons. These icons include symbols for different fields of study: a lightbulb for ideas or science, musical notes for music, a globe for geography, a pair of glasses for reading or history, a paint palette for art, a calculator for math, a ruler and compass for geometry, a DNA helix for biology, a leaf for environmental studies, a book for literature, a play button icon for media, and various geometric shapes like stars, circles, and triangles. The icons are scattered across the entire page, creating a vibrant and educational atmosphere around the central text.

Registration Planning Worksheet

NAME:

LAST

FIRST

It is the student's responsibility to check the "Graduation Requirements" tab on Skyward and make sure that you are registering for courses from all the different graduation requirement areas. Do this step first! Planning to apply to 4-year colleges after high school? Please review the course work for the minimum college admission distribution requirements, which are listed in the EWHs Course Catalog.

There are 6 periods per semester. Most schedules include the following subjects. Have you selected one of each?

- English
- History
- Math
- Science
- Elective (Art, CTE, Music, PE, World Language, Other)
- Elective (Art, CTE, Music, PE, World Language, Other)

Are you planning to enroll in a program outside of EWS next year? You should plan to enter a full schedule of EWS courses now, and then talk with your counselor in your individual registration meeting about how to enroll in one of those programs.

COLLEGE CREDIT: AP, IB, CHS, AND CTE DUAL CREDIT

Dual Credit courses are taught and the high school, and provides students with the high school and college credit at the same time.

There are two types of dual credit: **CHS (College in the High School)** vs. **CTE Dual Credit**. CHS Credit is transferable to many four-year universities. CTE Dual Credit is transferable to certain community and technical college certificate programs in that particular field.

There is a course fee in order to obtain the college credit: **CHS = \$125 per course, CTE Dual credit = \$50 per course**. Financial assistance may be available.

REGISTRATION INPUT

I'll be BACK!

IMPORTANT

CHOOSE COURSES CAREFULLY!

Classes will be created and teachers assigned based on student requests in Skyward. Review your selections carefully!

Schedule changes after March 24th...

will be made for the following reasons only:

A **teacher/counselor/admin** determines **you are misplaced in a class.**

A **documented medical problem** prevents you from accessing a class.

LOGIN INTO SKYWARD, ADD COURSE REQUESTS, ADD ALTERNATES

1. Log into Skyward.
2. Click on the Course Requests tile.
3. Search for your desired courses on the left hand side using these course codes.
4. Make sure “My Requests” is highlighted in blue on the right hand side.
 - Click on green + button to move course to the “My Requests” section.
Total credits requested must equal 6.00 (or more if you plan to take optional before/after school courses).
5. Make sure “Alternates” is highlighted in blue on the right hand side.
 - Click on green + button to move course to the “Alternates” section.
Students must add six different courses to the alternates section
6. **IMPORTANT:** Don't forget to click the “save course requests” button or all changes will be lost!
