

## Incoming 6<sup>th</sup> Grade CMMS Course Request Worksheet – SY 2025-2026

### PLEASE CHOOSE YOUR COURSES WISELY.

We use this information to build our master schedule and to determine how many of each class we need to offer, so students have the best chance of getting the classes they request. Courses are requested and scheduled for the entire year.

**There will be NO OPPORTUNITY to make changes later.** Rank your choice of elective courses in order of preference. Otherwise, you will be assigned to available courses.

**Final course placement is subject to staff availability and resources.**

Check ISD's Middle School Planning Worksheet for Grades 6-8 to map out your three-year plan for middle school.

Tip sheet: <https://www.isd411.org/portals/family-access/report-problems/online-course-requests>

Your student's 6<sup>th</sup> grade course request list will be preloaded with *Social Studies 6* and *PE61/PE62/Health 6*.

### 6<sup>th</sup> Grade English Language Arts - CHOOSE ONE.

**On-level:** Language Arts 6 (KL600)

**Advanced:** Advanced Language Arts 6 (KL601)

- *Students who are interested in taking this course are **recommended** to have Level 4 in their SBA ELA Score, a grade of 4 in Report Card Grades in Reading and Writing, and an i-Ready reading score in 5<sup>th</sup> Grade above 4.00 and reading above grade level.*

### 6<sup>th</sup> Grade Mathematics - CHOOSE ONE.

**Path 1:** Math 1 (KM601) →> 7<sup>th</sup> Math 2 (KM701) →>> 8<sup>th</sup> Math 3 (KM801)

**Path 2:** Math 1/2 (KM602) →> 7<sup>th</sup> Math 2/3 (KM702) →>> 8<sup>th</sup> Algebra 1 (MT980)

**For Path 3 & D – please contact the CMMS Registrar ([nonisl@issaquah.wednet.edu](mailto:nonisl@issaquah.wednet.edu)) to check if learning recommendations and/or requirements are met and be manually added.**

**Path 3:** Math 2/3 (KM702) →> 7<sup>th</sup> Algebra 1 (MT980) →>> 8<sup>th</sup> Adv Geometry (MT982)

- *Students who are interested in taking this course are **recommended** to have level 4 grades in 5<sup>th</sup> grade math, Winter i-Ready Math score of 4.07 or higher, and knowledge of math 1-2 concepts.*

**Path D:** Algebra 1 (MT980) →> 7<sup>th</sup> Adv Geometry (MT982) →>> 8<sup>th</sup> Algebra 2 @ the HS.

- *Students who are interested in taking this course **MUST PASS** the placement test in May/June in order to be scheduled for this class. Student will initially be scheduled for Math 2/3 then will be changed to Algebra 1 if they passed the placement test.*

### 6<sup>th</sup> Grade Science - CHOOSE ONE.

**Standard Path:** Life Science (KS100) →> 7<sup>th</sup> Earth & Space (KS102) →>> 8<sup>th</sup> Physical Science (KS103)

**For Alternate Path – please contact the CMMS Registrar ([nonisl@issaquah.wednet.edu](mailto:nonisl@issaquah.wednet.edu)) to check if learning recommendations are met and be manually added.**

**Alternate Path:** Earth & Space (KS102) →> 7<sup>th</sup> Physical Science (KS103) →>> 8<sup>th</sup> Biology (SC200)

- *Students who are interested in taking this course are **recommended** to have level 4 grades in math and reading, Level 4 on i-Ready and SBA assessments. Students in 6<sup>th</sup> grade that request this course should also register for Math 2-3 or higher. These students will skip Life Science and should therefore have a strong background in Life Sciences to be prepared for high school biology in 8<sup>th</sup> grade.*
