Principal's Corner

March is off to a fast and great start here at Johnson. It is spectacular to see "Camp Read-A-Lot" come to life here in our building. Take the time to look over the letter and ask your student how they plan on earning badges this month. A special thank you to Mrs. Acker and all of our parent volunteers who helped put together the Battle of the Books. Always a special event to participate in. Monday, our teachers will be hard at work to help prepare our students for the last phase of the school year!

-Mr. Traub

Staff Member of the Week:

We would like to congratulate Mrs. Piper for being voted this award by her colleagues this week!

Mrs. Piper is a 6th Grader Teacher here at Johnson. In addition to her duties of teaching ELA and Math to her students, she finds a way to do so much for our staff. She works behind the scenes to get 6th Grade Camp up and running, and is vital to our fundraising efforts to make it happen. She is fantastic in building relationships with her students, which makes her classroom a great place to be!

PBIS Updates

This week we focused on antibullying/being an upstander (see attached SOAR Matrix) on the morning announcements. Just a reminder that our SOAR Celebration will be on Tuesday. We will be watching Sonic 2 to follow up the first movie from the first trimester celebration. Students will be invited to the SOAR Celebration if they have not had any major write-ups, 3 minors, or detentions for the trimester. Once again, students will start with a clean slate next week and can earn the final celebration!

MARCH IS READING MONTH!

March 1, 2025

Dear Johnson Families,

Welcome to Camp Read-A-Lot! We are kicking off March is Reading Month with a backpacking adventure to 6 National Parks. Along the way, students will read and participate in reading activities and spirit days! Our hikers will carry a trail map documenting their journey with earned badges (stickers). These badges will be placed on their map. It will take 3 badges (activities) to reach a National Park. When students reach a National Park, they will need to complete the corresponding National Park Super Sleuth. Students can pick up a Super Sleuth from Mrs. Acker during their LMC time. Once completed, they can return their Super Sleuth to their classroom teacher for a special "Park Pass". A "Park Pass" is an outdoor vinyl sticker.

Attached to this packet is a calendar of spirit days that will take place throughout the month of March. Students can only earn one badge per week for participating in spirit days, but are welcome to dress up for all! Additionally, there is a choice board of activities for students to choose from. Each activity will provide a badge on their trail map.

Students will earn prizes at each National Park. Any student reaching the final park, Isle Royale will be invited to a camping themed celebration. We hope everyone has fun on their hiking (reading) adventures. Let's get reading and start earning badges!

Sincerely,
Johnson Upper Elementary School

Hello, Sixth Grade Families!

The countdown to the 2nd Annual Livonia Day of Music begins!

On March 13, 2025, all LPS sixth grade students will be treated to performances by our High School band, orchestra, and vocal music programs. Following the concert, music professionals will assist students in trying out their top instrument choices (based upon their experiences in sixth grade music). Students who have an interest in Middle School instrumental music will have a good idea of the instrument choices that are the best fit for them in Middle School band or orchestra. Students who would like to elect choir in Middle School will meet with a professional and receive a mini-clinic and information about their vocal part for next year.

Your child participated in the *Selmer Music Guidance Survey* during their music class. This survey asks students to compare musical patterns by ear - a research backed indicator of musical aptitude (Gordon, 1967). While all students can learn and benefit from a school music experience, we feel your child will likely find success and enjoyment in an instrumental or vocal music program.

Students in the school band, orchestra, and choir are automatically part of a community! Your child will enter Middle School and will immediately be able to connect with a group of students who share a common interest! That's a great feeling for kids who are entering a new building with new challenges.

Our current Middle School music students have the opportunity to take other electives in addition to their scheduled music class, and your child can too! Our Middle School music students are active in sports, clubs, and other activities, and your child can do the same, while playing in the band or orchestra, or singing in the choir!

Participating in music ensembles is only the beginning of an amazing adventure that builds confidence, a sense of purpose, and often leads to lifelong friendships forged in this fun, shared journey. We hope that you encourage your child to continue their music experience in Middle School to explore and grow their talent.

Recess Update: As snow begins to fall, just a reminder that boots will be necessary to play in the snow during recess. Students can bring shoes and leave boots in their lockers during the day. Students in shoes will still be allowed outside, but will be playing on the blacktop areas. Make sure that students are dressed appropriately and are warm for outdoor recess. We will continue to go outside as long as it is 15 degrees Fahrenheit or warmer.
