

SNAPOLGY

After School Program Barnes Elementary School

At Snapology, we teach **STEAM** concepts (Science, Technology, Engineering, Art, Math) through hands-on activities. Snapology engages children ages 2-14 using LEGO® bricks, engineering kits, LEGO® Spike Prime education kits, and other technologies to develop their creativity, problem-solving skills, and teamwork capabilities.

LEGO® After-School Class
Spring term 2025
Age 6-10 Wednesday 2:15- 3:15pm
04/09-05/28
\$245

With a wide range of classes and topics like Robotics, Mechanical Engineering, Science, Art, Math, Architecture, Movie Making, even children's favorite themes, they will never be bored while learning and exploring.

At Snapology, we believe learning should be fun and that playtime can be learning time.
