 - a. expanded the program- 2 Winners from K-2, 3-5, & 6-8
 - b. Different Characteristic Each Month

c. February- Positivity

d.

Carson Hignutt	Sophia Sparks	Jaxon Egberts
Carson exemplifies positivity in a quiet, humble way. Carson is driven and determined to do well in class. Even when things are hard, he pushes through and keeps a positive attitude. This positive attitude is on full display when he works through challenges without getting frustrated. Instead, he tries again because he knows he can do it. The end result is usually a humble smile and boost of confidence. Carson's positivity has been a major factor in his achievements in the classroom, as well as the overall atmosphere of our classroom.	Sophia is new to our school this year and has been a wonderful, positive, helpful addition to our classroom and to Gibby! Every day, Sophia comes in with a smile. She is a caring friend who uses her own positive attitude to lift up those around her. Sophia is always the first to volunteer for anything anyone needs. One of her gifts is finding the silver-lining is challenging or disappointing situations! With this positivity and optimism, in addition to her kind heart, I know Sophia is destined to accomplish anything she desires, and will be a blessing in the lives of all those around her.	Jaxon is a student who simply goes with the flow about everything, and he does it with a smile. When things do not work out in his favor he does not gripe or complain, he accepts that it is an opportunity for growth. Many times he has given the thumbs up in situations that are not always easy or fun. I appreciate his positive attitude very much. Jaxon is a pleasure to work with.
Lillianna Fox	Abigail Aguilar	Swara Sagdeo
Lillianna is a kind young girl who is the first one to help a friend. She always shares positive messages to her friends whether it is on the playground or in class. "You can do it!" or "We will get it next time are things she often says!"	When I think of a positive student, Abby comes to mind automatically. Abby is always smiling, always cheering on her classmates, and is always ready to help friends in need. Even when something happens to Abby that is not ideal, Abby spins it into a positive. She is always trying to find the positive in every day life.	Swara lights up the room with her smile and laugh. She always has a bright, upbeat, and positive attitude.

e.
