CAMP OVERVIEW

COST

Each camp (4 half-day sessions) costs \$200 per camper.

REGISTRATION

Visit secondbaptistschool.org/summercamps to register today!

Note: Campers should register for sessions based on their grade level for the upcoming (2025-2026) school year.

CAMP WELCOME & DETAILS

Our SBS summer camp offers an enriching experience tailored to diverse interests. Campers explore a wide range of offerings in both sports and STEAM, which includes arts, science and technology activities. Through engaging courses, campers develop new skills, foster creativity, and build friendships. Whether it's scoring goals on the field, creating masterpieces in the art studio, conducting exciting experiments, or coding innovative projects, our camp provides a dynamic environment for growth and fun-filled summer memories.

Parents will receive an email from the camp teacher or coach the week before the start of camp with additional details about the week, including what to bring, what to wear and other camp-specific information. Campers will receive one t-shirt for each week of camp they are registered for.

LUNCH

Campers attending both AM (morning) and PM (afternoon) sessions are invited to stay on campus for lunch. They will need to pack a lunch from home. Campers staying for lunch will eat together under adult supervision.

LOCATION

Second Baptist School

6410 Woodway Drive, Houston, TX 77057

GUIDE

CAMPOFFERINGSBYWEEK

WEEK 1

SPORTS

FOOTBALL

KN - Grade 4

Beck Brydon | Varsity Football Head Coach
Keith Paige | Varsity Football Assistant Head Coach

Football camp players receive instruction from our experienced coaching staff in all aspects of football, including passing, rushing, receiving, line play, blocking and pass and run defense. Campers learn the fundamentals and techniques necessary for each position, including small group and team competition. Campers are encouraged through fun while acquiring confidence in their football skills! This is a non-padded, limited-contact camp.

FOOTBALL

Grades 5 - 6

Beck Brydon | Varsity Football Head Coach
Keith Paige | Varsity Football Assistant Head Coach

This camp is the official *Kickoff* to our GMGF (Good Men/Great Football) football program at Second Baptist School. Designed for boys entering grades 5-6, this non-padded, limited-contact camp is perfect for any young man interested in playing tackle football. Throughout the camp, our experienced SBS coaching staff and varsity football players will teach the fundamentals of every position and introduce players to our Middle School playbook. Campers will also develop new skills and build confidence as they learn how to apply these techniques in game situations.

CHEER AND DANCE

Grade 3 - 6

Andrea Spence | Varsity Cheer Coach
Madelyn Whitehead | Varsity Dance Coach

With fun-filled experiences in cheer and dance, campers learn skills and routines in an energetic atmosphere and perform for parents and fans on the last day of camp. Varsity cheerleaders and Golden Girls will be on hand for instruction and encouragement as young campers grow in their cheer and dance abilities.

VOLLEYBALL

Grade 3 - 6

Chandace Tryon | Varsity Volleyball Coach

Volleyball camp develops key volleyball skills including serving, passing, hitting, setting and team rotations. Athletes fine-tune their fundamentals while improving their effectiveness on the court. Players will gain a deeper understanding of the game through work on basic skills and team drills in an uplifting, high-energy camp.

STEAM

MUSICAL THEATRE

KN - Grade 2

Caroline Patterson | Middle School Theatre Arts, 5th & 6th Grade Musical Director

Cole Ryden | Production Manager, Middle School Theatre

Musical theatre campers learn basic acting, vocal and creative movement techniques. During this high-energy and fun-filled week, campers learn the fundamentals of musical theatre while gaining confidence and growing in their performance skills. Theatre games, improvisations, singing, dancing and confidence-building activities make this camp come alive!

LEGO ROBOTICS

KN - Grade 2

Savannah Barrett | Lower School Technology Teacher

Campers will use LEGO WeDo 2.0 and LEGO bricks to dive into the world of engineering, creativity, and problem-solving as they design and build their own robots. Using real-life challenges as inspiration, they will explore how to create and animate their robotic creations while developing critical thinking and teamwork skills. Campers will have an exciting week of hands-on learning, imagination, and fun!

SPORTS

CHEER AND DANCE

KN - Grade 2

Andrea Spence | Varsity Cheer Coach
Madelyn Whitehead | Varsity Dance Coach

With fun-filled experiences in both cheer and dance, campers learn skills and routines in an energetic atmosphere and perform for parents and fans on the last day of camp. Varsity cheerleaders and Golden Girls will be on hand for instruction and encouragement as young campers grow in their cheer and dance abilities.

VOLLEYBALL

KN - Grade 2

Chandace Tryon | Varsity Volleyball Coach

Volleyball camp will introduce key volleyball skills including serving, passing, hitting, setting and team rotations. Athletes fine-tune their fundamentals while improving their effectiveness on the court. Players will gain a deeper understanding of the game through work on basic skills and team drills in an uplifting, high-energy camp.

STEAM

MUSICAL THEATRE

Grades 3-6

Caroline Patterson | Middle School Theatre Arts, 5th & 6th Grade Musical Director

Cole Ryden | Production Manager, Middle School Theatre

Musical theatre campers learn basic acting, vocal and creative movement techniques. During this high-energy and fun-filled week, campers learn the fundamentals of musical theatre while gaining confidence and growing in their performance skills. Theatre games, improvisations, singing, dancing and confidence-building activities make this camp come alive!

EVERYTHING ART!

KN- Grade 2

Sarah Bramlett | Lower School Art Teacher

Everything Art! has something for everyone! Campers engage with all aspects of art including drawing, painting, collage and sculpture, while being inspired to think outside the box and create art that is unique to them. With the freedom to explore and express themselves, campers will amaze you with the designs they create!

LEGO ROBOTICS

Grades 3 - 6

Kevin Gamas | Middle School Technology Teacher

Campers will use Lego Spike Prime and the brand new Sphero Bolt+ and LEGO bricks to dive into the world of engineering, creativity, and problem-solving as they design and build their own robots. Using real-life challenges as inspiration, they will explore how to create and animate their robotic creations while developing critical thinking and teamwork skills. Campers will have an exciting week of hands-on learning, imagination, and fun!

WEEK 2

SPORTS

BASEBALL

KN - Grade 2

Rayner Noble | Varsity Baseball Coach

Baseball camp teaches the principles of the game with instruction from experienced coaches in the batting cage and on the field. Athletes learn what it takes to be successful in the game of baseball with a focus on individual skills, baseball fundamentals, team strategy, and team competitions in a fun, energetic environment.

SOFTBALL

Grades 3 - 6

Kyle Wilkinson | Middle School Softball Coach

Softball camp focuses on instruction in all aspects of softball including throwing, fielding, hitting, base running and situational gameplay. Sessions highlight small group and team competition. Campers learn the fundamentals of the game while gaining confidence in their softball skills.

BOYS' BASKETBALL

Grades 3 - 6

Taylor Land | Head Men's Basketball Coach

Basketball camp teaches fundamental skill development, including ball handling, passing, proper footwork and defense. Campers learn to develop their game to become an all-around competitor in this fast-paced, team-focused camp!

STEAM

ALL THINGS 3D

Grades 3-6

Emily Evans | Middle School Art Teacher

In this session, students will have so much fun crafting and creating all things three-dimensional. This workshop-style course allows each experience to be unique and will encourage your camper to explore their own style and creativity! Campers will engage in hands-on activities.

BUBBLE AND FIZZ!

KN - Grade 2

Ana Konuma | Middle School Science Teacher

Perform ooey gooey feats! Campers conduct science experiments with creativity and ingenuity, applying scientific principles along the way. They will learn why things bubble, fizz, react, and grow and how science is used in everyday life. Campers' minds will erupt with this hands-on, collaborative camp! Bubbles provide the opportunity to study science concepts such as states of matter, light, chemical reactions, and even geometry. Our campers can engage in processes such as observation, experimentation, investigation, and discovery simply by studying bubbles.

ABSTRACT ART

KN - Grade 2

Geanna Manners | Upper School Art Teacher

Let go and have fun with abstract art! Campers have freedom to create works of art including splatter paint, paint dripping and more! Using acrylic paint, chalk pastel, watercolor and oil pastels, campers dream big and allow their imaginations to grow. At the end of the week, campers host an art gallery to showcase artwork to their families!

SPORTS

BASEBALL

Grades 3 - 6

Rayner Noble | Varsity Baseball Coach

Baseball camp teaches the principles of the game with instruction from experienced coaches in the batting cage and on the field. Athletes learn what it takes to be successful in the game of baseball with focus on individual skills, baseball fundamentals, team strategy and team competitions in a fun, energetic environment.

SOFTBALL

KN - Grade 2

Kyle Wilkinson | Middle School Softball Coach

Softball camp focuses on instruction in all aspects of softball including throwing, fielding, hitting, base running and situational gameplay. Sessions highlight small group and team competition. Campers learn the fundamentals of the game while gaining confidence in their softball skills.

BOYS' BASKETBALL

KN - Grade 2

Taylor Land | Head Men's Basketball Coach

Basketball camp teaches fundamental skill development, including ball handling, passing, proper footwork and defense, with a faster and more competitive pace for older students. Campers learn to develop their game to become an all-around competitor in this fast-paced, team-focused camp!

STEAM

SUPER SENSORY ART

KN - Grade 2

Emily Evans | Middle School Art Teacher

Get ready to get messy! Campers will become fully immersed in the artistic process as they engage all of the senses to create original works of art. This art-making focuses more on the process than the product, allowing campers the freedom to let loose and experience the joy of creating. Campers will engage in hands-on activities using unconventional art making tools such as bubbles, dough, sand, rocks, foam, and fingers!

ABSTRACT ART

KN - Grade 2

Geanna Manners | Upper School Art Teacher

Let go and have fun with abstract art! Campers have freedom to create works of art including splatter paint, paint dripping and more! Using acrylic paint, chalk pastel, watercolor and oil pastels, campers dream big and allow their imaginations to grow. At the end of the week, campers host an art gallery to showcase artwork to their families!

BUBBLE AND FIZZ!

KN - Grade 2

Ana Konuma | Middle School Science Teacher

Perform ooey gooey feats! Campers conduct science experiments with creativity and ingenuity, applying scientific principles along the way. They will learn why things bubble, fizz, react, and grow and how science is used in everyday life. Campers' minds will erupt with this hands-on, collaborative camp! Bubbles provide the opportunity to study science concepts such as states of matter, light, chemical reactions, and even geometry. Our campers can engage in processes such as observation, experimentation, investigation, and discovery simply by studying bubbles.

WEEK 3

SPORTS

BOYS SOCCER

KN - Grade 6

Geoff Brooks | Varsity Men's Soccer Coach

Soccer camp focuses on skills development including ball handling, passing and proper footwork, while promoting teamwork and sportsmanship. Instruction promotes correct soccer technique through shooting drills, ball mastery and team concepts, while having fun!

GIRLS SOCCER

KN - Grade 6

Kevin Gamas | Varsity Women's Soccer Coach

Soccer camp focuses on skills development including ball handling, passing and proper footwork, while promoting teamwork and sportsmanship. Instruction promotes correct soccer technique through shooting drills, ball mastery and team concepts, while having fun!

GIRLS' BASKETBALL

Grades 3 - 6

CH Herndon | Varsity Women's Basketball Coach

Basketball camp teaches fundamental skill development, including ball handling, passing, proper footwork and defense, with a faster and more competitive pace for older students. Campers learn to develop their game to become an all-around competitor in this fast-paced, team-focused camp!

STEAM

CRAFT ATTACK

KN - Grade 2

Emily Evans | Middle School Art Teacher

Craft Attack allows campers of all levels to have FUN and get messy! Campers create hands-on crafts such as tie-dying, hydrodipping and string art. By the end of the week, campers will have multiple art pieces to take home.

CLAY CREATIONS

Grades 3 - 6

Christopher Lewis | Upper School Art Teacher

Come create your favorite characters with clay in this hands-on session. Campers will be guided through the entire step by step design process. We will draw, build ingredients, layer, color and bring to life characters of your choice.

EDIBLE EXPERIMENTS

Grades 3 - 6

Anna Konuma | Middle School Science Teacher

Step into our Candy Lab and explore science through sweet experiments! From candy chemistry to edible experiments, every activity uses candy to teach cool scientific concepts. Mix, melt, and marvel at how sweets can be both delicious and educational! Experiments will include sugar crystallization, ingredient interactions, and all the chemical reactions involved in the process.

HIS HOP

KN - Grade 2

Sarah Stanley | Dance Instructor

His Hop is a Christian Hip Hop dance camp designed for young dancers that focuses on clean music, appropriate dance moves, and technique development. It also focuses on building confidence, socializing with peers, and having tons of fun. Everything is designed to glorify the Lord through worship and culminates in a performance at the end of the camp for family and friends. Students will receive their very own His Hop T-shirt for the performance.

SPORTS

GIRLS' BASKETBALL

KN - Grade 2

CH Herndon | Varsity Women's Basketball Coach

Basketball camp teaches fundamental skill development, including ball handling, passing, proper footwork and defense, with a faster and more competitive pace for older students. Campers learn to develop their game to become an all-around competitor in this fast-paced, team-focused camp!

STEAM

CLAY CREATIONS

Grades 3 - 6

Christopher Lewis | Upper School Art Teacher

Come create your favorite characters with clay in this hands-on session. Campers will be guided through the entire step by step design process. We will draw, build ingredients, layer, color and bring to life characters of your choice.

EDIBLE EXPERIMENTS

KN - Grade 2

Anna Konuma | Middle School Science Teacher

Did you know science can be edible and educational? In this session, campers will be both chefs and scientists as they learn about chemical reactions and the forces of nature through cooking. Experiments will include ice cream, fizzy lemonade, gummy bears, and slime.

HIS HOP

Grades 3 - 6

Sarah Stanley | Dance Instructor

His Hop is a Christian Hip Hop dance camp designed for young dancers that focuses on clean music, appropriate dance moves, and technique development. It also focuses on building confidence, socializing with peers, and having tons of fun. Everything is designed to glorify the Lord through worship and culminates in a performance at the end of the camp for family and friends. Students will receive their very own His Hop T-shirt for the performance.

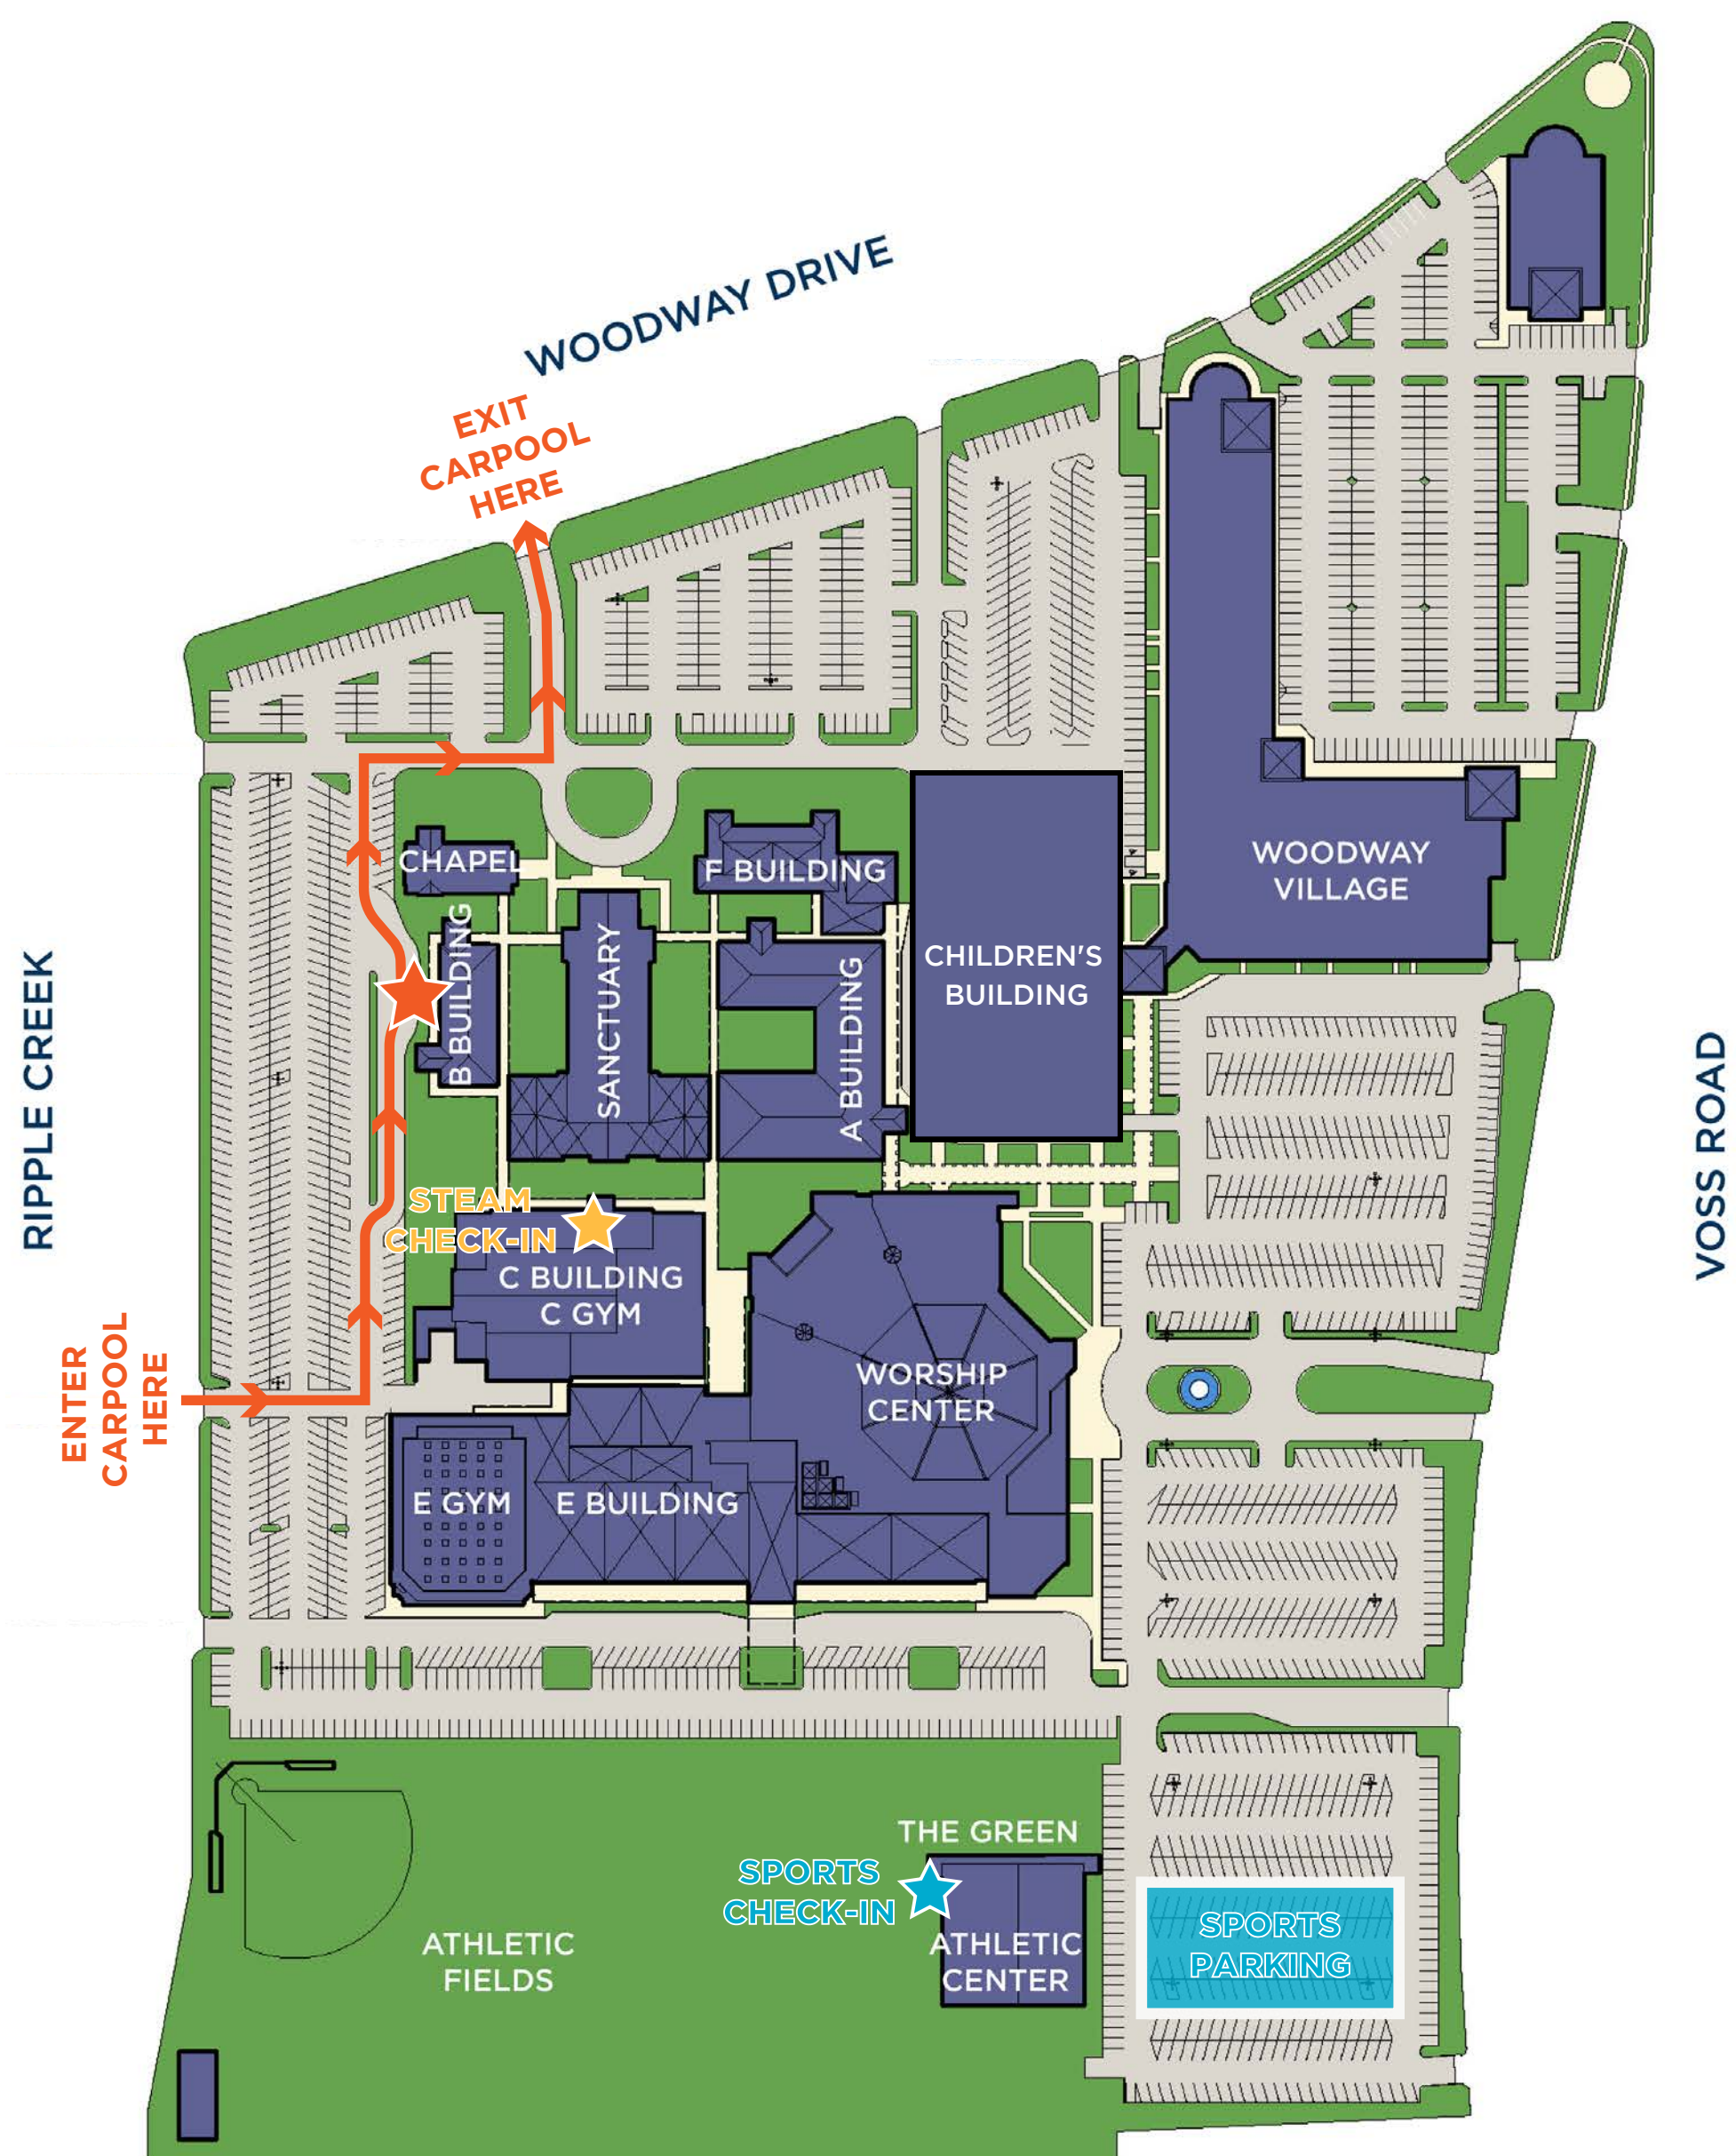

ART UNDER THE SEA

KN - Grade 2

Emily Evans | Middle School Art Teacher

Start off summer with a splash... of paint! Campers develop creativity and artistic skills while gaining knowledge of marine life and creating artwork inspired by the ocean! All skill levels are welcome to join as campers dive into the deep blue sea of art exploring a variety of mediums such as painting, drawing, coloring, and even making an edible sea treat!

CAMPUS MAP

CAMP DROP-OFF & PICK-UP PROCEDURES

- Sports campers should be dropped off/picked up at their camp's field or court.
- Arts or academics campers should be dropped off/picked up in the carpool line outside the C Gym lobby.
- For families with campers at both locations, sports campers should be dropped off/picked up first.
- Late arrivals and/or early departures must be managed by the parents at the specific camp location.
- On the first day of camp, all campers must check in at the designated check-in area for their camp session. Campers only need to be checked in for their first session of camp each week.
