

College Park Elementary School
Uniform and Dress Code Information

For the past fifteen+ years, all College Park students have worn a uniform to school. Uniforms eliminate all the “I don’t know what to wear” discussions and show school spirit. Students know when they put on their uniform, it is time to learn and grow. It eliminates the “too short, too tight, too baggy” questions and has been very successful at College Park. Students who arrive inappropriately dressed may be asked to go change. Parents with questions about the uniform or dress code are encouraged to contact the school principal.
