

**EARLY COLLEGE PROGRAM**  
*Illuminating the College and Career Pathways for Long Island High School Students!*

## **CONNECT YOUR COURSES IN HIGH SCHOOL TO YOUR COLLEGE-CAREER PATHWAY!**

### **WHY WAIT?** Earn college credit before you graduate! Participate in SUNY Suffolk's **EARLY COLLEGE PROGRAM!**

You must be a current sophomore or junior (graduating seniors are not eligible for the summer semester), currently enrolled in a participating high school, and have a minimum 85% unweighted high school average

### **APPLY FOR SUMMER & FALL 2025**

#### **ADVANTAGES OF SUFFOLK'S EARLY COLLEGE PROGRAM:**

- ⇒ Classes offered on campus at various times during the day. Create a schedule that works best for you!
- ⇒ Courses are also offered remotely - fewer scheduling barriers, no need to travel!
- ⇒ Reasonable cost of \$65 per college credit + minimum course and distance education fees for the 2025 academic year. (\$85 fee for online classes)
- ⇒ Transferable credits to private and public universities.
- ⇒ Seamless transfer into four-year SUNY colleges with completion of Associate's Degree.
- ⇒ Continue higher level coursework (after completing all levels offered at the high school)
- ⇒ Take required college freshman courses.
- ⇒ Experiment in classes relating to interests.
- ⇒ Enroll in a summer session course as a pre-req for a higher-level high school math/science course in the fall.
- ⇒ Personalized assistance in course selection to match your college program of interest from Suffolk's Early College Program Liaison.
