Career Search Tool

Now, hover on Career at the top of the page and click on **Career Search Tool.**

Using the filter, Results from Personality Assessments, find the first career on your list above.
From your results list, click on the name of the career you searched.
This will take you to the career factsheet.

Review the Skills section of the factsheet (you will need to scroll to the bottom of the page
to see this section).

Skill Reflection

Reflect on the skills you see listed. Are these skills you already have? Skills you want to develop?

How can you develop the skills you need? If you agree the career may be a good fit, favorite it by clicking on the heart at the very top of the page, and it will save to your My Plan.

If you are unsure about the career, check out the Related Careers and review the factsheets of other careers.
Favorite those you like.
