

Maypearl Independent School District

TRADITION – PRIDE - PURPOSE

March 13, 2025

Dear Maypearl Primary School Parents, Guardians, and Community members,

We would like to extend our heartfelt thanks to the parents, staff, and community members who attended the special called board meeting Wednesday night. Your engagement, feedback, and ongoing support for our primary campus is truly valued. We want to assure you that we hear your concerns and are committed to continuing to address them.

Many of you were advised to submit open records requests in order to access CO2 levels. This decision was made in response to the overwhelming volume of phone calls and emails directed to the campus, individual teachers, and central administration. While we deeply appreciate your inquiries, this influx of communication hindered our staff's ability to remain focused on the top priority: maintaining a safe and effective learning environment for our students.

To ensure continued transparency and open communication, we will now post the CO2 levels for the primary campus on the [Facilities](#) page of our website daily. We greatly appreciate your understanding, cooperation, and patience as we navigate this process together. Thank you again for your support.

Sincerely,
