[HS Network Upgrade.pdf](#) 

- R. Approve Authorization to Negotiate and Enter Into a Lease Agreement (3 Years) for Devices for District Staff 289 - 290

[Staff Devices.pdf](#) 

Trustee Darr: The cost of this agenda item is not to exceed \$1,402,880 per year.

A. How many devices will be purchased each year?

Response: Strategic Plan Priority 4 is focused on operational alignment and efficiency. To achieve this goal, we will implement a standardized device for all staff, enabling us to manage our budget effectively while consistently providing staff with current technology. We are proposing a three-year lease, not a purchase, for the acquisition of devices. This leasing approach is a well-established standard industry practice. A total of approximately 3,300 devices will be leased, with an annual cost of \$1.4 million

B. Will every FWISD staff member eligible to receive a device receive a new device for the 2025-2026 school year, or will the replacement of devices happen on a rotating schedule?

Response: New devices will be distributed to all staff members, excluding teachers and librarians. Teachers, librarians, and students are already provided with device combinations tailored to their grade levels, including MacBooks or iPads. It is important to note that custodial and transportation staff are not provided with individual devices

- S. Approve Contract For Network Electronic Equipment for Elementary Schools 291 - 407

[ES Network Upgrade.pdf](#) 

Trustee Darr: The goal is to update/replace all outdated networking equipment across all district schools.

A. Is the Board being asked to approve an expense of \$13,277,312.64 or an expense of \$1,991,596.90?

Response: We are requesting approval for a \$13 million project. FWISD will contribute \$1.9 million, and the balance will be funded through USAC E-rate grants. USAC E-rate grants generally cover 85% of eligible project costs, with a 15% local match from the school district. As FWISD is the project lead, we are presenting the entire \$13 million project cost to the board to provide USAC with comprehensive project documentation ensuring compliance. Once the board approves, we will submit the paperwork with USAC for

official fund approval.

B. In this phrase, “upgrading the LAN and Wireless Infrastructures for all Elementary Schools...,” does LAN refer to the Leadership Academy Network, or is LAN an acronym for something related to wireless infrastructures?

Response: LAN is for Local Area Network and is an acronym with technology Infrastructure.

C. Will this expense only cover the cost of updates to all LAN (assuming LAN means Leadership Academy Network) and all elementary schools?

Response: The purpose of this project is to upgrade the aging infrastructure at 80 elementary schools. Rolling Hills ES and Overton Park ES are excluded from this project, as it received infrastructure upgrades during its new building construction.

D. Has the networking equipment already been updated at the middle schools and high schools, or will that be an additional expense later?

Response: Middle School infrastructure will be upgraded as part of CIP 2021. High school infrastructure upgrades will be implemented in two phases. Phase 1, encompassing 13 out of 16 high schools, will involve network upgrades this summer. We are requesting Board approval of Item 10.O, which pertains to the Phase 1 high school network upgrades, as part of the March 25th Board Meeting. The funding for Phase 1 is allocated under CIP 2017. The remaining 3 high schools will be upgraded in Phase 2, utilizing USAC E-rate

This report serves the purpose of providing additional transparency on Board committees. The legislative and safety and security committees recently met.

STRATEGIC PRIORITIES:

- 1 - Student Academic Excellence
- 2 – Student and Family Engagement
- 3 – Employee Effectiveness and Retention
- 4 – Operational Alignment and Efficiency

Audit Committee:

The Audit Committee met on Monday, February 17, 2025, virtually using the ZOOM platform. Trustee Jackson and Trustee Ryan were in attendance. Also, in attendance was Interim Superintendent, Karen Molinar.

Chief Internal Auditor, Loretta Salvatore opened the meeting and went over the minutes of the prior meeting for approval. The amended minutes from the October 28, 2024 Audit Committee meeting and minutes from the November 4, 2024 Audit Committee meeting were received and approved by the Trustees in attendance.

Report on the completed Internal Audit Projects, CIP Audit Activity and an updated report on Maintenance and Overtime were received.

An updated report on Internal Audit follow-up activities as well as the 2024-2025 audit plan progress were received.

A summary of recent fraud hotline incidents were presented.

The committee's next scheduled meeting will be in May 2025.

Board Finance Committee:

The Board Finance Committee met via Zoom on Monday, February 24, 2025. Chair Trustee Kevin Lynch and Trustee Anael Luebanos were present; Trustees Tobi Jackson and Roxanne Martinez were not present. Other attendees were Dr. Karen Molinar, Carmen Arrieta-Candelaria, Kellie Spencer, Woodrow Bailey, Patricia Young, Maria Chavez, Tandi Smith, and Margie McBain.

Key Highlights:

Trustee Kevin Lynch convened the meeting at 12:00 p.m. The Chief Financial Officer (CFO) presented the agenda consisting of the following five items:

1. Moody's Rating on Refunding
2. December 2024 Monthly Financials
3. 2024-25 PEIMS Update
4. 2025-26 Budget Development Update
5. 2025 Legislative Update

CFO Carmen Arrieta-Candelaria advised the committee of the recent Moody's rating as it related to the upcoming refunding of the 2015 Series of outstanding bond obligations. Moody's rating affirmed FWISD's Aa1 underlying rating with a stable outlook. The CFO indicated that this would allow the district to have a good standing as it moves into pricing on March 11, 2025.

The CFO next presented the December financials which are available on the District's website. First, reporting on the Debt Service and Food Service Funds, she noted that these funds are in line with expectations. She reported of a potential revenue adjustment to the Debt Service fund to be submitted for board approval at the March or April board meeting, depending on timing of information. The 2017 and 2021 CIP funds were also presented.

With regard to the General Fund, the fund showed a year-to-date revenue of \$426,982,985 against a budget of approximately \$827,218,000, reflecting a positive variance of \$65.449M compared to the previous year, primarily due to local and state revenues being received at a higher amount than in the prior year. As noted in the prior month, there continued to be reductions in federal revenues due to the changes in SHARS and Medicaid revenues, but overall, the financial outlook appears stable with improvements in both revenue and expenditure categories. Expenditures year-to-date at December 31, 2024, reflected a spend of \$323.8M, a decrease of \$8.4M as compared to this same time in the prior year.

A brief overview of the PEIMS Fall Submission was presented. These numbers are submitted to TEA and depict the Fall 2024 actual enrollment and staff numbers at that point in time. The numbers presented showed an October snapshot of 70,405 for enrollment and a total staff number of 9,917. For enrollment, this number is 655 students less than in the prior year; for staff, a decrease of 335 from 2023-24.

Ms. Arrieta-Candelaria presented the 2025-26 budget development update utilizing current law to project revenues for 2025-26. This is the first estimate from the Budget Department based on the most current estimate and information available. Using an ADA estimate of 68,861, the District is projecting a decrease of \$7.1 million from the revised projection for 2024-25. Additionally, she presented an overview of the budget development process as well as the enrollment by grade by Trustee District. As requested in the January Board Finance Committee meeting, she also presented the cost per student among Texas urban districts and the cost per student per Trustee District.

The committee also heard an update of the 2025 Legislative session with specific information about school financing bills that have been filed and are in the process of being discussed at the legislative level.

The next meeting will be held on March 24, 2025 from 12:00 p.m. to 1:00 p.m. This meeting will be held via zoom or in-person.

The Board Finance Committee adjourned at 12:57 p.m.

DRAFT

Fort Worth
INDEPENDENT SCHOOL DISTRICT

Instructional Support Redesign

Every student in Fort Worth deserves a path to success.

We are committed to closing achievement gaps
and ensuring that every child has the
tools and support they need to thrive academically.

Urgency

Strategic Plan Implementation
Student Literacy Resolution

Support

Academic Support for Students
Building Teacher Capacity

Values

Academic Return on Investment (A-ROI)
Teacher Effectiveness, Retention & Compensation

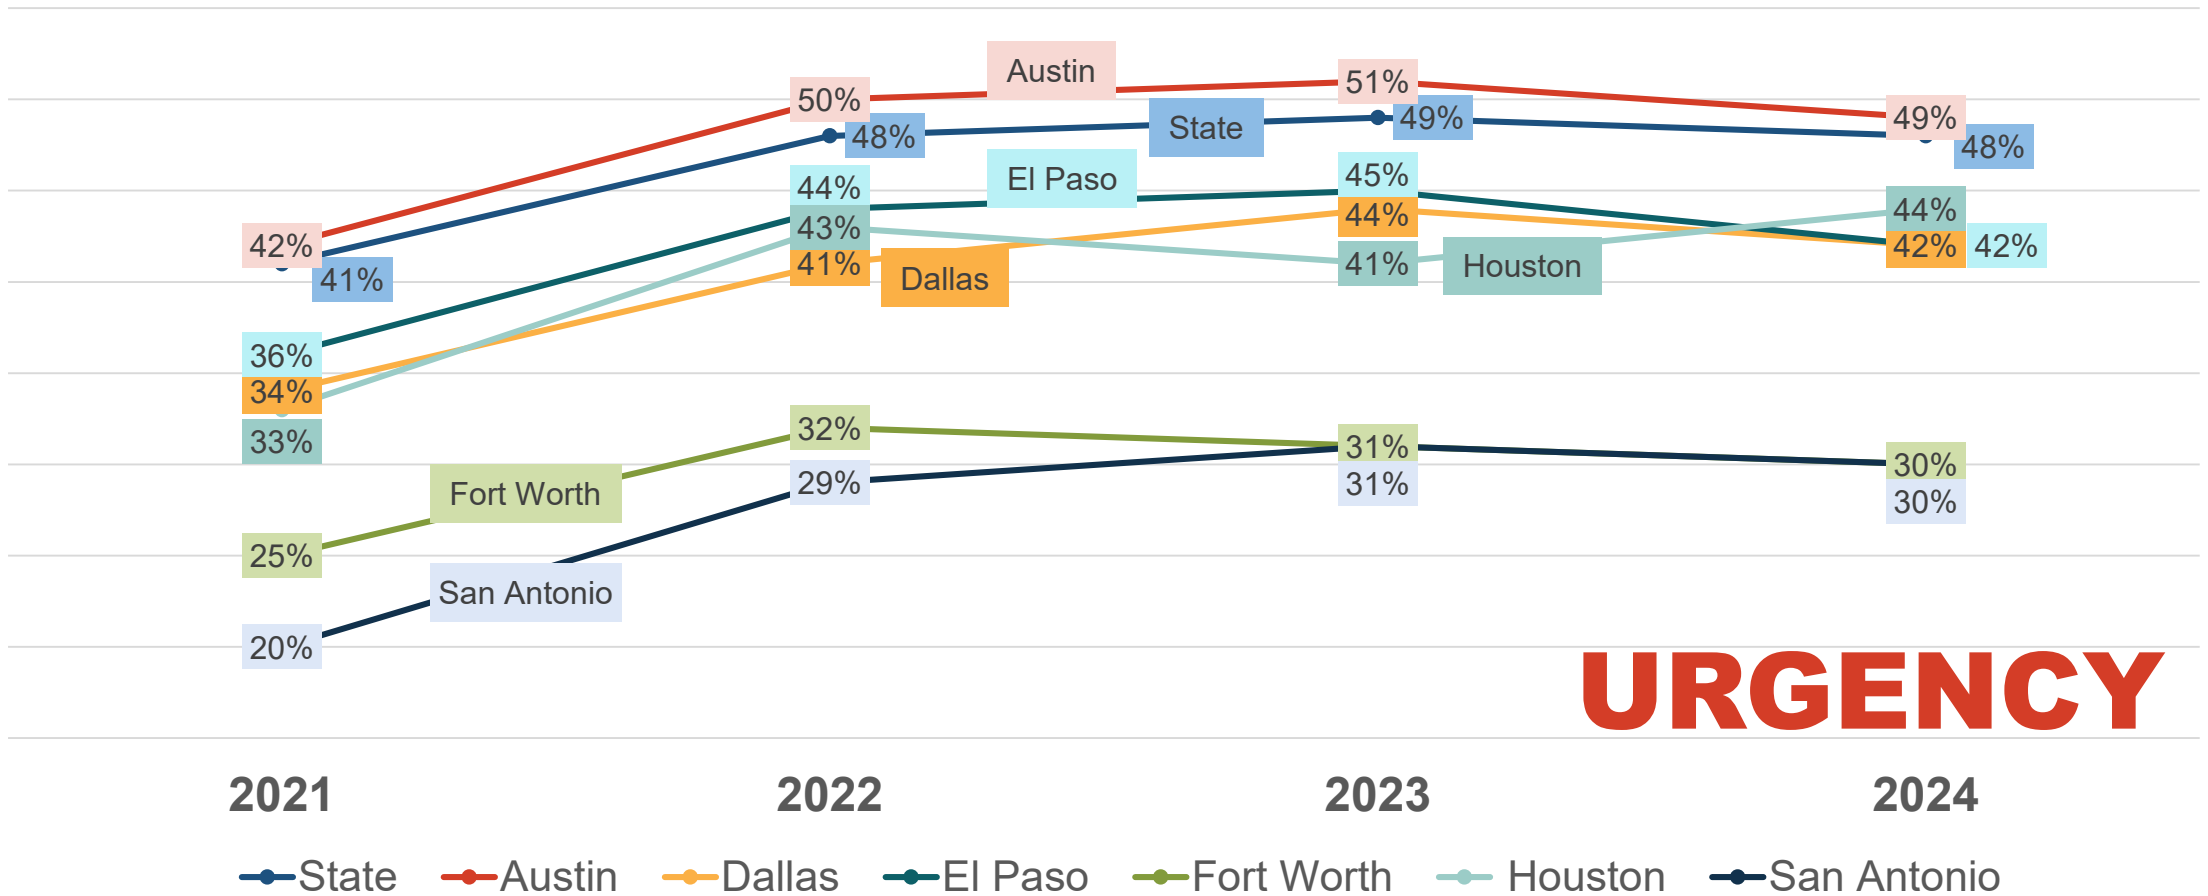

Instructional Support Redesign

- Currently **35%** of FWISD students are meeting grade-level performance standards in reading and **26%** of FWISD students are meeting grade-level standards in math.
- Currently **19%** of FWISD students are meeting grade-level performance standards for Algebra I, which is a key predictor of college readiness.
- The current state of academic achievement for the District has been stagnant, below state average and significantly below urban Texas peer districts.
- District resources must be redirected and aligned to support both instructional delivery and student achievement in order to accelerate student growth and make long-term sustainable improvements.

Instructional Support Redesign

Strategic Plan Implementation Strategies

- 1.1 Design and implement a Pre-K-12 District Literacy Plan. Incorporate best practices for improving achievement and closing gaps for all student groups.
- 1.3 Redirect and allocate funds to support a literacy-focused organizational model. The model will include staffing, instruction, creative time allocation, differentiated curriculum and experiences, as well as differentiated compensation.
- 1.4 Implement a lab classroom model to provide opportunities for educators to share and learn effective instructional practices.
- 3.4 Leverage Teacher Incentive Allotment (TIA) to increase teacher effectiveness, retention, and compensation.

District Literacy Plan

Fort Worth ISD Student Literacy Resolution:
That the superintendent shall, as a matter of urgency, develop and present to the Board a detailed plan and pathway to achieve universal grade-level literacy.

Five Point Approach

“The best of what Fort Worth ISD, the State of Texas, and the Nation already have in place, strategically implemented to meet the needs of our students.”

1. Comprehensive **Instructional** Framework for Literacy
2. Literacy Instructional **Resource** Alignment and Implementation
3. Educator **Competency** Development to Support Literacy
4. Student Literacy Screening and **Progress Monitoring**
5. Budget **Alignment** to Support Literacy

Instructional Support Redesign

- We must address the inefficiencies and ineffectiveness of our internal systems that support teachers and instruction.
- Historically, we have taken an adult centered approach and this is not working.

SUPPORT

Providing direct support to students is the right thing to do!

Middle of Year Progress

Impact of Tutoring Intervention on Students

2,661 Total Students Supported (as of February 10, 2025)

| Percentage of Students Meeting or Exceeding MAP Growth Targets | District Overall | Participating Schools Only | | |
|--|------------------|----------------------------|------------------------|------------|

| Math | 44% | 43% | 48% | +5% |
| Science | 49% | 47% | 50% | +3% |

District Overall: Includes all K-12 MAP testers Districtwide for each subject.

Participating Schools: Includes K-12 testers at Academic Support initiative participating schools.

Students With Tutoring: Includes students that received support in any content area.

We must provide direct support to students in order to accelerate growth.

Instructional Support Redesign

- Realign Staffing to Support Strategic Plan and Student Literacy Resolution
- Repurpose Campus Instructional Coach, District Content Coach, and District Funded Dean of Instruction Positions:

New Role: Demonstration (Demo) Teacher | Coach and Teach

Elementary: Teach one STAAR tested standard class period or block as the teacher of record.

Secondary: Teach no more than two STAAR tested core content periods or sections as the teacher of record.

Demo teacher classrooms serve as a lab setting for on-the-job professional development.

1 Demo ELA position at each Elementary school

1 ELA and 1 Math Demo position at each comprehensive Secondary school

This position is eligible for Teacher Incentive Allotment (TIA).

COACHING

Instructional Support Redesign

No Reapply Required: Balancing District and Employee Values

VALUES

FWISD Strategic Priority 3.4

Leverage Teacher Incentive Allotment (TIA) to increase teacher effectiveness, retention, and compensation.

Instructional Support Redesign Advantages

- ✓ **Reallocate support to the schools and most importantly to students directly.**
- ✓ **Provide targeted support to address elementary and secondary literacy performance and math performance at the secondary level.**
- ✓ Demonstration Teachers will be on a teacher contract (versus professional) to allow for TIA eligibility and any potential teacher compensation increases mandated by legislative updates.
- ✓ Demonstration Teachers will be designated by content (**Literacy or Math**) to leverage subject area strengths for each employee.
- ✓ Demonstration Teachers are campus based positions that can be monitored for academic return on investment (A-ROI) allowing the District to measure program effectiveness.
- ✓ Proposed legislation for significant teacher pay increase and TIA expansion.

Instructional Support Redesign for A-ROI

Fostering a culture of high expectations, support and accountability that impacts students directly.

Campus Instructional Coach
District Content Coach
Dean of Instruction

- **No Performance Tracking at the Student Level**
- **No Academic Return on Investment (A-ROI)**
- **No Additional Compensation for High Performance**

Demonstration Teacher

Campus based positions that can be monitored for academic return on investment (A-ROI).

+ Teacher Incentive Allotment (TIA) Eligibility

Additional Compensation Tied to Student Growth

+ Proposed Teacher Pay Increase Legislation

Multiple Options for Employees

The Instructional Support Redesign provides a retention and recruitment opportunity for employees to earn additional compensation that is tied to student growth.

- ☐ **Choose** to remain in the new Demonstration Teacher position (Right of First Refusal) **Must choose by Friday, April 25, 2025**
- ☐ **Apply** for other positions within the Fort Worth ISD

MINUTES OF THE MEETING
OF
FORT WORTH BOARD OF EDUCATION

The Board of Education of the Fort Worth Independent School District held a Board Workshop on Tuesday, February 11, 2025.

The following is a copy of the Meeting Notice and Return which is submitted and filed as a matter of record.

MEETING NOTICE
FORT WORTH INDEPENDENT SCHOOL DISTRICT

Notice is hereby given on Tuesday, February 11, 2025, that the Board of Education of the Fort Worth Independent School District held a meeting beginning at 5:30 PM at the Fort Worth Independent School District Service Center, 7060 Camp Bowie Boulevard, Fort Worth, Texas. Under the authority of Texas Government Code, Section 551.001, et seq., the Board, during the course of the meeting covered by this notice, may enter into closed or executive session for any of the following reasons:

1. To consult with the Board's attorney with respect to pending or contemplated litigation, or settlement offers, or on matters where the attorney's duty to the Board, pursuant to the Code of Professional Responsibility of the State Bar of Texas, clearly conflicts with the provisions of the Open Meetings Laws. Sec. 551.071
2. To discuss the purchase, exchange, lease, or value of real property. Sec. 551.072
3. To discuss negotiated contracts for prospective gifts or donations. Sec. 551.073
4. To deliberate the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee; or to hear a complaint or charge against a public officer or employee, unless such officer or employee requests a public hearing. Sec. 551.074
5. To consider the deployment, or specific occasions for implementation, of security personnel or devices. Sec. 551.076
6. To deliberate a case involving discipline of a public school child or children, unless an open hearing is requested in writing by a parent or guardian of the child; or to deliberate a case in which a complaint or charge is brought against an employee of the District by another employee and the complaint or charge directly results in a need for a hearing, unless the employee complained of or charged requests an open hearing. Sec. 551.082
7. To exclude a witness from a hearing during the examination of another witness in an investigation when the Board is investigating a matter. Sec. 551.084

All final votes, actions, or decisions on any matter discussed in closed or executive session shall be taken or made in open session.

This notice was posted and filed in compliance with the Open Meetings Law on February 7, 2025, at 3:00 p.m.

MINUTES OF THE MEETING
OF
FORT WORTH BOARD OF EDUCATION

The Board of Education of the Fort Worth Independent School District held a Regular Meeting on Tuesday, February 18, 2025.

The following is a copy of the Meeting Notice and Return which is submitted and filed as a matter of record.

MEETING NOTICE
FORT WORTH INDEPENDENT SCHOOL DISTRICT

Notice is hereby given on Tuesday, February 18, 2025, that the Board of Education of the Fort Worth Independent School District held a meeting beginning at 5:30 PM at the Fort Worth Independent School District Service Center, 7060 Camp Bowie Boulevard, Fort Worth, Texas. Under the authority of Texas Government Code, Section 551.001, et seq., the Board, during the course of the meeting covered by this notice, may enter into closed or executive session for any of the following reasons:

1. To consult with the Board's attorney with respect to pending or contemplated litigation, or settlement offers, or on matters where the attorney's duty to the Board, pursuant to the Code of Professional Responsibility of the State Bar of Texas, clearly conflicts with the provisions of the Open Meetings Laws. Sec. 551.071
2. To discuss the purchase, exchange, lease, or value of real property. Sec. 551.072
3. To discuss negotiated contracts for prospective gifts or donations. Sec. 551.073
4. To deliberate the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee; or to hear a complaint or charge against a public officer or employee, unless such officer or employee requests a public hearing. Sec. 551.074
5. To consider the deployment, or specific occasions for implementation, of security personnel or devices. Sec. 551.076
6. To deliberate a case involving discipline of a public school child or children, unless an open hearing is requested in writing by a parent or guardian of the child; or to deliberate a case in which a complaint or charge is brought against an employee of the District by another employee and the complaint or charge directly results in a need for a hearing, unless the employee complained of or charged requests an open hearing. Sec. 551.082
7. To exclude a witness from a hearing during the examination of another witness in an investigation when the Board is investigating a matter. Sec. 551.084

All final votes, actions, or decisions on any matter discussed in closed or executive session shall be taken or made in open session.

This notice was posted and filed in compliance with the Open Meetings Law on February 14, 2025, at 3:50 p.m.

CONSENT AGENDA ITEM
BOARD MEETING
March 25, 2025

TOPIC: APPROVE NEIGHBORHOOD PRE-K HUB PERFORMANCE CONTRACT

BACKGROUND:

On October 9, 2018 the FWISD Board of Education approved policy ELA (LOCAL) providing the process for Fort Worth ISD to follow when identifying potential partnering organizations. Through our Call for Great Schools, the Fort Worth ISD seeks to partner with a highly-qualified organization to serve as an early learning hub that can bring together the services of the District and community-based child care providers to achieve the shared vision of providing access to high-quality early education in ways that best prepare children for Kindergarten.

In establishing a partnership, the District issued a local application to identify operating partners best qualified to meet the needs of the District. A rigorous review of the application was conducted by a District review team and a partner has been selected. The Board considered and selected Neighborhood Prekindergarten (Pre-K) Partner Hub. The purpose of this action item is for the Board to consider the approval of the final partnership agreements.

STRATEGIC PRIORITY:

2 - Student and Family Engagement

ALTERNATIVES:

1. Approve Neighborhood Pre-K Hub Performance Contract
2. Decline to Approve Neighborhood Pre-K Hub Performance Contract
3. Remand to Staff for Further Study

SUPERINTENDENT'S RECOMMENDATION:

RATIONALE:

The partnership with Neighborhood Pre-K Partner Hub will bring together the services of the District and Community-based providers to provide access to high-quality early education to 3 and 4 yr. old Pre-K students in ways that best prepare children for Kindergarten.

The partner organization will increase enrollment in high-quality early learning, especially economically disadvantaged students, raising the percentage of students entering Kindergarten who are Kindergarten ready

BOARD MEETING
March 25, 2025

TOPIC: APPROVE SECOND READING - REVISIONS TO BOARD POLICIES
EF(LOCAL), CQC(LOCAL), BBD(LOCAL), AND CKC(LOCAL)

BACKGROUND:

The Texas Association of School Boards (TASB) assists school districts by ensuring proper standards are met in regards to state and federal guidelines by supporting and navigating through policy and regulation updates and changes. School districts with localized policy manuals receive several major updates per year called numbered updates. They are called “numbered updates” because they are numbered sequentially. These updates respond to changes in state and federal law, court cases, and decisions by the Attorney General and by the Commissioner of Education. In numbered updates, TASB only makes recommendations where the District’s local policies are concerned. District personnel update policies incorporating TASB’s recommendations and/or the needs of the District. The Board of Trustees always has the final say regarding which policies go in the manual.

Policy Recommendations:

- EF(LOCAL): Instructional Resources - TASB recommended revisions include deletion of this local policy because EFA(LOCAL) and EFB(LOCAL) adequately address instructional materials and library materials.
- CQC(LOCAL): Technology Resources: Equipment - TASB recommended revisions include adoption of the model health and safety guidelines developed by TEA and the Health and Human Services Commission and clarifies that the Superintendent must develop regulations for implementation.
- BBD(LOCAL): Board Members: Training and Orientation - TASB recommended revisions include adding in language that makes clear that Public Information Act training after a violation cannot be delegated to the District’s Public Information Act coordinator.
- CKC(LOCAL): Safety Program/Risk Management: Emergency Plans – TASB recommended revisions include adding a section on Notice Regarding Violent Activity to comply with legal requirements.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

ALTERNATIVES:

1. Approve Second Reading - Revisions to Board Policies EF (LOCAL), CQC (LOCAL), BBD (LOCAL), and CKC (LOCAL)
2. Decline to Approve Second Reading - to Approve Revisions to Board Policies EF (LOCAL), CQC (LOCAL), BBD (LOCAL), and CKC (LOCAL)

INSTRUCTIONAL RESOURCES

EF
(LOCAL)

Note: For information related to the selection process and accounting of instructional materials, as this term is defined by state law and rule, see CMD and EFA.

Objectives

The District shall provide a wide range of instructional resources for students and faculty that present varying levels of difficulty, diversity of appeal, and a variety of points of view. Although professional staff members may select instructional resources for their use in accordance with District policy and administrative regulations, the ultimate authority for determining and approving the curriculum and instructional program of the District lies with the Board.

In this policy, "instructional resources" may include textbooks, library acquisitions, supplementary resources for classroom use, and any other instructional resources, including electronic resources, used for formal or informal teaching and learning purposes. The primary objectives of instructional resources are to implement, enrich, and support the District's educational program.

The Board shall rely on District professional staff to select and acquire instructional resources that:

1. Enrich and support the curriculum, taking into consideration students' varied interests, abilities, learning styles, and maturity levels.
2. Stimulate growth in factual knowledge, enjoyment of reading, literary appreciation, aesthetic values, and societal standards.
3. Present various sides of controversial issues so that students have an opportunity to develop, under guidance, skills in critical analysis and in making informed judgments in their daily lives.
4. Represent many ethnic, religious, and cultural groups and their contributions to the national heritage and world community.
5. Provide a wide range of background information that will enable students to make intelligent judgments in their daily lives.

Selection Criteria

In the selection of instructional resources, professional staff shall ensure that the resources:

1. Support and are consistent with the general educational goals of the state and District and the aims and objectives of individual schools and specific courses consistent with the District and campus improvement plans.

INSTRUCTIONAL RESOURCES

EF
(LOCAL)

- ~~2. Meet high standards for artistic quality and/or literary style, authenticity, educational significance, factual content, physical format, presentation, readability, and technical quality.~~
- ~~3. Are appropriate for the subject area and for the age, ability level, learning styles, and social and emotional development of the students for whom they are selected.~~
- ~~4. Are designed to help students gain an awareness of our pluralistic society.~~
- ~~5. Are designed to provide information that will motivate students and staff to examine their own attitudes and behavior; to understand their duties, responsibilities, rights, and privileges as citizens participating in our society; and to make informed choices in their daily lives.~~
- ~~6. For library selections, are integral to the instructional program, are appropriate for the reading levels and understanding of students, reflect the interests and needs of the students and faculty, are included because of their literary or artistic value and merit, and present information with the greatest degree of accuracy and clarity.~~

~~Administrators, teachers, library media specialists, other District personnel, parents, and community members, as appropriate, may recommend instructional resources for selection. Gifts of instructional resources shall be evaluated according to these criteria and accepted or rejected in accordance with CDC(LOCAL).~~

~~Selection of resources is an ongoing process that includes the removal of resources no longer appropriate and the periodic replacement or repair of resources that still have educational value.~~

Faculty Screening Committee

~~The principal shall appoint from among the campus faculty a screening committee of not fewer than three members to participate in the process of selecting instructional resources.~~

Controversial Issues

~~District professional staff shall endeavor to maintain a balanced collection representing various views when selecting instructional resources on controversial issues. Resources shall be chosen to clarify historical and contemporary forces by presenting and analyzing intergroup tension and conflict objectively, placing emphasis on recognizing and understanding social and economic problems. [See also EMB regarding instruction about controversial issues and EHAA regarding human sexuality instruction.]~~

Challenged Resources

~~A parent of a District student, any employee, or any District resident may formally challenge an instructional resource used in the District's educational program on the basis of appropriateness.~~

INSTRUCTIONAL RESOURCES

EF
(LOCAL)

**Informal
Reconsideration**

~~The school receiving a complaint about the appropriateness of an instructional resource shall try to resolve the matter informally using the following procedure:~~

- ~~1. The principal or designee shall explain the school's selection process, the criteria for selection, and the qualifications of the professional staff who selected the questioned resource.~~
- ~~2. The principal or designee shall explain the intended educational purpose of the resource and any additional information regarding its use.~~
- ~~3. If appropriate, the principal or designee may offer a concerned parent an alternative instructional resource to be used by that parent's child in place of the challenged resource.~~
- ~~4. If the complainant wishes to make a formal challenge, the principal or designee shall provide the complainant a copy of this policy and a form to request a formal reconsideration of the resource.~~

**Formal
Reconsideration**

~~A complainant shall make any formal objection to an instructional resource on the form provided by the District and shall submit the completed and signed form to the principal. Upon receipt of the form, the principal shall appoint a reconsideration committee.~~

~~The reconsideration committee shall include at least one member of the instructional staff who has experience using the challenged resource with students or is familiar with the challenged resource's content. Other members of the committee may include District-level staff, library staff, secondary-level students, parents, and any other appropriate individuals.~~

~~All members of the committee shall review the challenged resource in its entirety. As soon as reasonably possible, the committee shall meet and determine whether the challenged resource conforms to the principles of selection set out in this policy. The committee shall prepare a written report of its findings and provide copies to the principal, the Superintendent or designee, and the complainant.~~

Appeal

~~The complainant may appeal the decision of the reconsideration committee in accordance with appropriate complaint policies, starting with the appropriate administrator. [See DGBA, FNG, and GF]~~

Guiding Principles

~~The following principles shall guide the Board and staff in responding to challenges of instructional resources:~~

- ~~1. A complainant may raise an objection to an instructional resource used in a school's educational program, despite the fact that the professional staff selecting the resources were~~

INSTRUCTIONAL RESOURCES

EF
(LOCAL)

~~qualified to make the selection, followed the proper procedure, and adhered to the objectives and criteria for instructional resources set out in this policy.~~

- ~~2. A parent's ability to exercise control over reading, listening, or viewing matter extends only to his or her own child.~~
- ~~3. Access to a challenged resource shall not be restricted during the reconsideration process, except the District may deny access to a child if requested by the child's parent.~~

~~The major criterion for the final decision on challenged resources is the appropriateness of the resource for its intended educational use. No challenged instructional resource shall be removed solely because of the ideas expressed therein.~~

TECHNOLOGY RESOURCES
EQUIPMENT

CQC
(LOCAL)

With this policy, the Board adopts the model health and safety guidelines for the effective integration of digital devices in schools that have been developed by the Texas Education Agency and the Health and Human Services Commission.

The Superintendent shall develop regulations that implement these guidelines.

Allocations

Technology shall be allocated to meet the requirements and guidelines of the District's technology plan. All acquisitions of technology, both hardware and software, shall be reviewed and coordinated by the division of technology and conform to the District's established technology acquisition standards. Exceptions to the standards shall be reviewed and approved by the District technology committee.

Donations

Technology donations shall be coordinated through the division of technology. Donations shall meet the approved minimum standards.

Although donated equipment may be configured to run on the District-wide area network, the division of technology shall not guarantee that all District-approved applications will run on donated equipment.

BOARD MEMBERS
TRAINING AND ORIENTATION

BBD
(LOCAL)

**Public Information
Coordinator**

After Election or
Appointment

The Superintendent or designee shall fulfill the responsibilities of the public information coordinator and shall receive, on behalf of Board members, the training specified by Government Code 552.012. [See GBAA]

After a Violation

A Board member who receives written notice from the attorney general that the member must complete Public Information Act (PIA) training described by GBAA(LEGAL) following the District's failure to comply with a PIA requirement shall complete the training within the timelines described in law. The completion of the training in response to such a notice cannot be delegated.

**Reporting
Continuing
Education Credit**

The Board President shall announce the status of each Board member's continuing education credit. The announcement shall be made annually at the last regular Board meeting before the District's uniform election date, whether or not an election is held. The announcement shall be reflected in the meeting minutes and, when necessary, posted on the District's website in accordance with law.

SAFETY PROGRAM/RISK MANAGEMENT
EMERGENCY PLANS

CKC
(LOCAL)

**Emergency
Operations Plan**

The Superintendent shall ensure updating of the District's emergency operations plan and ongoing staff training.

As required by law, the emergency operations plan shall include the District's procedures addressing:

1. Reasonable security measures when District property is used as a polling place;
2. Response to an active shooter emergency;
3. Response to a nearby train derailment, as applicable; and
4. Access to campus buildings and materials necessary for a substitute teacher to carry out the duties of a District employee during an emergency or an emergency drill.

**Notice Regarding
Violent Activity**

4. The Superintendent shall develop procedures to notify parents regarding violent activity that has occurred or is being investigated at a campus or other District facility or at a District-sponsored activity.

CONSENT AGENDA ITEM
BOARD MEETING
March 25, 2025

TOPIC: APPROVE BUDGET AMENDMENT FOR THE PERIOD ENDING FEBRUARY 28, 2025

BACKGROUND:

The 2024-2025 General Fund was initially adopted on June 11, 2024. During the month ending February 28, 2025, requests were made by campuses and departments to transfer funds between functions for the General Fund, as reflected on the spreadsheet provided.

This amendment also includes a \$1.6M increase to support the 2024-2025 Summer School program and \$1.2M increase for the demolition of the Professional Development Center, which is offset by an increase in revenue of \$2.8M. This net revenue increase is due to adjustments in current year tax levy, foundation entitlements and investment earnings.

Also, an additional \$885K will be allocated to the Maintenance and Operations budget that corresponds to the insurance claims from prior year. This revenue was budgeted and reflected in the January 2025 budget amendment approved by the Board.

All requests are necessary in the normal course of District Operations. Once amendments have Board approval, they will be posted to the General Ledger.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

ALTERNATIVES:

1. Approve the Budget Amendment for the Period Ended February 28, 2025
2. Decline to Approve the Budget Amendment for the Period Ended February 28, 2025
3. Remand to Staff for Further Study

SUPERINTENDENT'S RECOMMENDATION:

Approve the Budget Amendment for the Period Ended February 28, 2025

TOPIC: APPROVE PURCHASE OF INTERACTIVE CONSOLES FOR EMERGENCY COMMUNICATIONS

BACKGROUND:

The interactive consoles are a crucial component of our Emergency Communications System. These consoles are essential for every office on each campus, as they facilitate communication with classrooms and can be used to declare emergencies. The District has been installing these consoles at every campus as part of a retrofit project to ensure compliance with Alyssa's Law. However, an additional 15 consoles are needed to complete the project.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

ALTERNATIVES:

1. Approve Purchase of Interactive Consoles for Emergency Communications
2. Decline to Approve Purchase of Interactive Consoles for Emergency Communications
3. Remand to Staff for Further Study

RATIONALE:

The purchase of additional interactive consoles is essential to ensure the safety and security of our campuses. These consoles are integral to our Emergency Communications System, enabling swift and effective communication during emergencies. By completing the installation across all campuses, we will fully comply with Alyssa's Law, which mandates enhanced safety measures in educational institutions. The additional consoles will ensure that every office is equipped to manage emergency situations efficiently, thereby safeguarding students, staff, and visitors. This investment is a critical step in fortifying our emergency response capabilities and maintaining a secure learning environment.

BOARD MEETING
March 25, 2025

TOPIC: APPROVE PURCHASE OF VISITOR MANAGEMENT SYSTEM COMPONENTS

BACKGROUND:

The visitor management system used in Fort Worth ISD utilizes a card scanner that reads data from a person's identification card (i.e., driver's license) and compares the demographic data to national sex offender databases. If the search comes back negative a temporary badge is printed on an adhesive label using a designated label writer. The rolls of blank labels contain technology that signals the printer that the roll is an approved roll of labels.

The ID scanner and printers have useful life expectancy depending on usage. Some of our equipment is nearing end of life. This request is for replacement scanners and printers. The label rolls are to give each campus user labels until additional stock can be ordered using campus funds.

TOPIC: APPROVE PURCHASE OF EXTERIOR CAMERAS FOR IM TERRELL VPA EAST SIDE

BACKGROUND:

There are frequent intrusions of homeless persons onto the student parking area and the east side of the campus building itself at IM Terrell VPA. Students, faculty, and visitors often leave campus in the dark of the night from after hours activities. Students park on the east side of the IM Terrell VPA campus and leave the east side doors where they encounter the homeless persons.

The School Resource Officer assigned to IM Terrell VPA is aware of the situation and has asked for this camera as a deterrent and toll to combat the problem. The campus monitors use a golf cart to patrol the parking lot.

This purchase is for high definition security cameras to be mounted on the east side of the building covering the school exits and the student path to the parking lot.

Approval is necessary as the expenditure with the vendor exceeds \$50,000 in aggregate over the last 12 months, necessitating board authorization for this investment in enhancing the district's security infrastructure.

TOPIC: **APPROVE PURCHASE OF REPLACEMENT FURNITURE FOR DISTRICT AND VALENTINE SERVICE CENTERS**

BACKGROUND:

The severe winter weather storm conditions in early January led to the catastrophic failure of the roof at the Professional Development Center (PDC) located at 3150 McCart Ave. Existing weak points experienced moisture penetration, which then froze and expanded as temperatures plummeted throughout the evening of Thursday, January 9. This expansion created breaks in the membrane, resulting in mass water intrusion throughout all levels of the facility. The catastrophic failure of the roof rendered the PDC uninhabitable.

Both the IT Platforms and Transformation, Innovation, and Accountability Departments were previously housed at the PDC and now must be relocated. IT Platforms will transition to the District Service Center while the Department of Transformation, Innovation, and Accountability will move to the Valentine Service Center.

Much of the existing furniture was damaged beyond repair, or not salvageable, due to failure of both the passenger and freight elevators after water damaged the electronic components. Replacement furniture is needed to establish office and training space in order to relocate staff to their new locations.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

652-81-6398-405

COST:

\$313,611.00

VENDOR(S)/PROVIDER(S):

Business Interiors

PURCHASING MECHANISM:

Competitive Solicitation

RFP 23-059

PARTICIPATING SCHOOL(S)/DEPARTMENT(S)/EDUCATIONAL ENTITY:

Department of IT Platforms

Department of Transformation, Innovation, and Accountability

RATIONALE:

District property was immediately removed via Operations personnel and an external vendor. Unfortunately, much of the existing furniture and other items were damaged beyond repair, or not salvageable due to failure of both the passenger and freight elevators after water damaged the electronic components.

The purchase of replacement furniture will allow Fort Worth ISD to increase efficiency by maximizing facility utilization of the District Service Center with the relocation of the IT Platforms group. Additionally, repurposing of the recently vacated Valentine facility will be a cost-effective solution to restore office and training space needed for the Department of Transformation, Innovation, and Accountability.

CONSENT AGENDA ITEM
BOARD MEETING
March 25, 2025

TOPIC: APPROVE PURCHASE AND INSTALLATION OF A CRAWLSPACE VENTILATION SYSTEM AT BENBROOK MIDDLE HIGH SCHOOL UTILIZING PROGRAM CONTINGENCY FUNDS IN CONJUNCTION WITH THE 2017 CAPITAL IMPROVEMENT PROGRAM

BACKGROUND:

Maintenance requests authorization to purchase and install a crawl space ventilation system for Benbrook Middle High School. The original design of this section of the facility did not incorporate a crawl space ventilation system, resulting in inadequate ventilation, condensation on the windows, and overall inefficient heating and cooling, all of which compromise the HVAC system's effectiveness. This installation aims to enhance comfort and optimize the performance of the HVAC system.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

ALTERNATIVES:

RATIONALE:

Proper ventilation is crucial for promoting health and ensuring compliance with building codes. It prevents mold and mildew, which harm respiratory health and overall comfort. By improving air quality, it supports healthier living conditions. Furthermore, adequate ventilation is vital for maintaining the structural integrity of buildings by minimizing moisture damage and condensation. It also contributes to lower heating costs by optimizing humidity levels, allowing insulation to work effectively. Lastly, adherence to ventilation standards helps meet the necessary regulations for indoor air quality.

**TOPIC: APPROVE PURCHASE OF ROOFTOP UNITS FOR VALENTINE
SERVICE CENTER**

BACKGROUND:

The facility at 3813 Valentine Street was recently vacated when the International Newcomer's Academy was relocated to a larger campus with improved site and facility conditions to benefit students and staff. Shortly after the transition, the Professional Development Center (PDC) experienced the catastrophic failure of the roof after a severe winter weather event, rendering the building uninhabitable. This resulted in the displacement of all employees formerly housed at the PDC.

Repurposing of the recently vacated Valentine facility is a cost-effective solution to restore office and training space needed for the Department of Transformation, Innovation, and Accountability. In order to prepare for long-term occupancy, Maintenance Services is seeking to replace the rooftop units for a repurposed Valentine Service Center.

RATIONALE:

The severe winter weather storm conditions in early January led to the catastrophic failure of the roof at the PDC located at 3150 McCart Ave. Existing weak points experienced moisture penetration, which then froze and expanded as temperatures plummeted throughout the evening of Thursday, January 9. This expansion created breaks in the membrane, resulting in mass water intrusion throughout all levels of the facility. The catastrophic failure of the roof rendered the building uninhabitable. Repurposing of the recently vacated Valentine facility will be a cost-effective solution to restore office and training space needed for the Department of Transformation, Innovation, and Accountability.

**TOPIC: APPROVE PURCHASE AND INSTALLATION OF ELEVATOR
MODERNIZATION AT I M TERRELL ACADEMY UTILIZING PROGRAM
CONTINGENCY FUNDS IN CONJUNCTION WITH THE 2017 CAPITAL
IMPROVEMENT PROGRAM**

BACKGROUND:

The Maintenance Department is seeking formal approval to modernize the elevator system at IM Terrell Academy. The existing elevator system has reached a point where many of its components are not only obsolete but also increasingly difficult to procure. This has resulted in frequent and extended downtimes whenever service or repairs become necessary, disrupting the daily operations and potentially impacting student access and safety. Upgrading the elevator system will enhance reliability and functionality and ensure that it meets current safety standards and regulations.

TERMS AND CONDITIONS OF SALE

30, in accordance with the Texas Prompt Payment Act

- **PAYMENT AND TAXES** – Quoted prices are valid for thirty (30) days unless otherwise provided in Quote. Payment shall be Net 10th prox, unless otherwise stated on invoice. CE reserves the right to require cash payment or other alternative method of payment prior to completion of work if CE determines, in its sole discretion, that Customer or Customer's assignee's financial condition at any time does not justify continuance of the Net 10th prox payment terms. In addition to the Agreement price, the Customer shall pay CE any applicable taxes or government charges that may be required in connection with the service or material furnished under this Agreement. Customer is responsible for all freight unless otherwise provided in the quote. Prices are stated in U.S. Dollars.
- **SHIPMENT** – All shipments shall be F.O.B. shipping point, freight prepaid and allowed to the job site. Shipment dates quoted are approximate. CE does not guarantee a particular date for shipment or delivery.
- **WORKING HOURS** – All services performed under this Agreement including major repairs, are to be provided during CE's normal working hours unless otherwise agreed.
- **RETURNS** – No items will be accepted for return without prior written authorization. Returned goods may be subject to a restocking charge. Special order and non-stock items cannot be returned.
- **ADDITIONAL SERVICE** – Services or parts requested by Customer in addition to those specified in this Agreement will be provided upon receipt of Customer's written authorization and invoiced at CE's prevailing labor rates and parts charges. Additional services or parts shall be supplied under the terms of this Agreement.
- **EXCLUSIONS** – CE is not responsible for items not normally subject to mechanical maintenance including but not limited to: duct work, casings, cabinets, fixtures, structural supports, grillage, water piping, steam piping, drain piping, cooling tower fill, boiler tubes, boiler refractory, disconnect switches and circuit breakers. CE is not responsible for repairs, replacements, alterations, additions, adjustments, repairs by others, unscheduled calls or emergency calls, any of which may be necessitated by negligent operation, abuse, misuse, prior improper maintenance, vandalism, obsolescence, building system design, damage due to freezing weather, chemical/electrochemical attack, corrosion, erosion, deterioration due to unusual wear and tear, any damage related to the presence of mold, fungi, mildew, or bacteria, damage caused by power reductions or failures or any other cause beyond CE's control. CE is not responsible for the identification, detection, abatement, encapsulating or removal of asbestos, products or materials containing asbestos, similar hazardous substances, or mold, fungi, mildew, or bacteria. In the event that CE encounters any asbestos product or any hazardous material in the course of performing its work, CE may suspend its work and remove its employees from the project, until such product or material, and any hazards connected with it are abated. CE shall receive an extension of time to complete its work and compensation for delays encountered as a result of such situation and its correction. CE shall not be required to perform tests, install any items of equipment or make modifications that may be recommended or directed by insurance companies, government, state, municipal or other authority. However, in the event any such recommendations occur, CE, at its option, may submit a proposal for Customer's consideration in addition to this Agreement. CE shall not be required to repair or replace equipment that has not been properly maintained.
- **DISCLAIMER OF WARRANTY** – CE does not warrant products not manufactured by CE, but it does pass on to Customer any available manufacturer's warranty for those products. ANY PRODUCTS PROVIDED BY CE ARE "AS-IS" AND NOTWITHSTANDING ANYTHING TO THE CONTRARY IN ANY CUSTOMER DOCUMENTATION, NEITHER CE, ITS AFFILIATES, SUBSIDIARIES NOR ITS OR THEIR SUPPLIERS MAKE ANY WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. CE, ITS AFFILIATES AND SUBSIDIARIES, AND THEIR RESPECTIVE SUPPLIERS, EXPRESSLY DISCLAIM ALL WARRANTIES NOT STATED IN AN EXPRESS WARRANTY PROVIDED BY SUCH PERSON OR ENTITY TO CUSTOMER, IF ANY. CE shall not be responsible for any costs associated with any Customer warranty remedies, including without limitation labor charges for removal or reinstallation of defective parts, for charges for transportation, handling and shipping or refrigerant loss. CE shall have no liability for parts or service required as a consequence of faulty installation, misapplication, abuse, improper servicing, unauthorized alteration or improper operation by persons other than CE. Customer acknowledges that CE, the distributor, is a different legal entity than Carrier Corp., the manufacturer, and that "Carrier" equipment and factory authorized parts are not manufactured by CE.
- **PROPRIETARY RIGHTS** – During the term of this Agreement and in combination with certain services, CE may elect to install, attach to Customer equipment, or provide portable devices (hardware and/or software) that shall remain the personal proprietary property of CE. No devices installed, attached to real property or portable device(s) shall become a fixture of the Customer locations. Customer shall not acquire any interest, title or equity in any hardware, software, processes, and other intellectual or proprietary rights to devices that are used in connection with providing service on Customer equipment. All intellectual property rights shall remain CE's property. CE shall have free access to enter Customer locations to disconnect and remove any CE personal proprietary property or devices as well as remove any and all CE owned parts, tools and personal property.
- **DELAYS** – Delays caused by conditions beyond the reasonable control of either party shall not be the liability of either party to this Agreement.
- **CUSTOMER RESPONSIBILITIES** – Customer shall:
 - Provide safe and reasonable equipment access and a safe work environment.
 - Permit access to the job site, and use of building services including but not limited to: water, elevators, receiving dock facilities, electrical service and local telephone service.
 - Keep areas adjacent to equipment free of extraneous material, move any stock, fixtures, walls or partitions that may be necessary to perform the specified service.
 - Promptly notify CE of any unusual operating conditions.
 - Upon agreement of a timely mutual schedule, allow CE to stop and start equipment necessary to perform any agreed service.
 - If necessary, provide the daily routine equipment operation (if not part of this Agreement) including availability of routine equipment log readings.
 - Operate the equipment properly and in accordance with instructions.
 - Promptly address any issues that arise related to mold, fungi, mildew or bacteria.
- **CHANGE/TERMINATION** – Customer may not change or cancel any purchase order without CE's consent, and upon any such change or cancellation Customer shall pay CE for all incurred direct and indirect costs including overhead and a reasonable profit.
- **LIMITATION OF LIABILITY** – UNDER NO CIRCUMSTANCES SHALL CE BE HELD LIABLE FOR ANY INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF REVENUE, LOSS OF USE OF EQUIPMENT OR FACILITIES, OR ECONOMIC DAMAGES, WHETHER BASED ON STRICT LIABILITY, TORT, BREACH OF CONTRACT OR OTHERWISE. CE SHALL ONLY BE LIABLE FOR DAMAGE TO PROPERTY, OTHER THAN PRODUCTS PROVIDED UNDER THIS AGREEMENT, AND/OR INJURY OR DEATH OF PERSONS, TO THE EXTENT THAT CE'S GROSSLY NEGLIGENT ACTS OR OMISSIONS DIRECTLY AND SOLELY CAUSED SUCH INJURY, DEATH OR PROPERTY DAMAGE. CE'S MAXIMUM LIABILITY FOR ANY REASON SHALL CONSIST OF THE REFUNDING OF ALL MONEYS PAID BY CUSTOMER TO CE UNDER THIS AGREEMENT.
- **WASTE DISPOSAL** – Customer is wholly responsible for the removal and proper disposal of waste oil, refrigerant and any other material generated during the term of this Agreement.
- **CLAIMS** – Any suits arising from the performance or non-performance of this Agreement, whether based upon contract, negligence, strict liability or otherwise, shall be brought within one (1) year from the date the claim arose or be deemed waived.
- **U.S. EXPORT REGULATIONS** - Customer will not export or re-export any of goods or services in violation of applicable U.S. laws.
- **GOVERNMENT PROCUREMENTS** – CE offers standard commercial items that may not comply with Government specifications. CE does not comply with the Cost Accounting Standards (CAS) or with the Federal Acquisition Regulations (FAR). In no event shall CE provide any Cost or Pricing Data in connection with this Agreement or subsequent modifications.
- **SUPERSEDEURE, ASSIGNMENT and MODIFICATION** – These Terms and Conditions, along with the Quote referenced below, comprise one agreement ("Agreement") and contains the complete and exclusive statement of the agreement between the parties, and supersedes all previous or contemporaneous, oral or written, statements, regarding the subject matter herein. If any terms of the Quote conflict with the terms hereof, these Terms and Conditions shall control. Customer may assign this Agreement only with CE's prior written consent in its sole discretion. No modification to this Agreement shall be binding unless in a separate writing and signed by both parties. Whether these terms are included in an offer or an acceptance by Customer, such offer and sale is conditioned on Customer's assent to these Terms and Conditions, without modification, and CE rejects all additional or different terms in any of Customer's forms or documents.
- **WAIVER OF JURY** – AS A MATERIAL CONDITION OF THE AGREEMENT, IN THE EVENT OF ANY LITIGATION BETWEEN THE PARTIES, EACH PARTY HEREBY WAIVES ALL RIGHT TO A TRIAL BY JURY.

TOPIC: APPROVE FIRE ALARM REPLACEMENTS FOR SIX SCHOOL FACILITIES

BACKGROUND:

The fire alarm systems at six of our District facilities have experienced a complete system failure, leaving them inoperable and posing a serious risk to the safety of everyone within these buildings. It is not just a matter of compliance; it is a matter of life safety.

To ensure the dependability of our fire detection systems and to adhere to current building codes, it is imperative that we replace the outdated fire alarm control panels without delay. This upgrade is essential not only to meet necessary safety standards but also to provide peace of mind to all individuals utilizing our District facilities.

The new fire alarm panels will offer enhanced compatibility with other safety systems, making them a vital investment in our building management. This investment directly impacts the well-being of our students, staff, and District employees at Fort Worth ISD.

To facilitate this transition, we have assigned fire-walkers to each campus, ensuring vital safety support as we work to secure the necessary replacements.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

ALTERNATIVES:

1. Approve Fire Alarm Replacements for Six School Facilities
2. Decline to Approve Fire Alarm Replacements for Six School Facilities
3. Remand to Staff for Further Study

SUPERINTENDENT'S RECOMMENDATION:

Approve Fire Alarm Replacements for Six School Facilities

RATIONALE:

The installation of a new fire alarm control panel is crucial for ensuring the highest safety standards in any building. Prioritizing safety not only fulfills fire code requirements but also significantly reduces potential liabilities. Modern panels enhance safety through advanced detection capabilities, which lead to quicker response times during emergencies. Additionally, these upgraded systems improve integration with other safety protocols, ultimately resulting in fewer false alarms and lower maintenance costs. Investing in these replacements is essential to strengthen overall safety measures and ensure compliance with regulatory mandates, protecting both occupants and the property itself.

15. One Year Warranty on Parts and Labor

SPECIAL CONDITIONS:

To properly prepare field drawings for the system, the client will need to provide the necessary AutoCAD *.dwg formatted files of the work project areas. Additional monies and time shall be required if CAD files are not provided.

Notwithstanding any other provision, Texas Fire & Sound shall not be responsible for any failure to perform, or delay in performance of, its obligations resulting from Force Majeure, the COVID-19 pandemic or any other event out of its direct and immediate control, and Contractor shall not be entitled to any damages resulting thereof.

Steel/copper/plastics/commodities (Commodities) - The pricing offered in this proposal is based on the price of (Commodities) and its availability as of the date of this proposal. Customer agrees that the cost and availability of (Commodities) and (Commodities) products may rise after the date of this proposal. The rise in price of (Commodities) and (Commodities) products shall result in a corresponding dollar-for-dollar increase in TFS's proposal for this agreement.

This proposal is valid for (90) Ninety days from the date on this proposal.

Project : Rufino Mendosa Elementary School
Proposal : 2501.9933.002
Date : 01/24/2025

PROPOSAL NOTES:

1. We are basing the client equipment device locations on the plans provided by the customer. Any additional items required by the AHJ during plan review beyond what is included in this scope of work will be additional cost.
2. TFS will supply two [2] sets of shop drawings/submittals in black and white paper or color on electronic media.
3. Pricing considerations have been made for the installation and inspection of this project as a complete system. Considerations for phased or temporary occupancy have not been made in this proposal. Any phased occupancy or partial inspections will impact the cost of design and installation. These cost impacts are the responsibility of the client.
4. The client is responsible for providing dedicated 120V AC, 20A circuits with clean power to all panel(s).
5. Surge protection shall be provided by others for installation at the breaker location of each dedicated circuit, at no cost to TFS, that is to be used for the system.
6. Labor rates are provided for normal working hours. Premium labor such as Davis Bacon wages, Differential, Per Diem, Holiday pay rates, or accelerated schedule are not included and will be at additional costs to the client unless delineated in the inclusions listed above.
7. TFS will only take equipment returns that have an approved RMA and the equipment is in NEW condition and boxes are unopened. TFS reserves the right to charge a restocking fee on any equipment return. Equipment pricing is based on package pricing and may vary from project to project based on discounts received.
8. Unless negotiated in the fully executed contract, no retention is considered or allowed on TFS's projects. Back charges shall not be able to be levied against TFS at any time unless TFS is notified in writing within three business days of the event of the assumed back charge. Any claim for back charges shall be forever barred if TFS is not provided notification in writing within three business days of the event that the alleged incident for back charge occurred.

PROPOSAL NOTES:

1. We are basing the client equipment device locations on the plans provided by the customer. Any additional items required by the AHJ during plan review beyond what is included in this scope of work will be additional cost.
2. TFS will supply two [2] sets of shop drawings/submittals in black and white paper or color on electronic media.
3. Pricing considerations have been made for the installation and inspection of this project as a complete system. Considerations for phased or temporary occupancy have not been made in this proposal. Any phased occupancy or partial inspections will impact the cost of design and installation. These cost impacts are the responsibility of the client.
4. The client is responsible for providing dedicated 120V AC, 20A circuits with clean power to all panel(s).
5. Surge protection shall be provided by others for installation at the breaker location of each dedicated circuit, at no cost to TFS, that is to be used for the system.
6. Labor rates are provided for normal working hours. Premium labor such as Davis Bacon wages, Differential, Per Diem, Holiday pay rates, or accelerated schedule are not included and will be at additional costs to the client unless delineated in the inclusions listed above.
7. TFS will only take equipment returns that have an approved RMA and the equipment is in NEW condition and boxes are unopened. TFS reserves the right to charge a restocking fee on any equipment return. Equipment pricing is based on package pricing and may vary from project to project based on discounts received.
8. Unless negotiated in the fully executed contract, no retention is considered or allowed on TFS's projects. Back charges shall not be able to be levied against TFS at any time unless TFS is notified in writing within three business days of the event of the assumed back charge. Any claim for back charges shall be forever barred if TFS is not provided notification in writing within three business days of the event that the alleged incident for back charge occurred.

Sincerely,

Dan Blanton

**CONSENT AGENDA ITEM
BOARD MEETING
March 25, 2025**

**TOPIC: APPROVE SAFETY SURFACE REPLACEMENT FOR EIGHT
ELEMENTARY SCHOOLS**

BACKGROUND:

The Maintenance Department is seeking approval to replace the playground surface at several schools to enhance safety and accessibility for students using the outdoor playground. The pour-in-place playground surface is designed to provide a durable and resilient area that can withstand heavy use while offering long-lasting protection to children. Installing new playground surfaces at the eight (8) elementary schools will ensure the safety of the students and the community.

These replacements aim to continue phasing out wood fiber in the playground areas and have been identified as the next campuses to receive this upgrade.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

ALTERNATIVES:

1. Approve Safety Surface Replacement for Eight Elementary Schools
2. Decline to Approve Safety Surface Replacement for Eight Elementary Schools
3. Remand to Staff for Further Study

SUPERINTENDENT'S RECOMMENDATION:

Approve Safety Surface Replacement for Eight Elementary Schools

RATIONALE:

Pour-in-place surfacing prioritizes safety with its shock-absorbing qualities and lack of splinters. This durable, low-maintenance solution not only enhances safety for everyone in the play area but also significantly reduces maintenance needs. Implementing the pour-in-place surface will raise safety standards, and following a replacement schedule guarantees a safe and long-lasting playground experience.

BOARD MEETING
March 25, 2025**

TOPIC: **APPROVE ADDITIONAL GAS LINE TESTING SERVICES AND
REPAIRS FOR CAMPUSES**

BACKGROUND:

On June 25, 2024, the Board approved essential gas testing services and repairs to ensure the safety of our campuses during the 2024-2025 fiscal year. These inspections and repairs are critical for maintaining facility safety and ensuring compliance with state regulations set by the Texas Railroad Commission. Gas inspections have typically been conducted in the summer months of June and July. To facilitate timely completion by the end of June, maintenance is requesting an increase in the approved spending amount from \$680,000 to \$760,000.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

ALTERNATIVES:

1. Approve Additional Gas Line Testing Services and Repairs for Campuses
2. Decline to Approve Additional Gas Line Testing Services and Repairs for Campuses
3. Remand to Staff for Further Study

SUPERINTENDENT'S RECOMMENDATION:

Approve Additional Gas Line Testing Services and Repairs for Campuses

BOARD MEETING
March 25, 2025

TOPIC: APPROVE PURCHASE OF E-RATE CONSULTING SERVICES

BACKGROUND:

On June 22, 2021, the Board approved a vendor to perform consulting services for the E-Rate program. The vendor services were based on funding year activities, with alternating project year costs as outlined: Yr 1: \$70,000, Yr 2: \$25,000, Yr 3: \$70,000 and Yr 4: \$25,000. Please be advised that the Category 1 payment of \$25,000 to E-Rate Elite has already been processed. This request is to amend the contract to include an additional expense of \$45,000 as a Category 2 payment. This Category 2 payment is necessary to enable E-Rate Elite to complete the required USAC documentation as part of the Elementary School Infrastructure Upgrade project.

This vendor provides support for all aspects of planning, preparing and submitting E-Rate forms to comply with Schools and Libraries Division (SLD) guidelines and ensures that Fort Worth ISD receives the maximum amount of E-Rate reimbursement possible.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

ALTERNATIVES:

RESOLUTION OF THE FORT WORTH INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES DECLARING A REDUCTION IN FORCE DUE TO PROGRAM CHANGE AND IDENTIFYING THE EMPLOYMENT AREAS TO BE AFFECTED UNDER BOARD POLICY DFFB (LOCAL)

WHEREAS, The Superintendent of Schools has determined it is in the best interest of the District to restructure the organization of the District's Department of Learning and Leading. The program change is part of the ongoing efforts to address the decline in student enrollment, improve efficiency, and redirect resources to positively impact students. This restructuring will result in changes to a number of positions within the District. Specifically, the program change will impact the following employment areas: *Area Superintendents; Executive Director for Math/Science and Professional Learning; Executive Director of Humanities; Director of Humanities; Director of Professional & Innovative Learning; Director of Student Academic Support Initiatives; Instructional Coach Coordinators; Digital Learning Specialists; Literacy Instructional Coaches; Literacy ESL/DL Instructional Coaches; Math Instructional Coaches; Math ESL/DL Instructional Coaches; Science Instructional Coaches; Science ESL/DL Instructional Coaches; Social Studies Instructional Coaches; Social Studies ESL/DL Instructional Coaches; Special Education Instructional Coaches; Campus Instructional Coaches; and Deans of Instruction.*

WHEREAS, Fort Worth Independent School District Board Policy DFFB (Local) authorizes the Superintendent to recommend and the Board of Trustees to approve a District Program Change, which constitutes sufficient reason for non-renewal for District Employees who currently have a Chapter 21 Term contract; and

WHEREAS, Fort Worth Independent School District Board Policy DFFB (Local) requires the Superintendent of Schools to recommend employment areas to be affected as a result of the District Program Change; and

WHEREAS, Fort Worth Independent School District Board Policy DFFB (Local) requires that the Superintendent shall apply specific criteria to employees with Chapter 21 Term contracts within the affected employment areas; and

WHEREAS, Fort Worth Independent School District Board Policy DFFB (Local) requires that District employees who are affected by a reduction in force due to program change be considered for available positions if the employee receives a notice of proposed non-renewal as a result of the reduction in force due to a program change, and

WHEREAS, Fort Worth Independent School District Board Policy DFFB (Local) does not apply to employees who do not hold Chapter 21 Term contracts. Other applicable board policies will be applied to employees who do not hold a Chapter 21 Term contract and are affected by the restructuring of the organization of the District's Department of Learning and Leading.

DRAFT

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE FORT WORTH INDEPENDENT SCHOOL DISTRICT:

SECTION 1. That the facts and recitations contained in the preamble of this Resolution are hereby found and declared to be true and correct.

SECTION 2. That the Board is authorized by the provisions of Fort Worth Independent School District Board Policy DFFB (LOCAL) to declare a need for a program change and a need to reduce personnel on Chapter 21 Term contracts based on the recommendation of the Superintendent and as a result of the efforts to address the decline in student enrollment, improve efficiency, and redirect resources to positively impact students.

SECTION 3. That the Board finds and declares, at the recommendation of the Superintendent, a reduction in force due to program change under Board Policy DFFB (Local) to reduce personnel on Chapter 21 Term contracts in the affected employment areas as described in the recitals of this Resolution as a result of efforts to address the decline in student enrollment, improve efficiency, and redirect resources to positively impact students.

SECTION 4. That the Board finds and declares, at the recommendation of the Superintendent, that the following employment areas are to be affected as a result of the program change: *Area Superintendents; Executive Director for Math/Science and Professional Learning; Executive Director of Humanities; Director of Humanities; Director of Professional & Innovative Learning; Director of Student Academic Support Initiatives; Instructional Coach Coordinators; Digital Learning Specialists; Literacy Instructional Coaches; Literacy ESL/DL Instructional Coaches; Math Instructional Coaches; Math ESL/DL Instructional Coaches; Science Instructional Coaches; Science ESL/DL Instructional Coaches; Social Studies Instructional Coaches; Social Studies ESL/DL Instructional Coaches; Special Education Instructional Coaches; Campus Instructional Coaches; and Deans of Instruction.*

SECTION 5. That the Board directs that upon passage of this Resolution, the Superintendent shall implement the requirements of Fort Worth Independent School District Policy DFFB (Local) for this reduction in force based on a program change and implement it by making recommendations to the Board regarding the termination, proposed termination and/or proposed nonrenewal of Chapter 21 Term contract employees currently working in the affected employment areas, as set forth above in this Resolution.

March 25, 2025

TOPIC: APPROVE RESOLUTION ADOPTING EARLY VOTING TIMES, DATES, AND LOCATIONS, AND ELECTION DAY POLLING LOCATIONS FOR MAY 3, 2025 GENERAL ELECTION

BACKGROUND:

On January 21, 2025, the Board of Education ordered an election for May 3, 2025, for the purpose of electing members to represent Single Member Districts One, Four, Seven, Eight, and Nine. However, at the time the Order was adopted, voting times, dates, and polling places for Early Voting, and polling locations for Election Day were unavailable. Early voting times, dates, and polling location, and Election Day Polling locations have now been updated by the Tarrant County Elections Administration and added to the Resolution.

STRATEGIC GOAL:

4 – Operational Alignment and Efficiency

ALTERNATIVES:

1. Approve Resolution Adopting Early Voting Times, Dates and Locations, and Election Day Polling Locations for the May 3, 2025 General Election.
2. Decline to Approve Resolution Adopting Early Voting Times, Dates and Locations, and Election Day Polling Locations for the May 3, 2025 General Election.
3. Remand to Staff for Further Study

SUPERINTENDENT’S RECOMMENDATION:

Approve Resolution Adopting Early Voting Times, Dates and Locations, and Election Day Polling Locations for the May 3, 2025 General Election.

AND WHEREAS, said Order of January 21, 2025, called for the election of board members but did not designate polling locations for Early Voting and Election Day locations since they were unavailable at the time the Order was adopted,

AND WHEREAS, these locations have now been provided by the Tarrant County Elections Administrator.

THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE FORT WORTH INDEPENDENT SCHOOL DISTRICT:

That in accordance with the general laws of the Legislature of the State of Texas pertaining to the election of Board Members, the Board does hereby adopt the Early Voting times, dates and locations listed on Attachment A and does hereby adopt the polling locations for Election Day as listed on Attachment B, as the polling locations for Single Member Trustee Districts One, Four, Seven, Eight, and Nine. Said locations will serve as precincts and polling places for those voters in the Tarrant County election precincts which are assigned to said polling place for the May 3, 2025, Fort Worth Independent School District, Board Member Elections and any runoff, if necessary. If the Tarrant County Elections Administrator revises any of the listed polling locations shown on Attachment A or B after the Board approves the locations identified, the revised and

final locations will be included in the Notice of Election that is required to be posted and published in accordance with Section 4.003, Texas Election Code.

The Resolution being read, **MOTION** was made by _____, seconded by _____ that the Resolution Adopting Early Voting times, dates and polling locations, and Election Day Polling Locations be passed, approved and adopted.

FOR: _____

AGAINST: _____

The above Resolution Adopting Early Voting times, dates and polling locations, and Election Day Polling Locations was approved and adopted at a regular meeting that the Board of Education held on the 25th day of March, 2025.

Roxanne Martinez, President
Board of Education
Fort Worth Independent School District

ATTEST:

Anael Luebanos, Secretary
Board of Education

BOARD MEETING
March 25, 2025**

TOPIC: APPROVE ORDER DECLARING UNOPPOSED CANDIDATES ELECTED TO SINGLE MEMBER DISTRICT FOUR AND SINGLE MEMBER DISTRICT EIGHT

BACKGROUND:

On January 21, 2025, the Board of Education ordered an election for May 3, 2025, for the purpose of electing members to represent Single Member Districts One, Four, Seven, Eight, and Nine. Since the deadline to file an application for a place on the ballot and/or declare as a write-in candidate has expired, it is determined and certified that there is only one candidate in Single Member District Four and Single Member District Eight. Under current State law, holding an election in Single Member Districts with unopposed candidates is no longer required and unopposed candidates must be declared elected by order of the Board of Education.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

ALTERNATIVES:

1. Approve Order Declaring Unopposed Candidates Elected to Single Member District Four and Single Member District Eight
2. Decline to Approve Order Declaring Unopposed Candidates Elected to Single Member District Four and Single Member District Eight
3. Remand to Staff for Further Study

TOPIC: APPROVE INCREASE TO PREVIOUSLY APPROVED ARCHITECTURAL SERVICES, ENGINEERING SERVICES, AND PROFESSIONAL SERVICES AMOUNT FOR W.A. MEACHAM MIDDLE SCHOOL IN CONJUNCTION WITH THE 2021 CAPITAL IMPROVEMENT PROGRAM.

BACKGROUND:

On December 14, 2021, the Board of Education approved the qualification of firms and authorized the Capital Improvement Staff to negotiate and award contracts for Architectural, Engineering, and Professional Services for the 2021 Capital Improvement Program.

On September 27th, 2022, the Board of Education Approved Ratification of the Contracts for Architectural and Engineering Profession Services for the 2021 Capital Improvement Program and Projects Funded as a Result of the 2021 Bond Election.

On May 28, 2024, the Board of Education Approved Authorization to Negotiate with a Construction Manager at Risk for a GMP Amendment(s) for Construction Services for W.A. Meacham Middle School (RFQ 24-042) in Conjunction with the 2021 Capital Improvement Program. As a result of the construction contract amount, the Architect contract must be amended, and the Architect not-to-exceed amount must be adjusted.

TOPIC: APPROVE KITCHEN EQUIPMENT PARTS, REPAIR AND PREVENTIVE MAINTENANCE SERVICE

BACKGROUND:

Fort Worth Independent School District (FWISD), Child Nutrition Services intends to contract with multiple vendors on an “as needed” basis provide kitchen equipment parts, repair and preventive maintenance services for 128 campuses. Six (6) companies submitted proposals in response to the Request for Proposal (RFP). An evaluation committee of four (4) FWISD employees assessed the submissions from each vendor. These members independently evaluated the proposals, scoring them based on established criteria outlined in the RFP. The companies that responded to the RFP are listed below in alphabetical order:

1. Aire Frezco, LLC
2. Colden Hot Services
3. Fox Industries, LLC
4. Hobart Service
5. Parts Town, LLC
6. Smart Care Equipment Solutions

The RFP will establish a one (1) year agreement between the District and the provider, with the possibility of renewing for up to three (3) additional years. This extension is contingent upon the District's long-term needs and the mutual agreement of both parties, not exceeding a total duration of four years.

District-Wide Kitchens

RATIONALE:

The Child Nutrition Services of the Fort Worth Independent School District (FWISD) is responsible for the preparation and provision of nutritious meals for students. To date, the department has served 2.0 million breakfast meals, 4.0 million lunch meals, 168,048 after-school snacks, and 168,922 supper meals. At present, Child Nutrition Services employs three technicians who are tasked with managing kitchen repairs across the district's 128 campuses. In order to optimize performance and efficiency, the decision to contract services for kitchen equipment parts and repairs is strategically advantageous. This approach not only facilitates substantial cost savings but also enhances service quality throughout all kitchens. By utilizing external expertise on an as-needed basis, Child Nutrition Services can concentrate on delivering an exceptional culinary experience while ensuring the seamless operation of all kitchen facilities.

TOPIC: **APPROVE RENAMING SUCCESS HIGH SCHOOL TO COMO SUCCESS ACADEMY**

BACKGROUND:

Como Montessori closed its doors at the end of the 2021-2022 school year. In January 2023, Success High School relocated from Southwest High School to the Como Montessori facility. The decision to relocate Success High School to the former Como Montessori campus represents a significant opportunity for our community. This move not only preserves a historical site cherished by many but also revitalizes the educational landscape for our students.

Renaming Success High School to Como Success Academy is a decisive step in honoring the Como neighborhood legacy while embracing a program focused on preparing students for success beyond high school. By adopting this name, we acknowledge the community's pride in the Como school's history, ensuring that the traditions and values of the past are celebrated and integrated into the educational experience of today's students.

TOPIC: **APPROVE CONTRACT FOR NETWORK ELECTRONIC EQUIPMENT
FOR HIGH SCHOOLS UTILIZING PROGRAM CONTINGENCY FUNDS IN
CONJUNCTION WITH THE 2017 CAPITAL IMPROVEMENT PROGRAM**

BACKGROUND:

As part of the Network Modernization Plan, the district is undertaking the essential replacement of outdated networking equipment across all district schools. This initiative aims to enhance network performance, meet the increasing digital demands for instructional resources, and ensure network security. By replacing all the aging network equipment, we will equip every school with modern, centrally managed systems to provide optimal response times. The first phase, funded by the 2017 Bond, will focus on upgrading the LAN and Wireless Infrastructures. In addition, this project will include an uninterruptible power supply to protect the core equipment against power surges in all High Schools.

STRATEGIC PRIORITY:

1 - Student Academic Excellence

ALTERNATIVES:

1. Approve Contract For Network Electronic Equipment for High Schools Utilizing Program Contingency Funds in Conjunction With The 2017 Capital Improvement Program

ACTION AGENDA ITEM
BOARD MEETING
March 25, 2025

TOPIC: **APPROVE AUTHORIZATION TO NEGOTIATE AND ENTER INTO A
LEASE AGREEMENT (3-YEARS) FOR DEVICES FOR DISTRICT STAFF**

BACKGROUND:

To support the District's staff device program, it is essential to provide high-quality devices that ensure every staff member has the tools necessary to effectively perform their duties. This request aims to guarantee that all staff across the District have reliable, uninterrupted access to devices throughout the school year, maintaining consistent performance and functionality.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

ALTERNATIVES:

1. Approve Authorization to Negotiate and Enter into An Agreement for Devices for District Staff
2. Decline to Approve Authorization to Negotiate and Enter into An Agreement for Devices for District Staff
3. Remand to Staff for Further Study

SUPERINTENDENT'S RECOMMENDATION:

Approve Authorization to Negotiate and Enter into An Agreement for Devices for District Staff

**ACTION AGENDA ITEM
BOARD MEETING
March 25, 2025**

**TOPIC: APPROVE CONTRACT FOR NETWORK ELECTRONIC EQUIPMENT
FOR ELEMENTARY SCHOOLS**

BACKGROUND:

As part of the Network Modernization Plan, the district is undertaking the essential replacement of outdated networking equipment across all district schools. This initiative aims to enhance network performance, meet the increasing digital demands for instructional resources, and ensure network security. By replacing all the aging network equipment, we will equip every school with modern, centrally managed systems to provide optimal response times. The second phase, funded by E-Rate, will focus on upgrading the LAN and Wireless Infrastructures for all Elementary Schools. This is for the 2025-2026 school year.

STRATEGIC PRIORITY:

1 - Student Academic Excellence

ALTERNATIVES:

1. Approve Contract for Network Electronic Equipment for Elementary Schools
2. Decline to Approve Contract for Network Electronic Equipment for Elementary Schools
3. Remand to Staff for Further Study

SUPERINTENDENT'S RECOMMENDATION:

ACTION AGENDA ITEM
BOARD MEETING
March 25, 2025

TOPIC: APPROVE FLEET MANAGEMENT SERVICE AGREEMENT

BACKGROUND:

Transportation requests approval for a multi-year fleet management service agreement. This partnership will provide an external workforce to manage, maintain, and repair both school buses and transportation support vehicles.

Regularly scheduled preventive maintenance is crucial for ensuring buses remain operational; however, there are numerous vacant mechanic and technician positions. A shortage of critical staff has resulted in challenges in upholding a robust preventive maintenance program and addressing acute mechanical issues as they arise. Consequently, Transportation is experiencing an increase in bus breakdowns and extended out-of-service times.

The proposed collaboration aims to enhance our fleet maintenance program and significantly reduce bus downtime. This is an important step in ensuring reliable, well-maintained buses for students and drivers. Transportation will measure the effects of this initiative via key performance indicators to ensure outcomes and for optimal fleet readiness.

Importantly, this initiative is budget neutral. With the reallocation of existing funds from position vacancies, fleet maintenance, parts, and contracted services to support this agreement, there will be no increase to the overall budget.

The proposed agreement is set to run from April 1, 2025, to June 30, 2027, with an option for renewal that aligns with the District's fiscal year. Seeking approval will in time will address the initial twenty-seven months, after which there will be the opportunity to extend the agreement for an additional three (3) years.

STRATEGIC PRIORITY:

4 - Operational Alignment and Efficiency

RATIONALE:

A robust preventative maintenance program is necessary to ensure a reliable fleet and avoid costly repairs. The shortage of skilled mechanics and technicians to complete this maintenance has created excessive vehicle downtime and added to the work order backlog. This is particularly important considering that the current bus fleet consists of 423 vehicles, varying in age from less than a year to twenty years old. While our newest units have traveled less than 1,000 miles, others see odometer readings over 330,000 miles. The average bus is now nine (9) years old with approximately 100,000 miles.

Partnering with a fleet management specialist will allow the Department to concentrate on their primary function of delivering safe, reliable, timely, and efficient transportation to students. The fleet management partner can enhance cost efficiency, provide valuable expertise, ensure quality, and effectively manage risks that could impact fleet reliability and availability.

EXHIBIT A

MAINTENANCE AGREEMENT SCOPE OF WORK

1. MAINTENANCE SERVICE.

First Student and Customer agree to the terms as outlined and described below for the Customer's vehicles. Customer shall pay First Student for Maintenance and any replacement parts according to Schedule A. Maintenance and the replacement of parts shall be based upon the specific needs of a vehicle as determined by First Student in consultation with the Customer. Replacement parts shall be new or reconditioned. Upon removal and subject to First Student's acceptance, title of replaced parts shall transfer to First Student.

2. MAJOR REPAIRS AND MAJOR MAINTENANCE.

"Major Repairs and Major Maintenance" are outside the scope of this Agreement and are not included under Maintenance. For the purpose of this Agreement, Major Repairs and Major Maintenance are defined as the aggregate of all repairs or maintenance items including labor that would cost more than One Thousand dollars (\$1,000.00). Examples of such Major Repairs and Major Maintenance may include, without limitation, engine rebuilds, significant transmission repairs and substantial drive train or other major components. In the event First Student desires to perform Major Repairs and Major Maintenance, First Student shall consult with and obtain Customer's written approval before proceeding with such work.

3. BILLING, CHARGES, TAXES, AND PAYMENT.

First Student shall send invoices on a monthly basis for services performed the previous month, inclusive of completed repairs on vehicles released to Customer, and completed, or partially completed, repairs for vehicles still in progress of being fully repaired, but not yet released to Customer.

Invoices for services are due and payable in U.S. dollars within thirty (30) days of the invoice date in accordance with the Texas Prompt Act ("Invoice Due Date"). Payments not received by Invoice Due Date are considered past due. In addition to First Student undertaking any of the actions set forth in this Agreement, if any invoice is not paid when due, First Student may: (i) apply a rate charge in accordance with the Texas Prompt Payment Act and/or (ii) take any action in connection with any other right or remedy First Student may have under this Agreement in law or in equity. First Student will provide written notice to Customer of Customer's failure to make prompt payment. Customer shall be in default if Customer fails to make payment as required following the notice and such failure remains uncured for thirty (30) calendar days. If Customer in good faith disputes any portion of any First Student Invoice, Customer shall submit to First Student by the Invoice Due Date, full payment of the undisputed portion of any First Student Invoice and written documentation identifying and substantiating the disputed amount. If Customer does not report a dispute within sixty (60) days following the date on the applicable invoice, Customer shall have waived its right to dispute that invoice. First Student and Customer agree to use commercially reasonable efforts to resolve any dispute within thirty (30) days after First Student receives written notice of the dispute from Customer. Any disputed amounts resolved in favor of Customer shall be credited to Customer's account on the next invoice following resolution of the dispute. Any disputed amounts determined to be payable to First Student shall be due within (10) days of resolution of the dispute. If there is any remaining credit to Customer's account following the termination of this Agreement, First Student will provide payment to Customer of such credit within thirty (30) calendar days from the date of termination.

Customer shall pay applicable taxes levied upon any sale, transfer of ownership, installation, license or use of products or services, unless Customer provides a tax exemption certificate that is reasonably acceptable to First Student.

4. INSPECTION CONDITION.

Notwithstanding any language to the contrary, within 180 days of the Effective Date of this Agreement, First Student shall have the right to perform a field inspection and determine whether said vehicles qualify by their condition for Maintenance. In the event that First Student determines that one (1) or more vehicles do not qualify, First Student will inform Customer of such case, and the non-qualifying vehicles shall not be subject to Maintenance under this Agreement. The District will have at least 240 vehicles maintained under this Agreement, which includes a 10-15% spare rate, dependent on the number of daily routes the school district runs.

5. ACCESS.

Customer agrees to furnish First Student full and free access to the covered vehicles to facilitate the inspections and Maintenance contemplated hereunder. Customer also agrees to furnish no less than three shop trucks for the maintenance staff to utilize. First Student's employees that will be driving Customer vehicles must first be cleared by the Customer's Risk Management Department. First Student will assume responsibility for the maintenance and upkeep of those vehicles.

6. WARRANTY.

First Student warrants that the Maintenance and replacement parts furnished pursuant to this Agreement will be free from defects in material and workmanship under normal use and operation for a period of thirty (30) days after the Maintenance. This warranty is subject to written notification by the Customer to First Student of its claim within five (5) business days after the discovery of the defect. No claim or action arising under this section may be brought more than ninety (90) days after the claim or cause of action has accrued. The obligation of First Student under this warranty is limited to repair or replacement, at First Student's option. Customer's legal remedies for defective repair work are limited to First Student's obligations expressly stated in this paragraph

This warranty extends only to the Customer and not to the users of the Customer's vehicles and/or services. This warranty shall not apply to defects, nonconformity, failure, or abnormal wear and tear which are attributable in whole or part to misuse, negligence, or an accident by the Customer or any third party. This warranty shall cease if (i) the vehicles are not used, stored, or handled by Customer or any third party in accordance with all the manufacturers' instructions and recommendations or (ii) Customer or any third party undertakes any action on a replacement part or component intended to be covered by the warranty.

THIS WARRANTY AS STATED IN THIS SECTION IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE FOR A PARTICULAR PURPOSE AS IT RELATES TO DEFECTIVE REPAIR WORK.

8. LIABILITY.

Subject to the terms of sections 7 and 9, each party agrees, to the extent allowed by law, to indemnify, defend and hold harmless the other party and its employees, principals (partners, shareholders or holders of an ownership interest, as the case may be) and agents, from and against any claims, demands, loss, damages or expenses (including counsel fees and court costs) arising from bodily injury or damages to properties directly caused by the negligence or willful misconduct of the indemnifying party, its personnel or agents during the course of the services provided under this Agreement.

9. LIMITATION OF LIABILITY AND WAIVER.

Notwithstanding any language to the contrary, First Student will not be liable to Customer or anyone claiming through or under Customer for incidental or consequential damages however occasioned or arising out of this contract whether or not First Student has been advised of the possibility of such damages.

Customer waives and releases First Student from: any and all other warranties; any incidental or consequential damages whether in contract or in tort; losses such as but not limited to loss of operation, of profit or of use; or liabilities, whether express or implied, arising by law, custom or otherwise as to the title, drive worthiness, value, quality, durability, description, condition, design, operation or merchantability, or the absence of any infringement of any patent, copyright, design, or other proprietary right, or fitness for use for a particular purpose, or as to the quality of the material or workmanship of Maintenance, the absence thereof from latent defects, or as to any other representation or warranty whatsoever, express or implied (including any implied warranty arising from a course of performance or dealing or usage of trade) with respect to the Maintenance. Customer waives, releases, renounces and disclaims any expectation of or reliance upon any such representation or warranties, it being understood that all conditions, warranties and representations (or obligations or liabilities in contract or in tort) in relation to any of those matters, express or implied, statutory or otherwise are expressly excluded. No agreement or understanding altering or extending First Student's liability will be binding on First Student except if in writing and signed by duly authorized officer of First Student.

10. Key Performance Indicators (KPI)

The Customer will utilize the following Key Performance Indicators for the services provided.

- a. Preventative Maintenance compliance percentage for the current fleet
- b. Number of downed vehicles or out of service vehicles
- c. Scheduled work percentage versus unplanned work (emergency calls, roadside assistance, write ups)
- d. Percentage of work orders completed each month
- e. Parts per bus cost

11. TERMINATION FOR CAUSE.

Either party may terminate this Agreement at any time, upon sixty (60) days' notice in writing to the other party for convenience. In the event that First Student fails to adequately cure any faulty Maintenance obligations after thirty (30) days written notice by Customer, Customer may terminate this Agreement. Notwithstanding termination or assignment, each Party agrees to fulfill all obligations that accrued under this Agreement prior to the time that termination or assignment becomes effective. Customer shall pay to First Student any amounts due and outstanding within 30 days of the termination or assignment date.

SCHEDULE A – Fleet and Facility Expectations and Monthly Cost

First Student and Customer agree to the following expectations:

- A. Complete fleet evaluation with recommendations for the 240-fleet maintenance program which includes a 10-15% spare fleet ratio.
- B. First Student will provide a Shop Manager, Technician in Charge, Inventory Manager, and an adequate Technician team to maintain the 240 yellow bus fleet. The team will consist of 10 technicians with a combination of Level 1, 2, and 3 training.
- C. Fort Worth ISD will provide the total payroll/employment cost for each District employed technician at the end of each month. That amount will be credited back to the District on the following month's billing to First Student.
- D. First Student will provide recruiting services to hire and maintain proper staffing levels.
- E. First Student will facilitate and maintain support technology including Hexagon EAM and TAC Helpdesk.
- F. First Student will provide twenty (20) hours a year of training for each of the maintenance staff members.
- G. First Student provides any specific updates to the facility to allow for a Lean and efficient workflow. This includes organizing the shop in the most efficient manner in accordance with Lean practices i.e., any painting, upgrading tools, putting up signage.
- H. Roadside assistance will be provided as needed.
- I. Customer will communicate with drivers to deliver vehicles on time for their PM appointments.
- J. As stated in Section 6, Customer will provide no less than three (3) maintenance vehicles for maintenance staff to utilize. First Student will assume responsibility for maintaining those vehicles.

First Student and Customer agree to the following rates:

| Cycle | Project Fees | *Estimated Parts Cost |
|--|------------------------|-----------------------|
| Year 1 (March 26, 2025 – June 30, 2026) | \$3,240,824.00 | \$614,829.00 |
| Year 2 (July 1, 2026 – June 30, 2027) | \$2,701,413.00 | \$760,270.00 |
| Option Year 3 (July 1, 2027 – June 30, 2028) | \$2,898,004.00 | \$837,894.00 |
| Option Year 4 (July 1, 2028 – June 30, 2029) | \$2,994,754.00 | \$919,739.00 |
| Option Year 5 (July 1, 2029 – June 30, 2030) | \$3,094,826.00 | \$1,042,060.00 |
| Total 5 Year | \$14,929,821.00 | \$4,174,792.00 |

- K. This project will be billed monthly.
- i. The monthly price of \$220,083.00 will be billed for the March 26 – June 30th time period.
 - ii. The monthly price of \$220,083.00 will be billed for the first two years of this agreement to maintain 240 yellow bus vehicles.
 - iii. First Student will maintain the current 16 garage and grounds vehicles at no additional cost to the district. We will charge back any parts cost at 10% markup for the 13 vehicles that are not part of the 3 shop trucks that we have requested access to.
- L. First Student will utilize the current parts in the FWISD garage until they have been exhausted, at which time, First Student will keep an inventory list for all necessary parts, which will be billed to the Customer with a 10% markup. Utilizing First Student's purchasing power, First Student will purchase parts and maintain inventory levels as required using Hexagon EAM. Parts will be invoiced to District when the part is consumed. If there is inventory the District has paid for, the inventory will remain as District property, if the contract is terminated.
- a. *The Estimated Parts Cost in the pricing column is an estimate based on the maintenance of 240 vehicles. Any "Major Repairs or Maintenance" will be discussed and confirmed by the Customer prior to First Student completing the work. This cost is contingent upon the condition of the fleet and maintaining the fleet. This includes the 10% markup.
- M. Preventative Maintenance (PM) inspections will be performed for each vehicle every 90 days or 10,000 miles. All PMs are included in the maintenance cost. All parts will be billed directly to the Customer at a 10% markup.
- N. Any further repairs noticed during the PM inspection will be noted, and repair work will be performed.

SCHEDULE B – Hourly Rate for Excess Vehicles

Under this Schedule, the Excess Vehicles are considered to be the District's White Fleet. First Student and Customer agree to the following rates for the District's White Fleet:

- A. Labor shall be provided for all work at the rate of \$90 per hour.
- B. Replacement parts will be purchased by First Student and billed to Customer (10% markup on parts).
- C. Preventative Maintenance (PM) inspections will be performed for each vehicle at the rate of \$90 per hour, plus parts (10% markup on parts).
- D. Any further repairs noticed during the PM inspection will be noted and discussed with Customer and the repair work will be performed after consent from the Customer at the rate of \$90 per hour, plus parts (10% markup on parts).
