If an employee wishes to opt out of the insurance coverage entirely, the District will provide to any such employee in the amount of One Hundred Dollars (\$100.00) per month added to their monthly wage. To qualify under this section, the employee must certify in writing that he or she desires to opt out of the District's base insurance coverage and has no intention of receiving further benefits from the Employer's insurance provider. This opt out option shall be exercised only once per contract year (i.e. July 1st through June 30th) and the employee shall not be permitted to return until the beginning of the next contract year unless there is a change in marital status or other condition that would result in the employee having no base health care coverage.
