CHIEF NEWS

PRINCIPAL'S MESSAGE

Chiefs,

Happy almost St. Patrick's Day! This week marks the end of the 3rd nine weeks. Please pay close attention to PowerSchool to check your quarter grades and absences. Congratulations to our ten students who qualified for the State level National History Day event. We are extremely proud of you. Also congratulations to our Orchestra for earning a Superior Rating in this past week's competition. This week at NMBH, we have a busy week of athletics as well as a band concert and the high school division for Chief Idol. Please come out to support our students. James Uzun has been awarded the 2025 DAR (Daughters of American Revolution) Good Citizen award for NMBHS. This award recognizes and rewards high school seniors who possess the qualities of dependability, service, leadership, and patriotism. Way to go, James! In the next few weeks there are several scholarship opportunities for students. Please be sure you are checking your grade level Google classrooms for updated information from our school counselors. If you have not joined, stop by the counseling office and get the code from Ms. Aguilar. It's also time to wrap up all incomplete IGPs. If you have not completed your IGP with your counselor, please email them for an appointment time. We will print out course requests soon to make sure everyone's request are correct for next school year. After these have requests have been signed and returned you will not be allowed to change classes unless a course has been failed due to grades and/or attendance. It's extremely important that you take the time to sit down with your counselor to get the correct classes scheduled. It's hard to believe we are beginning our final quarter for the 2024-2025 school year. Let's be sure to put 100% effort in making it the best one yet. Have a great week, Chiefs!

CHIEF LEADER OF THE WEEK

·This week Colin Singer will receive the Leadership Award sponsored by Olive Garden. Colin is a senior at NMB High School. He is interested in the Music Field and is planning to attend a college in Florida with their music program. In preparing himself for the future Colin has completed a 40-hour internship with Mrs. Link and Mr. Peltier in which he learned how to run the music track, set up performances, organize sheet music, and sit in for auditions. He even got to experience walking in the parade with our Marching Band and Mr. Dileo. Colin is always polite and respectful. The staff that have worked with Colin have enjoyed getting to know him and see him conquer his goals for this year.

HORRY COUNTY SCHOOLS

COFFEE *with* CLIFF

Mr. Clifford Jones, the new Superintendent of Horry County Schools, has scheduled "Coffee with Cliff" events for the remainder of the school year. As a newcomer to Horry County Schools, Mr. Jones wants to use these events to listen to the community's ideas and concerns and to share news about the district with community members. These events are just one of many ways Mr. Jones hopes to connect with the community and listen, share, and learn to make Horry County Schools an even better district.

#HCSBestDaysAhead

"Coffee with Cliff" consists of informal listening sessions and discussions. Everyone is invited, and no registration or appointment is needed. Just show up, enjoy a cup of coffee, and chat.
