Stephanie Flock Appointed Principal of C.E. Williams Middle School South Campus

Charleston, SC - Charleston County School District (CCSD) is proud to announce that Stephanie Flock has been appointed as the new principal of C.E. Williams Middle School South Campus, effective July 1, 2025.

Flock brings nearly three decades of experience in education, including extensive leadership roles that have prepared her for this next step. Most recently, she served as Assistant Principal at Lucy Beckham High School where she played a key role in curriculum development, student intervention programs, and faculty leadership. Prior to that, she was the Principal of Morningside Middle School where she successfully implemented STEM initiatives, project-based learning programs, and expanded student support services. Throughout her career, she has demonstrated a deep commitment to academic excellence and student-centered learning.

As she steps into this new role, Flock is focused on enhancing instructional strategies, strengthening community partnerships, and ensuring a positive school culture. She is eager to work alongside students, teachers, and families to create dynamic learning experiences that prepare students for success both inside and outside the classroom.

"I am honored to join the C.E. Williams community and look forward to building meaningful relationships with students, staff, and families," said Flock. "This school has a strong foundation of excellence, and I am excited to continue the work of Mr. Kevin Smith."

Superintendent Anita Huggins expressed confidence in Flock's ability to lead the school forward.

"Ms. Flock is a dedicated leader who cares deeply about student success," Huggins confirmed. "She has a strong history of supporting teachers, encouraging innovation, and creating a positive learning environment. I am confident that under her leadership, C.E. Williams Middle School South Campus will continue to grow and provide students with the support and education they need to succeed."

The Ohio native joined CCSD in 1997; Flock taught social studies at the former Alice Birney Middle School for 11 years and became the grade level and Social Studies Department Chair. She also taught social studies and was the department chair at the former West Ashley Middle School for a year before becoming the assistant principal at Morningside in 2009. Flock served in that role for seven years before being promoted to principal.

Flock has three degrees in education: a bachelor's degree in Education from Bowling Green University; a master's degree in Educational Leadership from The Citadel; and a Specialist in Education (Superintendency) from The Citadel.

CCSD also extends its appreciation to Kevin Smith for his leadership and dedication to C.E. Williams Middle School South Campus. As he transitions to his role as principal of the newly formed Baptist Hill Middle School, he is thanked for his service and impact on the school community.

With Flock's leadership, C.E. Williams Middle School South Campus is well-positioned to build on its successes and further enhance academic excellence, student development, and community engagement.

About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 50,000 students in 88 schools and specialized programs.

CCSD offers a diverse portfolio of educational options and specialized programs delivered to the students of CCSD through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools and programs. Rich educational opportunities for students include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; military; dual credit; and many more.
