

Introduction

Welcome to Springfield Intermediate School

On behalf of the faculty and staff of Springfield Intermediate School, we would like to welcome all students to the 2024-2025 school year.

We challenge each student to do their very best, both in and out of the classroom, and hope that every student will find this year interesting, challenging, and exciting.

We look forward to working with you during the coming year. Please note that the principal's office and guidance office are always open to both students and parents.

Springfield Local School District Mission Statement

The MISSION of the Springfield Local School District, dedicated to education, is to guarantee that all students reach their maximum potential in academic, social, emotional, and physical development, by providing dynamic programs in a safe environment, delivered by a dedicated staff, in partnership with caring families and an involved community, leading us into our future.

The Intermediate School Philosophy

The philosophy of an educational program is directed to assist the students in understanding themselves in order that they may better serve others.

It is our belief that the intermediate school can best do this by creating an environment, which will not force boys and girls into sophisticated activities beyond their years.

The intermediate school will help structure a student's education in his or her best interest. The school considers the student as a whole, and tries to develop his/her potential.

The intermediate school is concerned in helping the student learn how to live as well as how to make a living. Each child's physical, mental, moral, emotional, and social development must be considered.

Non-Discrimination (BOE 2260 Policies & Guidelines)

Springfield Local Schools will strive to provide the best possible educational program, faculty, facilities, co-curricular and extra-curricular programs without discrimination on the basis of race, color, national origin, sex (including sexual orientation or gender identity), disability, age (except as authorized by law), religion, or handicap. All notices, signs, schedules and other communication about school events must contain the following statement: "In accordance with state and Federal law, the District will provide reasonable accommodations to persons with disabilities who wish to attend and/or participate in school events. Such individuals should notify the Principal if they require reasonable accommodation."

The Springfield Intermediate School Mission Statement

At Springfield Intermediate School, the staff, students, parents, and community members will work together as a team to foster intellectual, physical, and emotional development of every student. We will provide effective instructional leadership and learning experiences that will lead to the development of productive citizens and self-directed life-long learners.

Objectives

1. To educate all students to be good citizens and to accept the responsibilities of a citizen along with its privileges.
2. To help students adjust themselves to the world in which they live, cultivating an ability to understand people and races and to realize the importance of cooperative working and living.
3. To help students to understand their own capabilities and limitations, to develop themselves to the full extent of their abilities, and to have a pride in their abilities and accomplishments.
4. To develop good work habits: neatness, organization of work, and completion of all projects started.
5. To develop the power to think clearly and logically, and to express themselves accurately and concisely.
6. To help students develop opinions which they are able to defend and support with facts or to change and to evaluate the opinions of others through open-mindedness and critical thinking.
7. To keep channels of communication open between students' parents and teachers at all times.
8. To place the emphasis of athletics on sportsmanship and skill mastery of the sport, while still keeping academics as the major function of the school.
9. To motivate interest and desire for continual learning.
10. To provide educational and co-curricular opportunities to meet the needs of all students.
11. To improve decision making skills, whether the decision has to do with school, getting along with others, or saying "NO" to drugs.
12. To prepare students for their high school careers both academically and socially.

Grades

The following grading scale was adopted beginning the 2024-2025 school year for the Intermediate School

90-100=A	80-89=B
70-79=C	60-69=D
Below 60=U	

Interpretation of Grades

An attempt is made at all times to evaluate the progress of students in the best possible manner. The following grading system has been devised for that purpose.

A= (90-100)

The student is more than meeting the demands of the teacher. His/her work is on time and of excellent quality. The student shows mastery of the subject matter. He/she has the ability to carry the job through and exerts a positive influence on the class. (Excellent Progress)

B= (80-89)

The work is of above average quality and the required work is done well. The student meets the demands of the teacher and exerts a positive influence on the class. (Above Average Progress)

C= (70-79)

The student does satisfactory work. The work is on time and is of average quality. The student is showing achievement. (Satisfactory Progress)

D= (60-69)

The student is not doing all of the assigned work, is dependent on others, is inconsistent, or uncertain. Work is below average but shows some evidence of growth. (Slow Progress, Improvement Needed)

U= (60 & below)

Underachievement, with little growth taking place. Student shows a lack of interest and/or irregular attendance and attention. (Minimal Progress, Unsatisfactory)

Homework and Makeup Work

In the event your child should miss two consecutive days of school due to illness, you may call the school office and arrange to have his/her assignments sent home. An individual assignment sheet will be circulated to each of your child's teachers, and we will get any necessary books, materials, etc., from his/her locker. You may pick these items up in the office, or we will send them home with another student, if you prefer. Since our teachers are conducting classes during the day, we must require 24-hours' notice for homework assignments in order that the teachers have adequate time to prepare individual assignments. Your child will be given the number of days absent plus one day to complete any missed assignments. **It is the student's responsibility to see that the work is handed in to the teacher.**

Honor Roll

Each nine weeks our school will recognize students who qualify for one of two honor rolls – all A's or all A's and B's. All subjects with letter grades will count in determining the honor roll. Minuses have no effect in calculating the honor roll.

Interim Reports

Interim reports are mailed to the parents of every student in the middle of each grading period. Interim reports will be sent to the parents of every student each grade period regardless of academic progress.

Student Progress

Note to Parents: At no time should you be in doubt about your child's progress. If you have any questions, please contact your child's teacher, the guidance counselor, or the principal immediately.

III – SERVICES

Academic Assistance

You may always seek extra help from your teachers if you do not understand an assignment or if you have been absent and need help making up work that was missed. Arrange a conference with your teacher when it is most convenient for both of you before, during, or after school.

Cafeteria

The school cafeteria serves a nutritious lunch at a reasonable cost. The menu is published monthly and posted in each classroom. Children who prefer to carry a sack lunch may do so. Breakfast is available beginning at 7:15 each morning for any student wishing to purchase breakfast.

Prices for 2024/2025 School Year: Lunches - \$3.50, Chicken Basket - \$3.75, Breakfast - \$2.25

Springfield Local Schools are required to furnish free or reduced cost lunches to children whose family meets low-income requirements. Applications can be requested from the office at any time. All applications are confidential.

Clinic

If you become ill or injured coming to school or during school, you should report to the office immediately to see if first aid treatment might be necessary. Every accident in the school building, on the school grounds, at a practice session, or at athletic events must be reported to the person in charge and to the office.

In instances where a student must take medication during the school hours, the following procedures will be followed:

1. A form must be completed and signed by the student's parents authorizing school personnel to administer the medication as instructed by the attending physician. This includes the administration of non-prescription medication such as aspirin or cough drops.
2. A form must be completed and signed by the attending physician for all prescription drugs.
3. A form is initialed by the authorized person dispensing the medication.

Conferences

Close cooperation between the home and school is very important for the success of each of our students. Intermediate school teachers have a working period during the day for preparing lessons and meeting with students or parents. When you would like to arrange a conference with a teacher or all grade level teachers, you may call the school office at 330-542-3624 or send a note directly to the teacher.

The Springfield Local Schools have two days (Fall and Winter) set aside for parent-teacher conferences. Parents will be notified well in advance to take advantage of those opportunities. Parents and teachers appreciate hearing from

each other about students performing admirably, as well as those having problems.

Emergency Medical Authorization

It is extremely important for the school to have accurate information in our files concerning your child's medical history. It is necessary that we have your authorization for emergency treatment should your child become injured or ill while under school authority. Please notify the school office of any changes of phone numbers or address to aid us in case of emergency.

Guidance

Counseling service is available to all students. The general purpose of guidance in the Intermediate School is to assist each student's development: academically, socially, morally, and emotionally.

School problems and other concerns may be shared with the school guidance counselor or your teachers. Appointments may be made by requesting a pass from your teachers, the office personnel, or the guidance counselor.

Insurance

Student insurance is available at a nominal cost and is optional. Applications for this insurance are issued at the beginning of the school year. If you are under this plan and are injured, you are to pick up a claim form from the office. This form must be completed by your parents and presented to your doctor or the hospital. The school merely acts as a medium in supplying the insurance and assumes no liability either for the injury or the subsequent negotiations with the company.

Lockers

Each student will be assigned a locker; all personal items and books, when not in use, are to be kept there. The care of this locker is your responsibility. There should be absolutely no writing on the inside or outside of your locker. Periodic inspections will be made by teachers to see that they are kept neat and orderly.

You are responsible for any articles missing from your locker; however, an all-out effort will be made to eliminate theft and vandalism. Each locker will have a combination lock for the student's use and protection. **It is your responsibility to keep your locker locked when not in use.** If your combination lock is damaged, you will be fined the cost of the lock and have your locker privileges revoked. Do not tamper with another locker or give your combination to others. **YOUR LOCKER MAY BE SEARCHED BY SCHOOL PERSONNEL AT ANY TIME.**

Lost and Found

Intermediate school students frequently lose or misplace books and wearing apparel. Misplaced items that are marked with the student's name are usually returned to the owner. Items without names are difficult to return. Therefore, we encourage you to clearly mark your personal items.

If you find lost articles, you are asked to take them to the office where they may be claimed by the owner. If this is not done, it is regarded as theft.

Media Center

The Library/Media Center offers a wide variety of informational literacy and technology services for students and teachers. The collection includes reference, fiction and nonfiction books, and magazines. It is open during the entire school day. The Library computers have the complete Microsoft Office suite and an Internet connection on them. The web address of the SLIS online book catalog is: access.infohio.org/opac/SPRI/SPMS/ and can be accessed from any computer or device with an Internet connection. The free MAC app for the SLIS online catalog is BookMyne and can be downloaded to any Apple device from the Apple Store.

Pictures

Springfield Intermediate permits a school photographer to take individual pictures of students and staff. Many parents like to keep a pictorial record of their children as they grow. The photographer provides a picture of each student for the yearbook and the permanent record folder, as well as other services free to the school for the privilege of taking the pictures. Parents are under no obligation to buy these pictures.

P.T.O.

We have an active PTO involved with the Intermediate School. All parents and teachers are urged to join and become active members. The membership drive is held during the first part of the school year. Interesting and informative meetings are planned and presented by the program committee.

School Closing

In the event of severely inclement weather or a mechanical breakdown, school (or the starting time) may be delayed. The same conditions may also necessitate early dismissal. School closings will be announced between the hours of 6:00 A.M. and 7:30 A.M. on stations WKBN, WFMJ, WQXX, and WHOT. If no report is heard, it may be assumed that the school will be in session. Arrangements with your child should be made in advance for potential early dismissal: such as, how your child is to get into the house, if they are to call a parent to notify them when they arrive home, or what the house rules are (do's and don'ts).

IV – EXTRA CURRICULAR ACTIVITIES

Athletic

Intermediate students compete with other schools as member of the Inter-County League. Our school is a member of the Junior Division of the Ohio

High School Athletic Association and is governed by their rules and regulations. Students may try out for those teams but numbers accepted must be limited because of equipment requirements and of coaching limitations. 7th and 8th grade athletics include:

<u>Boys</u>	<u>Girls</u>
Football	Volleyball
Cross-country	Cross-country
Basketball	Basketball
Track	Track
	Cheerleading

5th and 6th grade Intramurals

Boys and girls who wish to learn the beginning skills of basketball may do so by participating in the intramural program. It takes place in either January or February.

Student Council

The Student Council is a service organization elected from the student body and dedicated to the welfare of the school and promoting school spirit. Students are nominated from each 7th and 8th grade homerooms. One representative and one alternate representative are elected from each 7th and 8th grade homerooms. The Student Council meets each month under the supervision of the Student Council advisor.

School Yearbook

Our school yearbook, "Tiger's Tail", is an interesting and informative publication. A large group of students cooperatively work to produce, promote, and sell our yearbook.

V – SCHOOL POLICY

Assemblies

Assemblies are regularly scheduled and are designed to be an entertaining, educational experience. They provide an opportunity to learn formal audience behavior. Regardless of the program, courtesy demands that the student body be respectful and appreciative. In live entertainment, unlike radio, television, and movies, the performers are conscious of their audience. These rules listed on the next page should be obeyed:

1. Talking, whispering, whistling, stamping of feet, and booing are unacceptable. Yelling is appropriate only at pep assembly.
2. Do not take books or coats to the assembly unless instructed to do so.
3. Proceed to the assembly area quietly and promptly. Find your seat as quickly as possible.
4. When the chairperson of the assembly asks for your attention, give it to him/her immediately.

5. Be courteous to the performers and to your neighbors. Do not use intervals of applause or the time between numbers to start conversations.
6. Applaud in keeping with the occasion. Applause should be generous and courteous. Never applaud during or after a devotional assembly.
7. Do not leave the assembly until dismissed.

Attendance Procedures

The Attendance office is responsible for maintaining accurate records of absence, tardiness, truancy, and early excusals. A student must attend school regularly to benefit from the educational experiences offered by Springfield Local Schools. A child between six and eighteen years of age is “of compulsory school age” for the purpose of sections 3321.01 to 3321.13 of the Revised Code. A child under six years of age who has been enrolled in kindergarten also shall be considered “of compulsory school age” for the purpose of sections 3321.01 to 3321.13 of the Revised Code unless at any time the child’s parent or guardian, at the parent’s or guardian’s discretion and in consultation with the child’s teacher and principal, formally withdraws the child from kindergarten.

Attendance Guidelines and Procedures Revised (2017-2018)

Springfield Local School District recognizes three (3) different kinds of absences:

I. Verified

In this case, the attendance office was notified the day of the absence and the student brought in a signed, dated note from a physician, a document indicating a court appearance, or evidence of one of the following reasons for absence from school as permissible by the Ohio Revised Code:

The Ohio Revised Code and Board Policy permit students to be absent from school for the following reasons:

1. Personal illness
2. Family illness (medical verification may be required if it is deemed appropriate).
3. Quarantine of the home (The absence of the child is limited to the length of the quarantine as determined by proper health officials).
4. Death of a close relative – three (3) days maximum unless reasonable cause shown otherwise.
5. Observance of Religious Holidays.
6. Family emergency – it must be an acceptable reason in the judgment of the grade principal. The fact that the parent knows where his/her child is if not in school, does not make the absence legal or verified.

7. Medical or dental appointments that cannot be arranged during non-school hours.
8. Authorized school-sponsored activities.
9. College Visitations (In accordance with the provisions of the student handbook).

II. Excused:

In this case, the student was absent because of personal illness, family illness, or other reasonable situations.

III. Unexcused:

An unexcused absence is defined as missing class or school without a legal reason. These days will also count toward the “Excessive Absence Policy.”

Habitual Truancy

House Bill (HB) 410 made several significant changes to district obligations for working with students who are truant. It also made changes to student discipline. Under the revised law, the term “chronic truant” has been removed. The term “habitual truant” still is used, and the definition has been updated, removing references to “days” and replacing them with “hours”.

Under the revised definition, a **habitual truant** is defined as “any child of compulsory school age who is absent without legitimate excuse from the public school the child is supposed to attend for 30 or more consecutive hours, 42 or more hours in one school month or 72 or more hours in a school year,” (Ohio Revised Code (RC) 2151.01 1(B)(18)). The law expands the jurisdiction to juvenile courts in dealing with parents of truant students and creates a new option allowing the court to order school districts to place a child in an alternative school if one has been established.

Excessive Absence Policy

1. Since the Springfield Local School District encourages progressive instruction with an emphasis on activities that are student-centered, hands-on, and cooperative, it is sometimes impossible to duplicate a lesson outside the normal classroom setting. Students who exceed a maximum number of absences without verification in a class or the school day may lose academic credit for those courses, be retained in the current grade, or possibly be recommended for an alternative educational placement at the discretion of the superintendent or superintendent’s designee.

DEFINITION OF TRUANCY AND EXCESSIVE ABSENCES

1. ‘Chronic truant’ is removed from the law;
2. Definition of ‘habitual truant’ changed from days to hours. The new definition is:
 1. Absent 30 or more consecutive hours without a legitimate excuse;

2. Absent 42 or more hours in one school month without a legitimate excuse; or
 3. Absent 72 or more hours in one school year without a legitimate excuse.
3. Includes 'excessive absences':
1. Absent 38 or more hours in one school month with or without a legitimate excuse; or
 2. Absent 65 or more hours in one school year with or without a legitimate excuse.

Busing

Students are not permitted to ride a different bus to and from school. The bus driver is in complete charge of the bus. Bus routes and bus schedules are established by Mrs. Huff, the transportation supervisor (330-542-3626). A few basic rules are posted on each bus and **STUDENTS ARE EXPECTED TO COMPLY.** The bus rules and discipline policy on the school bus are listed below:

BUS RULES

1. The driver is in complete charge and must be obeyed.
2. Remain seated while the bus is in motion.
3. Be on time at the designated loading zone (five minutes prior to scheduled stop).
4. Enter the bus single file and go immediately to a seat and be seated.
5. After entering and until leaving the bus, keep head, hands and arms inside the bus at all times.
6. Do not litter the bus or throw anything from the bus.
7. Keep books, packages, coats and all other objects out of the aisle.
8. Students are to be courteous to the driver, to other bus riders, to chaperones and to all other people.

18. Be alert to the danger signal from the driver.
19. The driver is not to discharge students at places other than their regular stop at home or at school unless the driver has proper authorization from school officials.

20. The Student Code of Conduct applies to students on the school bus, including waiting for, entering, and exiting the bus.

21. Penalties for infractions:

4th incident: Student suspended from transportation privileges for three (3) days

5th incident: Student suspended from transportation privileges for five (5) days

6th incident: Student suspended from transportation privileges for ten (10) days.

Cafeteria Rules and Regulations

1. Never run up or down stairs.
2. Do not purchase any food items if time does not permit you to eat them in the cafeteria. Students are not permitted to take any food or candy from the cafeteria into the intermediate school or playground areas.
3. Anyone cutting or permitting cutting in the line will be placed at the end of the line.
4. Lunchroom workers and custodians will be shown **respect at all times**.
5. You are responsible for cleaning up your eating area, which includes table and floor.
6. After eating you are to leave the cafeteria and go to your assigned area (Gymnasium, playground, or blacktop area behind school).
7. Anyone caught stealing food or money from the cafeteria or other students will be punished.
8. All students will use the restrooms in the high school (1st floor only). Restrooms are not to be used for loitering or any other type of misconduct.

Care of School Property

Students should not mark school furniture, walls, ceilings, floors, or equipment with pen, pencil, paint, shoes, or any other instrument. Do not tamper with fire alarms, fire extinguishers or any electrical system. Anyone who willfully destroys school property through vandalism, arson, or who creates a hazard to safety of our students will be referred to the proper law enforcement agency.

Cell Phone and MP3/I Pod Use Policy

Cell phones are to be used only after school to contact parents. During the school day they must be locked in student's locker and turned off. Music devices are not to be used during the school day.

SPRINGFIELD LOCAL INTERMEDIATE SCHOOL DISCIPLINE POLICIES & PROPOSED SEQUENCE OF DISCIPLINARY ACTION

SCHOOL SAFETY (See policy manual 8400 & School Website)

The Board of Education is committed to maintaining a safe and drug-free environment in all of the District's schools. The Board believes that school crime and violence are multifaceted problems that need to be addressed in a manner that utilizes all available resources in the community through a coordinated effort of School District personnel, law enforcement agencies, and families. The Board further believes that school administrators and local law enforcement officials must work together to provide for the safety and welfare of students while they are at school or a school-related event or are on their way to and from school. The Board also believes that the first step in addressing school crime and violence is to assess the extent and nature of the problem(s) or threat, and then plan and implement strategies that promote school safety and minimize the likelihood of school crime and violence.

A well-defined and enforced student code of conduct is essential for students to have a good learning environment and to enjoy their rights to a quality education. Our code will serve as a guide for behavior, encourage the development of self-discipline, and foster cooperative citizenship in our students. All of these elements are essential in establishing a positive learning environment and ensure the instructional program is not unduly disrupted. Here are the steps in stages that teachers will take to correct misconduct at Springfield Local Intermediate School.

Step 1 – Classroom Expectations & Conduct – The general code of student conduct is intended to address student behavior generally unacceptable in all cases with a uniform discipline policy. Teachers are responsible for establishing classroom rules, course policies, and general classroom management, examples being, (i.e. – homework, make – up work, etiquette, inappropriate language, talking, chewing gum, forgetting books, pencils, etc...) Disciplinary action teachers may take include the following: verbal reprimands, special assignments that are constructive, classroom detentions, oral or written notification to parent(s), a conference with the student &/or parent or both, loss of class privileges, and referral to the administration.

Minor Infractions

Dress Code

While in school, you should be properly dressed for the school academic day. Certain types of clothing, while perfectly appropriate for casual dress, have no place in the serious business of the classroom. Your attention to rules of moderation, good taste, and personal cleanliness will ensure that your appearance is acceptable anywhere. Due to the fact that styles and trends tend to change quickly, it is difficult to be all-inclusive in the code; therefore, it is somewhat general in nature. Items not included will have to be taken on an individual basis and will be referred to the office. [Any item that creates a disruption of the learning process will be deemed inappropriate.]

Items, which are **NOT** acceptable, include bare midriffs, low necklines, and see-thru tops. If the top **CANNOT** be tucked into slacks or if it does not extend below the belt line, the top **CANNOT** be worn to school. Tee shirts with drug, beer, liquor, or with tobacco advertisements are not permitted. Clothes printed with obscene (sexual) or gang connotations are not permitted.

Tank tops are **NOT** permitted; however, sleeveless tops will be permitted if the top was made in that fashion and the sleeves were not obviously cut off. [Width of the shoulder straps on sleeveless tops must be at least two inches] Female students should take care to wear appropriate clothing under loose fitting sweaters so that modesty can be maintained.

Skirts, which are deemed to be too short in length to maintain a modest appearance, are considered inappropriate for school. The hem of the skirt or should be at least three inches above the knee. Capri pants are acceptable. Shorts may not be shorter than mid-thigh above the knee. Shorts must be of appropriate length independent of layering. The summer dress code will be in effect until [October 15 and after April 15. If the weather conditions are extremely warm in either October or April, the principal can notify the students as to extensions of the summer dress code.] Announcements will be made notifying students of this change in the dress code. **The principal retains the right to discontinue this privilege if students are not complying with requirements.**

[Pants or shorts must be worn at the waist]. Shoes and sandals without socks are permitted, but [bare feet are not permitted]. Sandals must have a strap across the back of the foot. Clogs, "soap" shoes, or flip-flops are not permitted along with shoes with cleats.

Accessories such as gloves, hats, sunglasses, nose rings, [wallet chains, neck chains or ropes, spiked collar or bracelets], etc. which are not usually thought of a normal indoor dress and are worn as a fad or draw attention to one's self will not be permitted. Outside jackets and coats should not be worn to class unless that are part of an outfit or unless it is in the winter months and it is cold in the classrooms. Wearing of clothing inside out is not permitted unless it is announced as a special day permitting such wearing of clothes.
