# QUEST CHOICE PROGRAM:

## ADDITIONAL PURCHASES

If a student wants to purchase any item outside of the Quest Choice program, they are permitted to do so through the school's dining account or with cash payment at check-out. When funds are added to the dining account, students will be able to access those funds by showing their student ID at check-out, and the cost of the additional item(s) will be automatically deducted from their account.

## QUEST CHOICE SYMBOL

The Quest Choice symbol is used throughout serving areas so that students can easily identify the items included in the program, allowing them easy and discreet access to their meals. The Quest Choice symbol is featured next to qualifying items on menu signage at each station, and oftentimes next to the item itself on the serving line or pick-up location.
