# 2025 BOND

Spring Branch ISD

**A proposed bond program:** The Spring Branch ISD Board of Trustees voted on Feb. 5, 2025, to call a **\$631.5 million bond election** to appear on the **May 3, 2025 ballot**. The Board's intent in calling this bond election is to provide upgrades to aging athletics facilities that will be used by current and future generations of SBISD students and our community at-large.

The Board is asking voters to consider four separate propositions on the ballot. Voters will cast their vote for each proposition separately.

## PROP A High Schools

Proposition A, if approved, would provide funds to significantly upgrade aging athletics facilities at Memorial, Northbrook, Spring Woods and Stratford high schools. These facilities are utilized for whole-school events in addition to serving as competition and/or practice venues for athletics, performing arts, and cheer.

## PROP B

### Tully Stadium & Don Coleman Coliseum

Proposition B, if approved, would provide for major renovations and additions to the 59-year-old Darrell Tully Stadium and the 51-year-old Don Coleman Coliseum.

## PROP C

### W.W. Emmons Natatorium

Proposition C, if approved, would provide for the relocation and rebuilding of the 50-year-old W.W. Emmons Natatorium. The proposed location of the new facility is on the grounds of the district's athletics complex at 1050 Dairy Ashford, 77079.

## PROP D

### Reggie Grob Stadium

Proposition D, if approved, would provide for major renovations and rebuilding of the 73-year-old Reggie Grob Stadium, the district's oldest athletics facility, built in 1952.

PROPOSITION	IMPACT	COST
 Proposition A	High Schools	<b>\$353,775,207</b>
 Proposition B	Tully Stadium & Don Coleman Coliseum	<b>\$127,935,050</b>
 Proposition C	W.W. Emmons Natatorium	<b>\$76,934,535</b>
 Proposition D	Reggie Grob Stadium	<b>\$72,851,468</b>

## Will the bond impact my taxes?

**TOTAL=\$631.5M**

Assuming all propositions pass, the maximum anticipated tax rate increase would be **.0475 cents per \$100 of valuation**, based on a conservative estimate of taxable property value growth. For a \$500,000 home, the estimated annual **additional tax burden would be \$142.50**. A property owner's tax burden (total tax paid) may change based on the appraised value of their property. **By law, the amount of school taxes paid (Tax Burden) is frozen for citizens who have 65+ and disabled homestead exemption.** Approval of this bond would not increase the amount paid above the frozen amount for these citizens.

\*Based on state law as of Jan. 1, 2025.
