

Attendees: Tanya Swepson-Sparkess, Jaime Moody, Laura Morse, Sharon Garrido, Neyder Fernandez, Kevin Freeman, Wadscar Gomez

Overview of School Site Council Mission and Values

Mission Statement and Values:

- The School Site Council is a collaborative group that includes parents, teachers, staff, and community members. Its primary role is to develop and approve the [Quality Improvement Plan](#) and budget, ensuring that resources align with student needs.

Programming Updates:

- **High School Fair:** Over 8 different highschools participated for our 6-8th graders
- **District Science Fair:** Butler students won 1st, 2nd, and 3rd place!
- **UN Global Schools:** One of 6 schools in all of New England to be part of this program
- **O'Donnell Park Renovations:** Public engagement strategies for ARPA funding

Upcoming Projects:

- **Budget Process:** Initial phases of budget process
- **Teacher Appreciation:** Finalizing gifts/events for teachers, including the remodeling of the teachers lounges
- **Playbook Initiative:** Last workshop at end of February and Day of Action will be in March

Action Items:

- Finalize Student and Partner Members
- Begin Budget Process
