- Martin Luther King, Jr.

FCUSD is celebrating Black History Month this January. The Student Advisory Board is honoring the Black leaders who came before us through an unwavering commitment to fostering equity and inclusion through student-led advocacy in Folsom-Cordova.

What's been happening at SAB?

Teacher Wages

We would like to thank our FCUSD Student Board Members who have represented the SAB voices on increasing teacher wages at the Board Meeting following the recent developments in the teacher's union. Our wonderful teachers go above and beyond in educating FCUSD youth, and their wages should reflect that.

Recordings of the Board Meetings can be accessed on YouTube, and we highly encourage individuals who are interested in seeing our perspectives on teacher wages to watch the meeting.

20-Day Attendance Challenge from January 2nd to 31st

The Student Advisory Board has been working towards promoting attendance among the FCUSD student body. The SAB cohort engaged in a fruitful discussion with Mr. Meyer after his presentation on attendance to discuss potential solutions to increase student attendance. This month, the Student Advisory Board released a video among FCUSD schools to encourage attendance by discussing factors like college, literacy rates, and employment that are tied to school attendance.

District-wide International Night

FCUSD's second district-wide International Night is planned to take place in Cordova High School's parking lot and Performing Arts Center on Tuesday, April 30, from 6 to 8 PM. It will be a great night rich in cultural diversity, food trucks, cultural performances, district-wide clubs, affinity groups, and much more.

We will release invites, flyers, and volunteer opportunities soon. Stay tuned to learn more!
