Southeastern
TECHNICAL COLLEGE

CAREER ACADEMY

The Emanuel County College & Career Academy (CCA) is a partnership between Emanuel County Schools and Southeastern Technical College (STC) designed to provide high school students with real-world career training, industry certifications, and dual enrollment opportunities to prepare them for college, careers, and the workforce.

Why Choose the College & Career Academy?

- ✓ Hands-on learning in high-demand career fields
 - ✓ Earn college credit and industry certifications while in high school
 - ✓ Gain real-world experience through internships and work-based learning
 - ✓ Small class sizes and state-of-the-art lab facilities
 - ✓ Partnerships with local businesses and industries for career-ready skills
- 

OPENING FALL 2025 AT
SOUTHEASTERN TECHNICAL COLLEGE
- SWAINSBORO CAMPUS

The **Accelerated Career Diploma** is designed for students who want to enter the workforce immediately after high school with the skills and credentials needed for success. This program focuses on hands-on learning, industry certifications, and real-world experience to prepare students for high-demand careers.

Why Choose the Accelerated Career Diploma?

- ✓ **Career-Ready Focus** – Gain practical skills tailored to your chosen field.
- ✓ **Industry Certifications** – Earn recognized credentials to boost your employability.
- ✓ **Work-Based Learning** – Participate in internships, apprenticeships, or job-shadowing opportunities.
- ✓ **Technical Training** – Take specialized courses aligned with in-demand career pathways.

Who Should Consider This?

- Students planning to enter the workforce right after high school.
- Those interested in skilled trades, technical careers, or industry-specific jobs.
- Students who want to build a strong foundation for future career growth.

Who Can Attend?

- High school students from Swainsboro High School and Emanuel County Institute
- Priority given to students in CTAE (Career, Technical, and Agricultural Education) pathways
- Must meet eligibility requirements for dual enrollment (for college-credit courses)

Pathways & Programs Offered

Students will have access to career-focused pathways that align with local workforce needs:

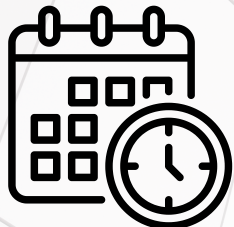

- Engineering & Technology
- Agriculture Mechanics
- Forestry
- Workforce Ready Career Pathway
- Healthcare & Medical Sciences (Dual Enrollment)

Students have the opportunity to work toward any Technical College Certificate, Diploma, or Degree offered by Southeastern Technical College via Dual Enrollment.

How to Get Involved?

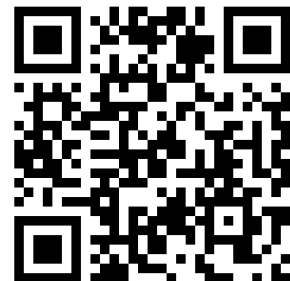

- For Students & Parents: Talk to your school counselor about enrollment opportunities.
- For Business & Industry Partners: Help shape the workforce by offering internships, apprenticeships, and advisory support.
- For Community Stakeholders: Join us in building a stronger future for Emanuel County's workforce!

How Will Scheduling Work?

- Students will be bused from Swainsboro High School (SHS) and Emanuel County Institute (ECI)
- Morning & afternoon sessions available (two classes per session)
- Lunch logistics will be coordinated for students attending CCA
