

Team Eligibility

In an effort to keep parents informed we would like everyone to know that at the end of the school year each cheerleader will be reviewed for their eligibility to participate in the cheerleading program for the 2025-2026 school year.

In order to participate in athletics, the academic standard for the student/athlete is a GPA of 2.0 or above. Any student/athlete who earns a GPA that falls below a 2.0 at the quarter/semester will be declared ineligible. Students must have a "C" average (minimum 2.00 GPA) to be able to cheer. Additionally, if applicable, the Rule of 85 requires that students be in class and on time 85% of the time, calculated by school periods, in order to participate in many of the extra activities at VHS including athletics, cheer, drill team, dances, field trips etc. Students that do not meet the eligibility list will not be able to go to camp or cheer for at least the first 5 weeks of school or until a new grade report is available.

Parents of cheerleaders are currently purchasing cheer uniforms, camp and other items to be used for summer and the new school year. Uniforms and gear are custom made, personally owned and cannot be returned for a refund. We feel this is an important message to parents to know that items will be ordered on May 8th, 2025, after that you have made a commitment to see that payment is complete for the remainder of the costs.

I _____, understand that my student needs to meet grade eligibility to continue with the cheer program.

Name of Student: _____

Parent Signature: _____

Date: _____
