Key Camp Features

KART RACING SKILLS DEVELOPMENT

Five days of on-track kart racing skills development sessions.

Classroom based skill development in racing technique, video performance analysis, understanding kart racing strategies, and introduction to kart engineering and maintenance.

State of the art facilities and karts from beginner to professional karts depending on skill level.

AN AUTHENTIC, CANADIAN OUTDOOR EXPERIENCE

Experience the wonders of the Canada at your door.

Our location offers activities such as hiking, kayaking, rock climbing, mountain biking, the best inland beaches, and river floats.

21st century skill development through group activities.

STATE OF THE ART KARTING FACILITIES

We partner with KARTPLEX, the State of the Art Kart Racing Centre located at the AREA 27 Motorsports Complex in Oliver, BC, Canada.

Designed by Legendary Canadian Racer, Jacques Villeneuve, this state-of-the-art 1.21 km circuit is designed to be rhythmic, fun, fast, and technical.

MODERN, WELCOMING, SAFE RESIDENCE

Stay in a modern boarding room with private bathrooms and chef-prepared farm to table meals.

Our campus is situated on 17 acres of fenced property and is secured with modern security systems and a state-of-the-art air cleaning and monitoring technology.

Motorsports Academy and Rookie Racer Program

UNISUS has partnered with KARTPLEX to offer a holistic, one of a kind, year-round development program for motorsport enthusiasts, the **UNISUS Motorsports Academy**. Whether pursuing a dream to be a professional driver, or a valued member of the diverse field associated with motorsports, this program prepares Scholar-Athletes to develop the resilience, confidence, mental focus, self leadership and the drive to succeed.

The UNISUS **Rookie Racer Summer Camps** are designed for those new to the sport as an introduction to kart racing, and also for those who are already racing and want to take their karting skills to the next level.

The program offers interested students the ability to learn more about racing and the opportunity to develop fundamental skills needed to enter the UNISUS Motorsports Academy, or, to accelerate their racing skills to succeed in their home clubs.

All students will have the chance to participate in a club tournament at the end of each week of programming.
