Student	12th	Beaverton				Neither								
Student	12th	Beaverton				Savvas myPerspectives	Savvas is a best way to support other students that speak other language and or if they are having a hard time reading or concentrating.							
Student	12th	Beaverton				McGraw Hill StudySync	I really don't like Savvas, I thought it looked too bland and if I saw that every class I'd be very disappointed.							
Student	12th	Beaverton				Savvas myPerspectives								
Student	12th	Beaverton				Savvas myPerspectives								
Student	12th	Beaverton				McGraw Hill StudySync	i really like how it involves voice overs							
Student	12th	Beaverton				Neither	The apps are to much wordings its better if they are more stright forward like newsela

Student	12th	Beaverton				Savvas myPerspectives	The websites seemed pretty confusing with a lot of information I feel like students are going to look at it and not want to do the work the teacher for sure needs to walk them through the curriculum							
Student	10th	Southridge				Neither	Both are dookie lowkey	No						
Student	10th	Southridge				Savvas myPerspectives		Yes					Neither	
Student	10th	Southridge				McGraw Hill StudySync	Savvas to me looks a lot like canvas with the assignments page and everything. I don't see the need for it.	No						
Student	10th	Southridge				Neither	I think that the things that are shown in these websites are what we are already doing in class with books and paper, and it seems unnecessary to have everybody switch to doing more things online.	No						
Student	10th	Southridge				Neither	I prefer to use paper, especially because language arts is one of the last classes that we use notebooks in.	Yes					Neither	Paper
Student	10th	Southridge				Savvas myPerspectives	I really liked how you could highlight, underline, circle and also have the program read to you.	No						
Student	10th	Southridge				Neither	I like my teachers creativity to create her own assignments better.	Yes					Neither	I don't know what these even are.
Student	10th	Southridge				McGraw Hill StudySync	I'd say it's helpful but in my opinion, I prefer on hands things to learn.	Yes					Neither	
Student	10th	Southridge				Neither	I dislike reading online, its just too distracting and it disrupts from my learning. I prefer working on paper where I can actually write down stuff and read from an actual book.	Yes					Neither	
Student	10th	Southridge				Savvas myPerspectives		Yes					Vista	
Student	10th	Southridge				Neither	i like paper reading	Yes					Vista	nuh uh
Student	10th	Southridge				Savvas myPerspectives	I like the tools savvas gave like text to speech and the highlighting	No						
Student	10th	Southridge				Savvas myPerspectives		No						
Student	10th	Southridge				Neither	They included to much technology and online, I like the fact of writing and papers mixed with some online not just one sided	Yes					Neither	
Student	10th	Southridge				Savvas myPerspectives	N/A	Yes						N/A

Student	8th	Five Oaks	Neither											
Student	8th	Five Oaks	McGraw Hill StudySync	i don't have any	No									
Student	8th	Five Oaks	McGraw Hill StudySync		No									
Student	8th	Five Oaks	Neither	I like the way Language Arts is now and i feel ready for highschool.										
Student	8th	Five Oaks	Neither		No									
Student	8th	Five Oaks	Savvas myPerspectives	McGraw Hill should be up to date more because everything on it is so old	Yes								Neither	Im not sure
Student	8th	Five Oaks	Neither	I feel like the curriculum that we have now has really prepared me for high school and I think we should stick to it	No									
Student	8th	Five Oaks	Neither	Both of them are good neither are any more special	No									
Student	8th	Westview				McGraw Hill StudySync	None	No						
Student	8th	Five Oaks	McGraw Hill StudySync		No									
Student	8th	Five Oaks	McGraw Hill StudySync	McGraw hill is better because there is more things you can do on it, and i am more comfortable with it because ive used it more.	No									
Student	8th	Five Oaks	McGraw Hill StudySync	i like this one because it has the math	No									
Student	8th	Five Oaks	Neither	i really think that the course is fine as is but i do think lexia is not helping the students and is actually making them resent the ELA class all together	No									
Student	8th	Five Oaks	Neither	I picked neither because i don't have a preference	No									
Student	8th	Five Oaks	Neither	I strongly believe we students should learn face to face, I simply cannot focus. I believe that learning with a teacher guiding us when we don't know what to do is much more affective. I am speaking for myself but i am extremely confident for kids my age and older agree with me.	Yes								Cengage	
Student	8th	Five Oaks	McGraw Hill StudySync	i like mcgraw hill	Yes								Vista	vista sounds good

Student	11th	Sunset				McGraw Hill StudySync	All of this being online is nice and all but this might put students who do better with paper rather than online at a somewhat of a Disadvantage if this is a mostly online curriculum and if it would be a daily thing then it would start to get repetitive and boring as both cities seem to have the save things you would do on a daily basis which as a student I would not like as much.	No						
Student	11th	Sunset				Savvas myPerspectives	its good	No						
Student	11th	Sunset				Neither	Too complicated and underwhelming. Not a bad website but increasing computer time on readings and videos can get easily boring and frustrating in my personal opinion.	No
