WHAT WE'RE LEARNING

MATH

This month, we are learning about adding two digit numbers and ordering and comparing objects.

SCIENCE

In science, we are still learning about plant and animal defenses! The kids have been enjoying this unit so far!

KNOWLEDGE

This month, we will begin a new unit: *A New Nation*, where we will learn about how the United States came to be.

SKILLS

This month, we will continue practicing segmenting and reading words, nouns, verbs, and so much more!
