

**Are You a Caregiver in East Central ISD and Interested in Learning Strategies to Support Your Child at Home and School?**

Families of children with autism ages 2-22 in East Central ISD may be eligible to participate in a research study.

**Autism Mobile Assessment Bus and Learning Environment (AMABLE) : A Plan for Implementing School-Based Autism Services**

You will be asked to:

1. Attend a one-hour training session at a campus in the district.
2. Complete a 3-5 minute post-survey of the training.

Participants will receive Free Family Training on:

- Instruction in research-based practices rooted in Applied Behavior Analysis
- Instruction on academics on behavior
- Increasing levels of independence

**Are you eligible?**

- Has a child with autism, ages 2-22
- Enrolled in East Central ISD

**Session Information**
