Units earned through conferences, classes, workshops, and courses paid for with District funds and/or attended during contract time will not be eligible for salary advancement. University extension units based on accumulated hours of workshop/conference attendance will not be eligible for salary advancement unless an employee receives prior approval and elects to pay additional fees for unit credit.

It is the responsibility of the employee to submit official sealed or digital transcripts of courses completed for salary column advancement to the Human Resources Department by September 10 of the current fiscal year to qualify for advancement and placement on the salary schedule. The District may waive the above deadline for unusual or extenuating circumstances.

If official verification of completed courses is not submitted to the Human Resources Department by September 10, it shall be the responsibility of the employee to resubmit units the following fiscal year.

ARTICLE 6

LEAVES OF ABSENCE

6.1 Leaves for Illness or Injury

Each employee will be allowed ten (10) days of absence due to accident, illness or quarantine each year, at full pay, and any days not used will be accumulated by the employee for use, if necessary, during succeeding years as accumulated sick leave. The employee must verify any absence by filing a record of absence. A request for a substitute teacher shall be submitted online prior to the absence, whenever practicable, and the District's absence form shall be submitted in advance or upon the employee's return to the work site.

After all earned sick leave days, at full pay, has been used and additional absence due to illness, accident, or quarantine is necessary, the employee shall receive differential pay for up to a total of five (5) school months.

Any employee who has unused leave of absence for illness or accident accumulated in another California school district at the time of employment by the District, shall be credited in this District with the accumulated days in accordance with law. It is the employee's responsibility to notify the District Human Resources department in writing so that necessary documents may be completed to accomplish the transfer of benefits.

Employees shall receive a copy of their accumulated sick leave at the beginning of the school year and at the end of each month.

6.2 Pregnancy/Birth Disability Leave

Each employee who is required to be absent from duties because of temporary disability caused or contributed to by pregnancy, miscarriage, childbirth, and recovery therefrom, shall be entitled to a leave of absence with pay in the same manner as leaves for illness, injury, or other disability. It is not the responsibility of the employee to secure a substitute for the period of leave.

The determination of temporary disability, the length of the leave of absence, and the beginning and ending dates of the leave shall be made by the employee and the employee's physician.

Accumulated sick leave may be applied to such leave. After all accumulated sick leave is exhausted, the employee is eligible to receive differential pay for a period of up to five (5) months or for the duration of the temporary disability, whichever is less.

An employee may request additional time after temporary disability has ended and may use differential pay as provided by law.

An employee desiring a leave of absence for a period of time longer than the actual temporary disability, as determined by the employee and her physician, may request a leave of absence without pay.

6.3 New Parent Leave

An employee shall be granted three (3) days of paid leave immediately before, during, or after the birth of a child. This leave may also be taken in connection with the adoption of a child. The three (3) days of leave is non-accumulative, and it shall not exceed three (3) days in any school year. Prior notification is required.

6.4 Parental Leave

An employee may choose to take up to twelve (12) workweeks of parental leave to bond with his/her child. Such leave is available for the reason of the birth of a child of the employee or the placement of a child with an employee in connection with the adoption or foster care of a child by the employee.

Available and accumulated sick leave will be applied towards these twelve (12) work weeks of parental leave until all fully paid sick leave is exhausted. Thereafter, the employee may elect to receive differential pay for the balance of the bonding period or take the remaining days unpaid. Parental Leave shall run concurrently with the leave provided under the California Family Rights Act (CFRA) and Family Medical Leave Act (FMLA). Such leave need not be taken in one continuous period of time. The basic minimum duration of the leave shall be two weeks. However, the District shall grant a request for a leave of less than two weeks' duration on any two occasions and may grant requests for additional occasions of leave lasting less than two weeks. Such leave shall be concluded within one year of the birth or placement of the child with the employee in connection with the adoption or foster care of the child by the employee.

The employee shall notify the Human Resources department of the intent to take parental leave associated with the birth of a child as soon as practicable but, barring a medical emergency, no less than twenty (20) workdays prior to the date on which the leave is to begin. Such leave notice shall be in writing and shall include a statement as to the dates the employee wishes to begin and end the leave and whether the employee intends to use available sick leave and differential pay or whether the employee intends to take unpaid leave.

6.5 Adoption Leave

An employee shall be granted three (3) days of paid leave immediately before, during, or after the birth of an adopted child and/or the date when the employee has received physical custody of an adopted child. The three (3) days of leave is non-accumulative, and it shall not exceed three (3) days in any school year. Prior notification is required.

When an employee intends to take Parental Leave associated with adoption of a child, the employee shall provide written notice to the Human Resources department of the employee's intent to pursue an adoption no less than sixty (60) calendar days prior to the beginning of the leave.

The employee shall provide reasonable updates as requested by the District regarding the anticipated arrival of the child. When the employee is informed of the date that the employee will receive physical custody of the child, the employee shall immediately notify the District of the start date of the leave.

6.6 Personal Necessity Leave

Personal necessity is defined as an activity that is unavoidable, inevitable, or indispensable, and that cannot be taken care of at any time other than during the regularly scheduled teaching day.

Employees shall not be required to secure advanced permission for leave “a-d” below; however, advanced notification is required. A request for a substitute teacher shall be made prior to the absence, and a record of absence form shall be filed prior to the absence whenever possible.

Personal necessity leave shall not be used for recreational purposes, seeking employment outside the District, or concerted activities against the District.

An employee may use not more than seven (7) days of accrued sick leave for absences due to:

- a. Death or serious illness of a member of employee’s immediate family. Serious illness is defined as an illness or injury that necessitates the assistance of a caregiver as determined by a licensed medical professional who has the authority to prescribe medication;
- b. Accident, involving the employee’s person or property, or the person or property of the employee’s immediate family;
- c. Appearance in court as a litigant or as a witness under an official order. A litigant is a person engaged in a lawsuit. An official order is a court summons, subpoena, or citation;
- d. Illness or medical appointment for preventative care and/or diagnosis for a child, spouse, or parent of the employee.
- e. Other cases of personal necessity that are considered personal and compelling (e.g. major life activities; such as: weddings, graduations, or moving a child to college) may be approved in advance by the site Principal or supervisor. If the request is denied, the employee may appeal to the Assistant Superintendent of Human Resources or designee. Should the appeal be denied by the Assistant Superintendent of Human Resources or designee, the denial can be grieved.

In the cases of hardship or when extenuating circumstances exist, by mutual agreement of the Turlock Teachers Association President and the Superintendent or his/her designee, additional days of personal necessity may be drawn from the employee’s accumulated sick leave balance. Requests shall be submitted in writing to the Human Resources Department for review and approval. This type of personal necessity leave shall not exceed twenty (20) days per request. The District shall have the option to request verification. Should the request be denied by the Superintendent or designee, the denial shall not be subject to the Grievance Procedure in Article 11.

From the maximum of seven (7) days of personal necessity leave each year, employees may take four (4) days of Discretionary Leave (Advanced Notification) with prior approval from the site principal or supervisor. Employees shall make a good faith effort to not use Discretionary Leave at the start of the contractual school year, the first week of school with students, and on days when District Professional Development is scheduled. The remaining

three (3) days are to be used consistent with normal contractual reasons for personal necessity leave. The site Principal or supervisor may only deny such request if this leave will result in more than 4% of the employees of the District being granted this Discretionary Leave on the requested date(s); if a qualified substitute teacher is not available; or if school-wide testing and or in-service training is being conducted on the requested day(s) and the site Principal determines that such leave will have an adverse impact on the testing or required in-service training. This leave shall not be available during periods of work stoppages, sickouts, or other concerted activities.

Advanced notification is defined as no later than the close of business two (2) days prior to taking said leave (i.e., no later than close of business day on Tuesday when requesting leave for Friday). In the event of unusual circumstances, the Superintendent or designee may waive the restrictions for two (2) full workdays of advance notification.

6.7 Differential Pay Leave

For good reason, employees may be granted “differential pay” leaves by the District with the approval of the Superintendent (or designee) and the Association President (or designee). Employees on differential pay leave will be compensated at the differential pay rate. Denial of this leave shall not be subject to the Grievance Procedure.

6.8 Association Leave

6.8.1 The District shall grant no more than ten (10) days of Association leave to members for the purpose of professional development. The Association shall reimburse the District for the cost of the substitute for these ten (10) days. Any requests for leave after the ten (10) days, the Association agrees to pay the employee’s daily rate of pay, including benefits. These ten (10) days shall not be used for any kind of concerted activities against the District.

6.8.2 The President or an elected officer shall be granted Association Leave not related to the ten (10) professional development days and shall have the option of utilizing such leave in half-day increments with non-contiguous hours if a suitable substitute is available and is willing to accept such a half-day assignment with non-contiguous hours. For example, instead of the President’s or elected officer’s absence being from 8:00 a.m. until 11:00 a.m. it might be from 10:00 a.m. until 11:00 a.m. and then again from noon until 2:00 p.m. It shall be the responsibility of the President or elected officer to clarify this information to the Principal, school secretary and substitute when such an arrangement is made. The Association shall reimburse the District for the cost of the president or elected officer’s daily rate of pay, including benefits. The Association and District shall establish the amount of Association leave for the President as defined through an annual MOU.

Leave may be granted to any employee designated by the president serving as a representative for bargaining unit members. The association will provide the District with a list of elected or appointed officers (local and state) annually by the first day of school. Changes to this list shall be submitted to the Human Resources department before requests are made for association leave. These changes shall not prevent association leave requests.

6.9 Leave for Study and Travel or Study Only

A leave of absence for study and travel or study only, which will benefit the school and the pupils of the District, may be granted by the Governing Board to employees who have been employed in the Turlock Unified School District for at least seven (7) consecutive years.

This leave of absence may be granted for periods of up to one (1) full year. Salaries and all other benefits, including health and welfare benefits, shall be 50% of normal salaries and benefits for that portion of the school year which is utilized for such an approved leave. (Example: A YRE employee with 178 workdays who is on such leave for 60 workdays would have his/her annual salary and health and welfare benefits reduced by 17% (60/178 X 50%) of the normal amounts.) These reductions in salaries and benefits shall be made during payroll periods which occur during the approved leave unless the District and the employee have mutually agreed to an alternate arrangement.

6.10 Leave of Absence Without Pay

Leave of absence without compensation, for a sufficient reason, may be granted to employees for a full school year or less on recommendation of the Superintendent, with Board approval.

Letters of application for leave of absence without pay must be submitted to the District Office by March 1 or October 1, preceding the year or semester of leave. Applications for leave for any health reason(s) shall be accompanied by a physician's recommendation and are not subject to the March 1 or October 1 filing date.

Employees on leave may elect to continue individual subscription to the medical, dental, vision, and prescription programs by making the payments for the premiums to the District in accordance with the accounting division's procedures for receiving such payments.

Notification of intent to return to the District shall be on file in the Superintendent's office not later than March 1, prior to the beginning of the next school year. Employees on leave for reason of health shall file a statement from a physician certifying that the employee's health will permit a return to service in the District.

A leave of absence without pay lasting more than forty-five (45) school days shall not count as a year of service in the District.

6.11 Military Leave

An employee shall be granted military leave as required by the California Education Code and the California Military and Veterans Code.

- a. An employee who is hired on or after January 1, 2017 who is a former active duty member of the Armed Forces of the United States or a former or current member of the California National Guard or a federal reserve component, with a service-connected disability rated at 30 percent or more by the United States Department of Veterans Affairs, shall be entitled to leave of absence for illness or injury with pay of up to ten (10) days for the purpose of undergoing medical treatment, including mental health treatment, for his or her service-connected disability.
- b. Credit for this ten-day paid leave of absence shall be credited to a qualifying employee on the effective date of the employee's disability rating decision from the United States Department of Veterans Affairs, or on the first day the qualifying employee begins, or returns to, employment after active duty, whichever is later, and shall remain available for use for the following twelve (12) months of employment.

- c. Leave of absence for illness or injury credited pursuant to this subdivision that is not used during the 12-month period shall not be carried over and shall be forfeited.
- d. Upon request, the employee shall submit satisfactory proof that a leave of absence for illness or injury granted under this Article is used for treatment of a service-connected disability.
- e. An employee employed less than five (5) days per week, shall be entitled to that proportion of ten (10) days' leave of absence for illness or injury as the number of days the individual is employed per week bears to 5.

6.12 Bereavement Leave

An employee is entitled to a leave of absence, not to exceed four (4) days, or six (6) days if out of state travel or travel beyond 300 miles (one-way) from Turlock is required, on account of the death of any member of their immediate family as defined below. This is time to mourn, make arrangements, attend services, and for other formal and/or related bereavement events. Verification may be requested for bereavement leave. Bereavement leave shall be taken in full days and shall be taken within (18) months for the 2023-2024 school year and twelve (12) months for the succeeding school years of the family members passing. Days need not be consecutive. No deduction shall be made from the salary of such employee, nor shall such leave be deducted from leave granted by other sections of the Education Code or provided by the Board of Trustees.

Employees may be provided with two (2) days maximum of bereavement leave for a former spouse/domestic partner with whom the employee shares biological or legally adopted children. Prior approval shall be required by a Human Resources administrator. Verification for this leave may be requested (e.g., obituary etc.).

Members of the immediate family are:

- a. The spouse or domestic partner of employee
- b. The mother, father, step-mother, step-father, grandmother, grandfather, or a grandchild of the employee or the spouse/domestic partner of the employee, son, step-son, son-in-law, daughter, step-daughter, daughter-in-law, brother, step-brother, half-brother, brother-in-law, sister, step-sister, half-sister, sister-in-law of the employee, spouse or domestic partner
- c. Any person living in the immediate household of the employee
- d. Any foster child or foster parent of the employee if such relationship was established through legal foster placement.

6.13 Reproductive Loss Leave

Certificated employees shall be entitled to take leave for a reproductive loss event as defined in Section 12945.6 of the Government Code.

Employees shall be eligible to take up to five (5) days of leave for a reproductive loss. Accumulated sick leave and compensatory time off may be utilized for such leave. After all accumulated sick leave is exhausted, employees may request a leave of absence without compensation.

Reproductive Loss Leave need not be taken immediately or consecutively but must be taken within three (3) months from the loss event.

Employees will be entitled to take up to twenty (20) days within a 12-month period if they experience more than one (1) reproductive loss.

Verification (e.g., doctor's note) may be requested for Reproductive Loss Leave.

6.14 Industrial Accident Leave

Each certificated employee shall be eligible for industrial accident and illness leaves of absence.

Such accident or illness must have arisen out of and in the course of the employment of the employee and must be accepted as a bona fide injury or illness arising out of and in the course of employment by either the State Compensation Insurance Fund or the Industrial Accident Commission.

Employees shall notify the District Human Resources department within twenty-four (24) hours when an injury or illness occurs arising out of and in the course of employment.

Allowable leave for each accident or illness shall be for a period of not more than sixty (60) days. Such leave shall not be accumulative from year-to-year.

Industrial accident or illness leave shall commence on the first day of absence.

Should the leave overlap into the next fiscal year, the employee shall be entitled to only the amount of unused leave due employee for the same illness or injury.

The leave shall be reduced by one (1) day for each day of authorized absence regardless of temporary disability indemnity award.

During any paid leave of absence, the employee shall be paid the salary due the employee for any month in which the absence occurs.

While on paid industrial accident or illness leave, the employee shall endorse to the District the temporary disability indemnity checks received. The District, in turn, shall issue the employee appropriate salary warrants and shall deduct from their normal retirement and other authorized deductions.

Upon termination of the leave, the employee shall be entitled to the benefits provided for sick leave by law, and employee absence for such purpose shall be deemed to have commenced on the date of termination of the industrial accident or illness leave. If the employee continues to receive temporary disability indemnity, the employee may elect to take as much of the employee's accumulated sick leave which, when added to the employee's temporary disability indemnity, will result in a payment to the employee of not more than the employee's full salary.

Any employee receiving benefits under these rules and regulations shall, during the period of illness or injury, remain within the State of California unless the Board authorizes travel outside the State.

6.15 Jury Duty Leave

Employees shall be granted leaves of absence with pay for jury duty.

An employee called for jury duty shall notify the school secretary or supervisor immediately upon receipt of the jury summons.

6.16 Catastrophic Leave

6.16.1 Purpose: A Catastrophic Leave Program will be provided for the benefit of employees of the Turlock Unified School District. If an employee or a member of the employee's family suffers from a catastrophic illness or injury, and he/she has exhausted all leave entitlements, the employee may request eligible leave to be donated from other employees. The term "employee" for the purpose of this article is defined as employees covered under the Turlock Teachers Association collective bargaining agreement.

6.16.2 Catastrophic Leave Committee: The Catastrophic Leave Committee shall administer the Catastrophic Leave Program. The Committee will be established on an annual basis at the conclusion of each school year for the following year and composed of two (2) representatives of the Turlock Teachers Association appointed by the President of the union, two (2) members appointed by the Superintendent or designee, and one (1) classified employee of the District Human Resources department.

6.16.3 The Catastrophic Leave Committee will determine the eligibility of such leave requests on a case-by-case basis.

6.16.4 Definitions: For the purpose of administering Catastrophic Leave, the following definitions shall apply:

a. Catastrophic Illness or Injury: As defined by Education Code section 44043.5(a)(1) "catastrophic illness" or "injury" means an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employee's family, and such incapacity requires the employee to take time off from work for an extended period of time for that family member, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and other paid time off.

b. Family Member: For purposes of this policy, a family member is defined as a spouse/domestic partner, child or step-child, legally adopted child, foster child if such physical placement of the child in the foster home was made by legal foster placement, mother or father, step-mother or step-father, or any relative living in the home of the employee for whom the employee has sole responsibility. c. The President of the Turlock Teachers Association will notify and provide a copy of the catastrophic leave request to the Assistant Superintendent of Human Resources, who will request a meeting of the Catastrophic Leave Committee.

d. Final determination of whether to grant the catastrophic leave will be made by a majority vote of the Catastrophic Leave Committee and shall be final and irrevocable upon acceptance and approval by the Board of Trustees. When provided with necessary information pertaining to an extenuating circumstance, by majority vote, the Committee may waive the fifteen (15) day requirement. The Committee's decision shall be final and shall not be subject to the Grievance Procedure in Article 11.

6.16.6 Upon approval of the request for catastrophic leave by the Board, the Turlock Teachers Association President, or his/her designee, will send a written notification seeking leave donations, via email or District mail, to members of the Turlock Teachers Association. Sick leave donations shall be made on a form developed by the Turlock Teachers Association and District. 6.17.5 The employee shall be paid a salary which is the pro-rata share of the salary he or she would be earning had he or she not elected to exercise the option of part-time employment but shall retain all other rights and benefits for which he or she makes the payments that would be required if he or she remained in full-time employment.

6.17.6 The employee shall receive health benefits as provided in Section 53201 of the Government code in the same manner as a full-time employee. The employee shall contribute to the State Teachers Retirement System the amount which would have been contributed had the employee been employed full-time. Transfers and reassignments may be initiated by either the District or the employee. Vacancies shall be posted on-line and at school sites. The District shall have the final decision in determining transfers, assignments and reassignments, except as required by law or the specific provisions of this Article. Such decisions shall not be arbitrary or capricious. When the District has the foreknowledge of the need for involuntary transfer(s) or reassignment(s) that will commence at the start of the following school year, the District shall notify affected teachers as soon as reasonably possible.

The District reserves the right to first fill a vacant position with an involuntary transfer as per Article 7.2.1, and then shall fill vacant positions according to Article 7.3.3.

REASSIGNMENT is defined as the change from one (1) assignment to another. (Examples: A teacher is reassigned from a second grade class to a third grade class or a teacher is reassigned from a Blue Track to a Green Track.) This definition does not apply to alternating "a.m./p.m." Kindergarten teachers.

VOLUNTARY REASSIGNMENT is defined as a change initiated by the employee.

VACANCY is defined as a paid position posted on the District's online application system.

7.1. Voluntary Transfers

- 7.1.1 Vacant positions will be posted on the District's online application system. The Current Certificated Vacancy form will also be posted at school sites and concurrently emailed to all certificated employees with the Request for Transfer form attached. The signed Request for Transfer form must be returned to the Human Resources Office by the closing date for the position as posted on the District's on-line application system.
- 7.1.2 Transfer of a certificated employee shall be considered only when the position requested is vacant.
- 7.1.3 Current employees are guaranteed a minimum of five (5) days from the posting date to submit the Request for Transfer form to the Human Resources Office before any vacancy can be filled. If the application deadline date on the District's on-line application system extends beyond those five (5) days, current employees may still submit the Request for Transfer form for that position.
- 7.1.4 The District will consider requests for transfer if the requesting employee possesses the appropriate credential, training, experience and abilities for the vacant position. For each position, applicants who are selected for an interview, including transfer requests, shall be afforded the same interview process. The District shall have sole discretion to approve requests for voluntary transfers, without an interview, if there are no other candidates for the position and the employee possesses the appropriate credential, training, experience, abilities, and satisfactory evaluations.
- 7.1.5 When considering voluntary transfers for a coming school year, the District shall offer an interview to employees who were either involuntarily reassigned or involuntarily transferred for the current school year. The interview shall be for positions the employee has requested a transfer to and for which they are qualified. It shall be the obligation of the employee to submit a Request for Transfer form to the Human Resources Office. The District shall have sole discretion to approve requests for voluntary transfers, without an interview, if there are no other candidates for the position and the employee possesses the appropriate credential, training, experience, abilities, and satisfactory evaluations.
- 7.1.6 In instances where an employee accepts a temporary transfer, the District shall agree in writing to return the employee to the previous assignment at the conclusion of the duration of the transfer, providing the vacancy exists. The affected employee shall make the request in writing on the district-provided form at the time of the reassignment.
- 7.1.7 Transfer decisions shall be based upon the educational needs of the District. In making its decision, the District shall consider the credential(s) and the educational background and experience of those being considered for transfer and any personal hardships of affected employees. When the qualifications, professional experience, and skills of two or more affected employees are deemed by the District to be equal, the District shall make a selection based on District seniority of those being considered for such a transfer.

- 7.1.8 If requested, the employee shall be given the reason for the denial of the voluntary transfer in writing and/or be able to request to meet with the Superintendent or designee regarding the reasons for the denial.

Such request must be made by the grievant or Association in writing to the Superintendent within ten (10) working days of the Superintendent's decision at Level Three.

11.3.4.2 The parties shall engage in mediation in a good faith effort to resolve the grievance.

11.3.4.3 The grievant or Association may waive this step by written notice and proceed to Level Five.

Before utilizing such a delay the grievant and/or Association shall submit a written intent to the appropriate administrator handling the next level of the grievance which shall indicate intent to pursue the grievance. All applicable timelines shall resume at the conclusion of the requested thirty (30) day delay.

- 11.4.6 If a question arises as to the arbitrability of an issue, the arbitrator shall rule on the issue only after the merits of the case have been heard.

Copies of the recommendation shall be simultaneously submitted to the District, the Association, and the grievant. The arbitrator's recommendation shall set forth findings of fact, reasoning, and conclusions on the precise issue(s) submitted. - 14.2 Employees assigned to a Year-Round Education Program shall have no more than 178 workdays which shall include no more than 175 student attendance days. Regular full-time employees must be in paid status for at least 134 workdays for Year-Round Education to earn a full year of experience credit. The Year-Round Education Program shall be a modified 4-track program generally described as a sixty (60) student attendance day / twenty (20) student non-attendance day schedule. By mutual agreement of the District and the Association, an alternate Year-Round Program and work year may also be implemented. A modified traditional schedule may also be added as an additional track. The total number of work days, student attendance days, and instructional minutes for this additional traditional track shall be the same as the other tracks at that site. A reasonable effort will be made to not have only one (1) workday in any week. However, traditional non-workdays such as District holidays will remain as non-workdays and employees will be assigned no more than 178 workdays. A single track YRE school calendar will consist of 183 workdays which shall include no more than 180 student attendance days. The District may take any action to ensure compliance with all incentive provisions in Education Code Sections 46200 - 46204 concerning days of instruction for students and amounts of instructional minutes.
- 14.3 The student instructional day and the employee workday in the Year-Round Education Program shall be increased to ensure that the annual number of instructional minutes in the Year-Round Program are as identical as possible to those in a Traditional Program. Minimum days shall be provided on the first and last day of each track.
- 14.4 Employees wanting to transfer out of a school which is originally implementing a Year-Round Education Program to another school shall follow the procedures in Article 7, but such employees shall be given first consideration for vacancies.

- 14.5.1 The teachers of that grade level or department shall have an opportunity to meet as a group with the Principal.
- 14.5.2 If unanimous agreement is reached among the affected teachers regarding their respective track assignments, the Principal shall not overrule this decision unless the Principal has good reason to believe that this selection of assignments will be detrimental to the instructional program of the school. If the Principal overrules the unanimous decision of the affected teachers, the Principal shall state his/her reasons in writing to the affected teachers if so requested by any of the affected teachers.

14.5.3 If the Principal overrules the unanimous decision of the affected teachers, or if the teachers cannot reach unanimous agreement among themselves, initial assignment to a track shall be made by the Principal after consideration of the following factors:

Certification of the employee;

Training and experience of the employee;

Track placement of any children of an employee so that an employee and the employee's children may be on the same or most similar track;

Track placement of any spouse of an employee so that employee and spouse may be on the same or most similar track;

Total years of paid service as a certificated employee in the District shall be the determining factor if the above factors are equal. It shall be the responsibility of the affected employees to promptly inform the Principal of any prior unpaid leaves.

14.5.4 Any employee who disagrees with the initial track assignment made by the Principal may appeal it in writing to the Superintendent specifying the reason(s) for the appeal. The Superintendent (or designee) shall review the appeal and make a decision within ten (10) workdays. The Superintendent's decision shall be final, but such decision shall not be arbitrary and capricious.

14.5.5 The District shall make a good faith effort to notify Year-Round Employees of their initial track assignment no later than April 1 of the prior school year.

14.6 When an additional school is opened as a new Year-Round Education Program, the employees shall be initially assigned a track by the Principal according to the following procedures:

14.7 The District within its discretion may request employees to work additional days beyond their regular work year. Employees who agree to do so shall be paid on a per diem basis. Employees shall be credited with one (1) additional illness leave day for each such twenty (20) additional days actually worked.

- 14.9 Teachers assigned to the Year-Round Education Program shall be provided with a reasonable opportunity to serve as mentor teachers, participate on District committees, attend professional growth opportunities, or take any leaves specified in the Agreement. By mutual agreement between the District and the employee, additional compensation may be provided at the hourly rate when the employee participates in such activities during their non-workdays.

Teachers who are not required to make a full rotation after all of their track-off periods shall receive a pro-rata stipend. This stipend shall be paid no later than the June salary warrant.
- 14.15 Teachers assigned to the Year-Round Education Program may be granted leaves of absence for periods of less than one (1) year if approved by the District.
- 14.16 An employee on a non-workday may request to serve as a substitute for other employees in the District. Pay shall be \$30 above the current substitute rate for such service.
- 14.17 If the District adopts and implements a Year-Round Education Program, and then later determines to eliminate part or all of such program, it shall give reasonable prior notice to the Association.
- 14.18 Transfers and Reassignments of Year-Round Employees - The provisions of Article 7 of this Agreement shall apply regarding voluntary or involuntary transfers and reassignments of employees who are currently assigned to a Year-Round Education Program. However, if the transfer or reassignment will result in the employee changing to an assignment on a later payroll cycle, the employee may remain on his/her current payroll cycle if such an adjustment is necessary to ensure there will be no interruption in monthly payroll warrants.

In cases where employees require a payroll adjustment, the District shall send the employee a form prepared by the District which presents options for repayment in the event that the employee does not complete the required number of paid days of service in the school year.

The District will make every effort to notify employees no later than April 1 if an involuntary transfer or reassignment will result in a change to a different track or to a different work year schedule for the following school year.
