Chisago Lakes Choice Board #1

3rd Grade

- Students should choose at least **one** activity from each subject area column (Math, Reading, Writing, Science/Social and Specials)
- Place a check on the activities completed and have a caregiver/parent sign the bottom of the form.

Math	Reading	Writing	Science / Social	Specials
Ask an adult for change and count the total. What are two ways you could get the same amount using different coins?	Read a book. Who is the main character? Draw a picture of the setting.	Write about being stuck in a snowstorm.	Draw a map of your house, neighborhood, or bedroom.	**PE** Make up a dance. 
Measure how much snow there is in inches and centimeters.	Read with a flashlight for 25 minutes. 	Write a How To book about how to make hot chocolate. Make sure you include the ingredients and materials you need and the step-by-step directions.	Get a half cup of snow and bring it into your house. Predict how long it will take to melt, and then time how long it took. Then look to see what is left in the melted snow.	**Art** Go on a color wheel scavenger hunt! Gather items to create the color wheel.
Make/Draw a geometric shaped robot. 	Read a story. Write or discuss with an adult the problem of the story and how it was solved.	Free writing! 	Citizenship - help out around the house by: • Doing dishes • Picking up your toys • Entertaining a younger sibling	**Music** Clap the steady beat to your favorite song. 
Play a card, board, or dice game. (ie. Addition/subtraction War, Make Ten, Go Fish, Yahtzee)	Read for 25 minutes to a parent, sibling, friend or stuffed animal.	Find a box and turn it into something creative. If you don't have a box, draw what you would build if you had a box. Then write a descriptive paragraph about your creation.	Imagine someone from the past came to this year. Write about what they would think is the same and different from life in their times. Example: Abraham Lincoln	**Media** Make a poster of your favorite book.
