Math	Reading	Writing	Science / Social	Specials
Write a math problem and solve it three different ways.	Choose a book of your choice. Write or record a book review.	Write a friendly letter to a classmate. You can choose the topic or you can tell them about what you did on your day off today.	Find a simple science experiment and try it. Write down your results.	**PE** Make up a dance. 
Play Multiplication War with cards and a partner. 	Make a tent/fort and read in it for 30 minutes. 	Change the lyrics to "Jingle Bells." Make it school related.	Play a game using good sportsmanship and teamwork.	**Art** Play a drawing game with someone (pictionary, telestrations)!
Check the temperature throughout the day and create a bar graph. Write two things that you notice about the data you collected.	Read a nonfiction book or article. Write down the main idea and 3 details.	Create any type of story that you would like to write. 	Write a description of what is happening with the weather. Include the temperature in degrees.	**Music** Clap the steady beat to your favorite song. 
Play a strategy game like checkers or chess.	Read for 30 minutes to a parent, sibling, friend, or stuffed animal.	Create a persuasive argument to convince the president to make your birthday a National Holiday.	Plan a healthy meal for your family.	**Media** Make a poster of your favorite book.
