

STANLEY BRITISH PRIMARY SCHOOL

Joyful Lifelong Learning

1. Finding the iCal Feed URL:

- Look for "Subscribe" icon at top right of the [Calendar Page](#). 
- Click to "Add to calendar" to directly add to the current device or copy the URL.
- Or copy the URL here: [https://www.stanleybps.org/fs/calendar-manager/events.ics?calendar_ids\[\]=2](https://www.stanleybps.org/fs/calendar-manager/events.ics?calendar_ids[]=2)

2. Subscribing to the iCal Feed using various apps:

- Mac Calendar:
 - Go to "File" > "New Calendar Subscription".
 - Paste the iCal feed URL.
 - Click "Subscribe" and choose how often the calendar should update.
- iPhones/iPads:
 - Go to "Settings" > "Calendar" > "Accounts" > "Add Account" > "Other".
 - Tap "Add Subscribed Calendar" and paste the URL.
 - Enter any required server information.
- Google Calendar (web):
 - Open Google Calendar and go to "Other calendars" on the left.
 - Click "+" next to "Other calendars" and choose "Add by URL".
 - Paste the iCal feed URL and click "Add calendar".
- Android Google Calendar:
 - Follow the instructions for Google Calendar from a computer.
 - On your phone, go to Settings > Calendar > Accounts > Add Account > Other.
 - Tap "Add Subscribed Calendar" and paste the URL.
- Outlook.com:
 - Sign in to Outlook.com, select the calendar icon, then "Import calendar".
 - Select "From the web" and paste the calendar's URL.
 - Click "Import".
