## COOKING CREATIONS

Let's get cooking and create unforgettable culinary moments! Get ready for a fun-filled, hands-on culinary adventure where kids become mini master chefs—no flames, just creativity! In this exciting *No-Bake Adventure* program, young chefs will whip up a delicious array of no-cook delights, including vibrant pesto pin-wheel sandwiches, indulgent no-bake Oreo cakes, fun cake pops, and refreshing berry parfaits—just to name a few! Throughout the class, kids will explore new flavors, learn essential kitchen skills, and let their creativity soar—all in a safe and engaging environment. With expert guidance, they'll mix, layer, and decorate their way to mouth-watering masterpieces, all while building confidence, having fun, and enjoying delicious food. Let's get cooking and create unforgettable culinary moments! Students must be signed out and picked up by a person 18 years of age or older—no late buses.
