HOLLYWOOD FILMMAKING

Lights, Camera, Action! Make Your Own Movie with Athena's Hollywood Filmmaking Program! Ever dreamt of making your own movie? Whether you've filmed videos for YouTube or TikTok, acted in a play (or always wanted to), loved drawing and want to try animation, or have an awesome movie idea just waiting to be made — this class is *definitely* for you! Join a real production team and dive into the exciting world of filmmaking. You'll get hands-on experience as you write, film, and edit your very own short film, music video, or stop-motion animation. Here's what you'll get to do: **Scriptwriting & Storytelling:** Create unforgettable characters, write epic dialogue, and plan your shots like a pro! **Filmmaking & Directing:** Master cool camera angles, lighting tricks, and sound effects to make your movie *pop*. **Editing & Special Effects:** Learn how to use green screens, create awesome transitions, and even add professional-level special effects. At the end of the course, we'll have a *movie premiere* in class to showcase your creations, and you'll get a copy of your film to take home! So, if you've ever wanted to turn your ideas into a real movie, this is your chance. Ready to get started? Grab your camera — the spotlight is waiting! Students must be signed out and picked up by a person 18 years of age or older—no late buses.
