Studio Art

KidzArt Studio offers a fun and one-of-a-kind art experience designed to inspire creativity. In today's world, creative thinking is essential, and KidzArt fosters problem-solving skills, imagination, and self-confidence through our unique drawing techniques. Students will explore a variety of mediums, including watercolor, chalk pastels, oil pastels, markers, and clay, to complete a finished artwork in every class. Help your child embrace the future with a creative mindset! Please note that students must be signed out and picked up by an adult 18 or older—there are no late buses.
