Dear Parents,

As we begin the 2024-2025 school year at SLES, we look forward to welcoming back our parents, grandparents, and family members into the building. The upcoming school year is going to be filled with many exciting events and experiences. We will look to build upon our successes from the previous year and create new and lasting memories. It is an honor to continue to serve as your principal and I am excited for another successful and exciting year at SLES! We look forward to building lasting relationships with the entire school community. All of you continue to play a significant role in the continuous effort to make and keep our building excellent, and for that I thank you.

Springfield Local Elementary is committed to helping your child reach his or her maximum potential. We believe that school plays an important role in the social and emotional development of each child, as well as the academic area. For us to achieve this goal it is imperative that the school and family work cooperatively as a team with a common focus – your child.

Springfield Elementary will always maintain an open line of communication to best meet the needs of each student. This handbook will serve as a guide so you, as parents/guardians, may better understand our school programs and policies. Please do not hesitate to contact me if there are any questions and please share this information with your child or children. We look forward to seeing you in September!

Respectfully,

Anthony J. Albanese

#### ABSENCES, EXCUSES FOR

When a student is not able to come to school, **please call the school office (330-542-3722) before 8:25 a.m. to report the absence and reason.** A message may be left if the call is made when school is not in session. One call is sufficient for multiple days. The school will call home if a call is not received. Each student is required to bring an excuse, signed by the parent or guardian, after being absent. These should be clearly marked with the teacher's name, grade level and date of absence. Excuses **MUST** be turned in within 48 hours (2 school days). After that any absence will be UNEXCUSED.

#### ABSENCES, PROLONGED

Any absence, extending more than three (3) days, or any questionable pattern of attendance, will be checked by the building principal. You will receive an Attendance Threshold Warning Letter alerting you to the number of absences your child has accrued. The attendance thresholds are as follows:

Excessive Absences: the student is absent for 30 or more consecutive hours (5 days) with a legitimate excuse

Excessive Monthly Absences: the student is absent for 42 or more hours in one school month with legitimate excuses

Excessive Yearly Absences: the student is absent for 72 or more hours in one school year with legitimate excuses

The same thresholds apply to Habitual Truancy but there are no notes received from a parent, guardian, or medical professional.

## **PBIS – Positive Behavior Intervention System**

- Building-wide common language across all educational settings taught directly to all staff and students
- A constructive, motivating environment that encourages students to make confident choices.
- The PBIS matrix will be used to teach common language across all settings.
- Please refer to the matrix posted in your **classroom, hallways, cafeteria, gymnasium or bus.**

## **DISMISSAL, DAILY STUDENT**

To provide for your child's safety and welfare, no student will be dismissed from the classroom to the parent. **If, for any reason, you must pick up your child, please come to the office and sign your child out. Your child will then be called from his/her room and released to you.**

## **DISMISSAL, EMERGENCY**

**Each family should have an emergency plan in place. If your child were to be dropped off at home and for some reason no one was there, have a plan and teach your child where to go, and with whom he/she should stay until a parent can be reached.**

## **EMERGENCY AND TORNADO DRILLS**

All students are to follow the designated procedure of their particular teacher and location. Students and teachers should walk quickly and quietly to their designated safety area and remain in position until otherwise notified.

SIGNAL - The air horn will sound signaling an emergency drill.

## **EMERGENCY MEDICAL FORMS**

New Emergency Medical Forms are to be filled out by parents at the beginning of each school year. Any circumstances concerning your child's health should be noted on this form. **Please use the parent portal to fill out the online form.**

**(springfieldlocal.esvportal.com)**

If there is a change in doctor, hospital or pertinent information on this form during the year, **it is the parent's responsibility to inform the school of said change.**

## **FIRE DRILLS**

One of the safety risks in a school building is fire. Therefore, students are urged to be safety conscious and follow the fire drill regulations. Practice drills are held throughout the year.

SIGNAL - Fire drills are signaled by the activation of an electric fire horn.

BEHAVIOR - Absolute silence is maintained throughout the fire drill, unless necessity requires it otherwise.

**CORRECT PROCEDURE** - Students must leave the classroom and building as quickly as possible. They proceed from the classroom in a single file to the exit their room has been assigned to use, remaining at least 150 feet from the building. **WALK FAST! DON'T RUN!** Students remain outside the building until the signal is given to return. Every fire drill should be considered an actual emergency.

### **HOMEWORK**

Assignments are designed so that the majority of the work can be done during the time the child spends at school. First and second grade students will be given a minimal amount of homework.

Third and fourth grade students will be given some homework to develop self-discipline and to enable them to accept more individual responsibility. The intent of assignments is to provide practice and to meet the individual needs of our students.

### **INTERIM REPORTS**

All students in grades one through four will receive an interim report at mid-point between the beginning of school and the end of the first grading period. Thereafter, notices are sent out to parents at mid- quarter of each nine-week period when the quality of the student's work is at or below the level of expectation. **They are to be signed and returned to the school.**

### **SPRINGFIELD LOCAL SCHOOLS' MEDICATIONS POLICY**

Dear Parent:

The following policy, concerning the use of medications by students during school hours, was passed by the Springfield Local Board of Education on August 15, 1995. We would ask that you read this policy over carefully and contact your child's school of attendance should you have any questions.

Sincerely,  
Rachael Smith, Superintendent

File: JHCD

#### **ADMINISTERING MEDICINES TO STUDENTS**

The Board disclaims any and all responsibility for the diagnosis and treatment of the illness of any student. The Board recognizes that the attendance of a student may be contingent upon the timely administration of medication duly prescribed by a physician and will permit the dispensation of medication in school only when the student's health and continuing attendance in school so require and when the medication is administered in accordance with this policy.

For the purpose of this policy, "medication" means any prescription drug or over-the-counter medicine.

**Medication must be delivered to the school in its original, labeled container by the student's parent and must be accompanied by the parent's written request for its administration and the physician's written and signed statement of the medication's name, the purpose of its administration to the specific student for which it is intended, its proper dosage and the time when its use will be discontinued. Medication no longer required must be removed by the parent.**

All student medications will be appropriately maintained, administered and secured by the school under the principal's direction.

## **PETS**

**Students are not permitted to bring pets or animals to school.**

## **PLAYGROUND RULES, GENERAL**

An added dimension of our school is our playground equipment. This equipment adds enjoyment during recess, plus enhances our students' overall physical fitness. Although the advantages of this equipment are numerous, we must take safety seriously and place it at the top of our priorities.

The playground will be fully supervised at all times by teachers, and students will be fully informed of the rules for this recreation area.

In regards to the equipment, the following rules apply:

**-THERE IS TO BE NO PUSHING, SHOIVING OR TACKLING AT ANY TIME INSIDE THE SOFT SURFACE AREA, IN OR AROUND THE SWINGS, OR NEAR OTHER PLAY EQUIPMENT FOR SAFETY REASONS.**

**-SLIDES ARE MADE FOR COMING DOWN. DO NOT WALK UP OR JUMP OFF SLIDES.**

In general, playground rules and behavior must be conducive to safe and friendly play. Teasing, arguing, fighting, running in unauthorized areas and any other behaviors which the teacher deems inappropriate will not be tolerated. The overall safety of each individual child is of great importance.

**\*\*\*\* IMPORTANT\*\*\*\***

**Students must immediately report to the playground teacher any injury or accident occurring on the playground**

**PROCEDURE FOR PICKING UP OR DROPPING OFF STUDENTS**

It is preferred that students ride the bus to and from school. If you must pick your child up at the end of the day, park in the large parking lot in the front of the building, enter through the front door and go to the office to sign your child out. At Dismissal time, students with someone waiting will be called over the PA system and will meet you in the cafeteria. **NO PARENTS, GUARDIANS, INTERMEDIATE OR HIGH SCHOOL STUDENTS WILL BE PERMITTED TO ENTER THE BUILDING PRIOR TO 2:45 TO SIGN STUDENTS OUT.**

If you drop your child off in the morning, please pull up to the cross walk by the cafeteria door where a staff member will be on duty to welcome them into the cafeteria.

**RECESS, EXCUSES FOR**

If a child is to be excused from recess, a daily note should be sent to the teacher. Recess is very beneficial to the students. Therefore, we ask that students participate in recess on a daily basis.

We understand that certain physical problems require that a student remain indoors during recess once in a while, but we ask that this privilege not be abused. **If a student has to stay indoors during recess for one week or more, this must be cleared through the office with a physician's excuse.**

**SCHOOL PROPERTY, CARE OF**

We at Springfield Local are proud of our schools and it is the duty of all to help keep our school in excellent condition. Students are asked to adhere to the following:

1. Keep the halls, lavatories, and school grounds free of all waste paper - use provided containers.
2. No marking of school furniture, walls, or doors.
3. Keep off all lawns when coming to and from school.
4. Do not tamper with fire alarms, fire extinguishers, or electrical systems.

## SCHOOL SAFETY

The Board of Education is committed to maintaining a safe and drug-free environment in all of the District's schools. The Board believes that school crime and violence are multifaceted problems that need to be addressed in a manner that utilizes all available resources in the community through a coordinated effort of School District personnel, law enforcement agencies, and families. The Board further believes that school administrators and local law enforcement officials must work together to provide for the safety and welfare of students while they are at school or a school-related event or are on their way to and from school. The Board also believes that the first step in addressing school crime and violence is to assess the extent and nature of the problem(s) or threat, and then plan and implement strategies that promote school safety and minimize the likelihood of school crime and violence. \*See school website for remainder of policy\*

## TEXTBOOKS/LIBRARY BOOKS

Textbooks are loaned to students. Students must assume full responsibility for the careful use of them. **If books are defaced in any way, students will be charged.** If the book is badly damaged or ruined, the complete cost of the book will be required. (Teachers will check the books in September and June for damages.)

Full Charges Will Be Made For Books:

- a. Water soaked so badly that the pages are crinkled.
- b. Books with several pages and/or the cover damaged.

Partial Charges Will Be Made For Books:

All books should be covered with a book cover to ensure better care of the textbooks. To cover the cost of the consumable materials, the Springfield Local Board of Education has approved a fee of **\$20.00 per student**. This is payable at the beginning of the school year. Waivers are available for those who meet the criteria. You may call the school to get more information.

**REPORT CARDS WILL BE WITHHELD UNTIL STUDENT FEES ARE PAID.**

## VACATION

Students who are withdrawn by their parents to go on vacation will be required to make up any class work they miss during their absence. Please attempt to schedule vacations during school breaks, as it is important for students to be in school. **A written notice must be provided to the office one week prior to the vacation.**

## **VISITORS**

**All visitors must report directly to the office upon arrival.** You will be asked to provide your license to obtain a visitor's pass to enter the building. It is our policy that students are not permitted to bring friends or relatives to school as a guest unless prior permission is granted by the school principal. Parents are always welcome, but must make an appointment to see a teacher, the principal, or visit their child's class so as not to disrupt the learning environment.

## **WITHDRAWAL AND TRANSFER**

The procedure for withdrawal or transferring is as follows:

1. Obtain appropriate form from the office.
2. Return all school books and property, and make certain all fees are paid

**CAMERAS ARE INSTALLED ON ALL BUSES TO MONITOR BEHAVIOR.**

### **BUS CONDUCT RULES, STUDENT**

A discipline code for misconduct on the school bus shall be strictly enforced. Disorderly conduct or refusal to submit to the authority of the school bus driver may be sufficient reason for immediate suspension of school bus transportation privileges. Endangering the safety and welfare of others on the school bus by distracting the school bus driver will not be tolerated and will result in discipline.

The policy for misconduct on the school bus shall be as follows:

FIRST OFFENSE - DRIVER TALKS TO STUDENT

SECOND OFFENSE - DRIVER WILL WRITE A CONDUCT REPORT AND SUBMIT TO PRINCIPAL. A COPY SHALL BE MAILED TO PARENTS.

**THIRD OFFENSE - POSSIBLE SUSPENSION FROM BUS  
FOURTH OFFENSE- SUSPENSION FROM BUS**

**A severe infraction may result in immediate suspension from the bus, possibly resulting in permanent exclusion.**

**CAFETERIA POLICIES**

Politeness, courtesy, and consideration for others are characteristics of a well-mannered child. Students reveal their character by their actions in the cafeteria.

Based on present operations of our cafeteria, the students have the ability to pay on a daily basis or to put money in their account for lunch and snacks. The price of lunch, including milk, is \$3.25 per day and milk bought separately is 60 cents per carton. Reduced lunch is 40 cents.

All students have the opportunity to have breakfast at no cost.

As an act of service and consideration for all, students are asked to please observe the following regulations:

1. If you do not have a lunch or lunch money, tell your teacher when school begins.
2. Parents may make arrangements with the cafeteria to pay in advance for lunches.
3. **Students may not purchase a snack if attempting to charge lunch.**
4. Be patient, quiet and polite while waiting in line. Fill the tables as directed and move cautiously to your seat.
5. Once in the cafeteria, no one is permitted to go back to the classroom.
6. If something is spilled on the table, or dropped on the floor, please clean it up or bring it to the attention of the supervising teacher.
7. Throwing any food or paper around the cafeteria will not be tolerated.
8. If an emergency should occur, please ask the supervising teacher for assistance.

**MEAL CHARGE POLICY**

Effective September 4, 2024, students grades K-4 on paid or reduced-price status will be allowed to charge 3 lunches. This charge balance is the responsibility of the parent/guardian and must be paid upon notification. No ala carte items are eligible for charging. The Springfield Local Schools Food Service Department will be responsible for maintaining charge records, and notifying the parent/guardian of outstanding balances and the need for payment via telephone or written documentation. This gives families the opportunity to pay the balance due and load funds on their child's meal account or send money in to school for future lunch or ala carte purchases.

**Once a student has incurred the maximum in meal charges, they will be given an alternate lunch consisting of a cheese sandwich, fruit, and milk. They will incur a reduced charge at that time. Students may not charge or purchase ala carte items until the student lunch charges are paid in full.**

If you feel that you may qualify for free or reduced meal status, go to the food services webpage on the school website for more information and a link to the free/reduced meal application.

## **COMPUTER TECHNOLOGY IN OUR SCHOOL**

There are computers in every classroom with a centralized printer. We have Internet access in each classroom and an Authorization Form must be on file in order for students to have Internet access. Our Board Of Education and PTO continue to be very supportive by supplying peripherals and furniture for these computers.

The primary purpose of the program is to expose students to basic computer skills, and to enable them to gain further knowledge and expand their understanding of the computer in this present era of changing technology.

Teachers, including the specialists, incorporate technology into their classroom for the benefit of the children. Professional development continues to provide teachers with the necessary tools to utilize this technology in their lessons for student improvement.

## **FUNDRAISING**

Fund raising projects are under the direction of the Springfield Local PTO and under the approval of the principal and the superintendent.

## **HANDBOOK GUIDELINES**

The guidelines outlined in this Parent-Student Handbook were designed for the ultimate safety and well-being of every student. Students are expected to follow these guidelines along with other rules and regulations of our building and individual staff members which may not be listed in the handbook.

## **HEALTH SERVICES**

Students becoming ill during the school day should report to the office. If there is a necessity to go home, **the parents will be notified by school personnel.**

## **INTERPRETATION OF GRADES**

A serious attempt is made at all times to evaluate in the best possible manner the progress of students. The following grading system has been devised for this purpose:

A = The student is more than meeting the demands of the teacher.

His/Her work is on time. The work is of superior quality. It shows mastery of the subject matter. He/She has the ability to carry the job through, and exerts a positive influence on the class.

B = The work is better than average quality and the required work is well done. The student meets the demands of the teacher and exerts a positive influence on the class.

C = He/She does the required work satisfactorily. The work is generally on time and is of average quality. The student is showing achievement.

D = The student is not doing all of the assigned work. He/She tends to be dependent on others, is inconsistent and uncertain. Work is below average but shows some evidence of growth.

U = Underachievement, with little growth taking place. Lack of interest and unsatisfactory work, not acceptable at grade level.

## **LOST AND FOUND**

There is a lost and found bin in the hallway across from the office. If a clothing item or hat, gloves, etc. is lost, please check this bin. Smaller items of value – rings, glasses, necklaces, etc. are to be turned in to the office. At the end of the school year unclaimed items are donated to a charity.

## **MEDIA CENTER**

Our Media Center gives the students a comprehensive learning environment, which will supplement the classroom situation.

The library automation system has a two-step process for notifying patrons about overdue library books. First, a notice will say OVERDUE. This is a reminder that the due date has passed. No fines are assigned until the book is scanned back into the system. Once an overdue book is scanned back into the system, the computer calculates the fine based upon the number of days that the book was kept out beyond the original due date. The note will then say FINE to denote the late charges assigned.

This automation program was developed in France. Therefore, the dates on the late notes are different. Dates are written differently in Europe. A due date of 15-12-10 means 2015-December-10<sup>th</sup>. Europeans write the year first, then the month, then the day.

## **MUSIC**

The three main areas of the music curriculum are: concepts, expression, and skills. Three music programs are presented each year. All programs will be presented at the Intermediate Auditorium. Fourth Grade students also study and play ukeleles as part of their music curriculum culminating with a "ukelele concert" held at our school in the spring.

## **PHYSICAL EDUCATION**

A healthy body contributes to a healthy mind. Therefore, students participate in activities which promote physical, as well as, academic and social development.

## **READING**

We use an Integrated Reading System to improve upon the students' reading achievement. Our System is comprised of the following components - Comprehension, Phonics, Guided Reading and Writing.

## **RECESS RULES, INDOOR**

1. STAY IN YOUR CLASSROOM.
2. NO FIGHTING IS ALLOWED.
3. NO PUSHING OR SHOVING.

Dear Parent/Guardian:

You have the right to know about the teaching qualifications of your child's classroom teacher in a school receiving Title I funds. - I. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- II. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
- III. Whether the teacher is teaching in the field of discipline of the certification of the teacher;
- IV. Whether your child is provided services by paraprofessionals and, if so, their qualifications.

You may ask for the information by providing a written request, email is acceptable, with the following information to the building principal:

Child's full name  
Parent/guardian full name
