

Kindergarten enrollment for 2025-26 is now open!

- If you have a child actively enrolled in CCSD for the current school year (2024-25) and are enrolling an additional student in your family, please use your ParentVUE account to add your new student. Once you log into your account you will see the icon for new student registration for **2025-26!** (There is also a registration button for 2024-25, so please make sure to choose the correct school year - you would only use the 2024-25 icon if your family has moved and your current student will be attending a new school in our district before the end of the current school year.) ** There is nothing you need to do for students in grades K-11 who are already enrolled so you will exclude them during the registration process; all current student enrollments in grades K-11 will automatically roll over to the new school year!
- If your child is currently enrolled in a Pre-K program but has not previously registered for CCSD Kindergarten, you do need to complete the Kindergarten registration process online through your ParentVUE account! The Pre-K registration process is different from Kindergarten registration, and Pre-K students do not automatically roll over to the new school year even if your child attends Pre-K at one of our CCSD schools.
- If you previously enrolled your child through CCSD Assessment for special education evaluation or services (such as speech therapy) but have not previously registered for CCSD Kindergarten, you do need to complete the Kindergarten registration process online through your ParentVUE account.
- If you previously had a student in CCSD but do not this year (2024-25) and you are unfamiliar with ParentVUE, please reach out to our Avery ES registrar and she will be happy to help you activate your account so that you can complete registration for 2025-26! Please email her at: kristina.eno@cherokeek12.net
- If your family is brand new to our district, please follow this link to create your ParentVUE account and then use it to complete enrollment - you are welcome to enroll new students for 2025-26 in all grades Kindergarten through 12th grade! <https://www.cherokeek12.net/enroll-new-student>

Our annual Kindergarten welcome and screening event will take place on May 8 from 2:30pm - 4:30pm! This is an event designed for both parents and our rising Kindergarten students to attend together, and we look forward to seeing you there!
