

Artsonia Links

Artsonia is a digital art portfolio site for each YES Prep campus.

Click the link attached to each campus name to visit its Artsonia page. Since teachers and students update their Artsonia portfolios at different intervals, the availability of artwork may vary. On each campus's Artsonia page, viewers can explore various projects, which may include sketches, studies, or final artworks, along with students' artist statements. All projects for the 2024-2025 school year are categorized under the 'This School Year' heading.

Student Privacy: Students' Artsonia usernames, rather than their full names, are used in much of this publication. Additionally, a parent or guardian must grant permission for a student's artwork to be publicly viewable. As a result, not all artwork published on Artsonia may be visible to the public.
