Marking Period 2 Celebration

Thank you to everyone who helped with the MP2 Celebration and who volunteered time to attend. The students really enjoyed it. It was also wonderful to see our own NJHS students plan and be actively participating in this event.

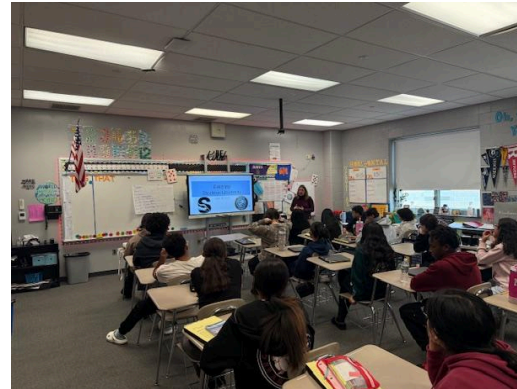

We also gave out a PHMS Ram Pride "Dream Big!" magnet to ALL of our students during the celebration!

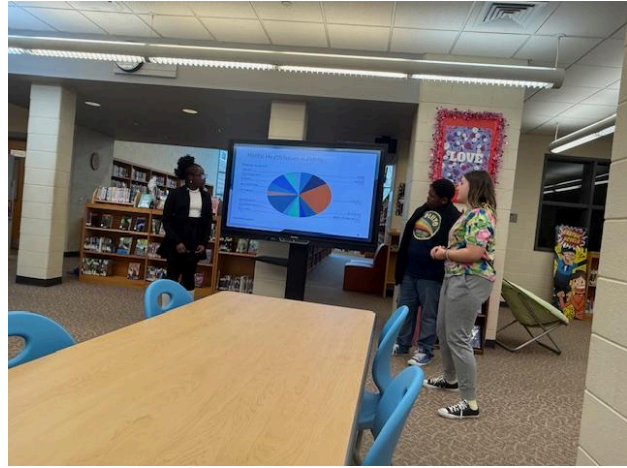

Shout out to our 8th grade teachers for creating and organizing such a meaningful 8th grade reset! A "reset" with middle school students is crucial because it allows for a fresh start, helping to re-establish positive classroom behaviors, reinforce expectations, and refocus our students to prepare them for high school. Great Job!

Transformative Student Voice

Our TSV group shared the voices of our PHMS students and are poised to create action steps in order to move this work forward. We will keep you posted!
