Kim Pelan Principal

Dear Parents and Guardians,

I am writing to let you know that North Coleman Road Elementary School, along with all other schools in the Middle Country Central School District, will be participating in a school climate survey. Through this survey we hope to gain insight from all members of our school community and incorporate these into our ongoing planning. The survey will be open from Monday, March 24, 2025 through Friday, April 11, 2025, and will take about 15 minutes to complete.

If you have registered an email address with the district you will receive an invitation by email from “Ryan Milano via K12Insight <East@k12insight.com>” with a link to complete this survey. You may also access this survey by using any computer, tablet or smartphone by visiting the district website: www.mccsd.net, and clicking the link “School Climate Survey – Parents/Guardians.”

Sometime during the survey dates, students in grades 3-12 and teachers will also be invited to complete versions of this school climate survey. Student participation in the survey is voluntary, but we hope you will encourage your child to share their opinions with us as part of our ongoing efforts at improving all aspects of their school experience.

All survey responses will be treated as strictly confidential.

If you have any questions, please feel free to contact me.

Sincerely,

Kim Pelan
Principal
