The BOCES and School Districts have agreed to form a Cooperative Bid Group as authorized by General Municipal Law Section 119-o. It is the intent of the Cooperative Bid Group (hereinafter referred to as "Participants") to contract with vendor(s) and to establish prices for these items for the stated contract term Notwithstanding the details presented in the specifications, it being understood that a complete reliable supply of **HVAC FILTERS AND BOILER MAINTENANCE KITS** satisfactory to each participant shall be required in all cases.

Any addendum issued during the time of bidding shall be included in bids and become a part of the Contract Agreement.

3. DESCRIPTION OF BOCES:

3.1 The Board of Cooperative Educational Services (BOCES) was created by New York State legislation in 1948. Today, there are thirty-eight organizations in the State. Each has its own governing board, elected by members of the Boards of Education of the component districts. The primary purpose of the BOCES is to provide services to two or more member districts more effectively and economically than one district could provide alone. Each year, the component districts request the services they want their BOCES to provide in the following year. The various requests for services and programs are assembled into an operating plan along with the associated budget. The State Department is required to approve all services before they can be provided to districts. Legal contracts are drawn up and approved by the district, the individual BOCES and the Commissioner of Education.

3.2 BOCES is an educational agency of the State, and must, therefore, adhere to all laws and regulations of the State of New York, which govern the public schools in the State, as well as regulations controlling the BOCES. BOCES receives most of its money from the member districts. In return, the member districts receive BOCES aid based on their relative wealth and need for the service. The various BOCES operate many programs. Generally, the largest programs are associated with Career & Technical and Special Education.

3.3 Wayne-Finger Lakes BOCES covers a four-county region and supports 25 component school districts. Students served by BOCES are provided instructional programs including Career and Technical education, programs for children with handicapping conditions, and Adult Education.

4. OBLIGATION OF BIDDERS:

At the time of the opening of the bids, each bidder will be presumed to have read and be thoroughly familiar with the contract documents. The failure or omission of any bidder to receive or examine any form, instrument, or document shall in no way relieve any bidder from any obligation in respect to the submitted bid.

The contractor shall be responsible for providing, delivering and inspecting all materials ordered as a result of this bid. The contractor is responsible for following all instructions as described in this document.

6. BOCES' RESPONSIBILITY:

2. TIEBREAKING:

2.1 In the event that BOCES receives two or more low responsive and responsible tie bids for a solicitation, BOCES shall use the recognized "lottery method" to break the tie bid to determine the awardee. Supplier early payment discounts shall not be used in determining the low bidder.

2.2 All bidders that participated in the solicitation shall be notified by email of the tie bid and shall be invited to publicly witness the breaking of the tie bid in the BOCES Business Office. Those bidders shall be asked to respond back, via email, to the agency regarding their intention to witness this event.

2.3 The "lottery method" is based on a random selection drawing of a name from the pool of tie bidders. Pieces of paper (buyer's business card, etc.) with one tie bidder's name per piece of paper shall be put into a container and either the buyer or another designated agency staff member will draw one lot with the winning tie bidder's name. At least two BOCES' staff members shall be required to witness this lottery drawing.

POST AWARD CONTRACT PROCESS

1. PRODUCT SUPPLIED:

Section A:

- a. The items specified in the bid for Section A are readily available in the marketplace. Therefore, in the interest of providing equivalent quality at the lowest price to the BOCES, the Wayne-Finger Lakes BOCES Cooperative Bid Group reserves the right to accept bids for substitute items of equal quality in its sole discretion. When a vendor bids a substitute for a specified product, the vendor must provide a sample of the item at the time of the bid submission. Failure to provide samples when bidding a substitute will be grounds for a no bid for that item as being non-responsive. The BOCES Cooperative Bid Committee will evaluate all samples and determine comparability to specified item. The Bid Committee reserves the right to determine products of equal value. The decision of the Bid Committee will be final as to acceptable alternates.
- b. Additions/Deletions: during the term of the contract, the Participants reserve the right to delete item(s) or add comparable item(s) to the list, at prices to be negotiated with the Contractor.
