

Introduce a Girl to Science and Engineering Event

The Foth Companies (Foth) is hosting an Introduce a Girl to Science & Engineering Day, a FREE event on

Thursday, April 10th, 2025 from 4pm-7pm

at the Foth office (2121 Innovation Court, De Pere, WI 54115)

Register Now!

Space is limited

<https://bit.ly/3XgDkzc>

- *Experience virtual reality!*
- *Explore the fun of robotics with a local robotics team!*
- *Engage in numerous science and engineering activities!*

All are welcome!

While this event focuses on introducing girls to STEM roles by exposing them to the wide variety of STEM fields and opportunities, boys are also welcome!
