Dear DCA Community,,

Each year, DCA elects new Board of Trustee members to take the place of those who have completed their years of service. We encourage you to prayerfully consider those who you believe would be an effective member of the Board.

Trustees are elected to three-year terms with a maximum of two consecutive terms. The full Board of Trustees is responsible for working cooperatively with the Head of the School, approving school policies and plans in accordance with the mission and values of the institution, and supporting the school's financial condition and its physical plant.

The Trustee Committee is charged with gathering the names of potential Trustees who have been recommended for consideration. People on this list are contacted for further information and interviewed by the Committee. The committee then reviews those who have completed the process and identifies a slate of nominees who meet the composition needs of the Board for the coming year. The final slate of nominees will be submitted for approval to the active DCA Community.

You may click on this link https://app.dcawildcats.org/nomination_form to nominate a member of the DCA community that you believe will make a strong candidate for the Board of Trustees. The most essential characteristics of all Trustees are a mature Christian faith and a strong commitment to DCA's mission. A nominee should have a willingness and commitment to share his or her time, talents, and skillsets for the betterment of the Academy. Nominees may be current or former DCA parents as well as other individuals with a loyalty to DCA's community. Please submit your recommendations by April 11, 2025, using the link above. If you have any questions, please reach out to Deleen Cooper at dcooper@dcawildcats.org.

Thank you for your prayerful consideration. The DCA Board of Trustees looks forward to reviewing your nominations and interviewing qualified candidates.

Sincerely,

Greg May
Trustee Committee Chair
