## FAMILY APP INFORMATION

### WHAT IS IT?

As part of the PBIS Rewards suite of apps, the free PBIS Rewards Family App allows parents and guardians to view student point totals, number of referrals, items purchased with points, and upcoming events for which points can be used.

### HOW DO I GET CONNECTED?

Once you download the app onto a smartphone, you can scan a QR code to activate a student in the app. This QR code is unique to each student and is provided to the parent via a letter from the school. The app confirms the QR code, allowing the parent to access to their student's point totals and progress as the school year goes along.

### STEPS TO GET CONNECTED

Download the PBIS Rewards Family app on your device.

2

Wait for a text or email from your child's teacher which will include a link and QR code to help you get connected to your child.

3

- **Communication**
  - Two-way messaging
- **Points**
  - view teacher comments for points awarded
- Purchases made by student
- Contact information for all teachers so parents/guardians can contact staff directly from the app.

### WHY SHOULD I USE IT?

The PBIS Rewards Family App allows parents and guardians to track the progress and point totals of students. The parent/guardian can view the information for each child. The school can generate paper letters, emails, and/or text messages to connect parents and guardians with their students within the app.

### REMEMBER...

Remember that...

- This is an easy way to communicate with your child's teacher.
- Reinforce good behavior at home.
- Have conversations with your child about the behaviors and decisions that they make at school.
