

Cambridge Park Elementary School

March 2025

Mark Your Calendar!

*Cambridge Park Elementary School Math Madness Event
Friday, March 28, 2025*

Join us for a slam dunk of a time at our Math Madness Event

This event will kick off with a quick huddle- informational session- where you will learn about how we teach math in the classroom and simple ways to support your child's learning at home. Then, it's game time! You will head to your child's classroom where you and your little mathematician can practice early math skills together!

Each student may have one family member attend.

Please RSVP to your child's teacher.

We can't wait to shoot for success together!

Please remember siblings are not permitted.
Students may not be signed out of school early.

**Parents please enter & exit through the assigned door.
Please remember siblings are not permitted.
Students may not be signed out early from school.**
